

11—54.6(8A) Review of written examination questions. Applicants may request to review their incorrectly answered questions on department administered written examinations except that aptitude, psychological, and video-based examinations are not subject to review. An applicant who reviews written examination questions may not retake that examination or an examination with the same or similar content for 60 calendar days following the review and then only if the class is open for recruitment. Violation of this waiting period shall result in the current examination score being voided and an additional 60-calendar-day waiting period being imposed.
