

**281—120.29(34CFR303) Services prior to completion of evaluation and family assessment.** Early intervention services may commence before the completion of the evaluation and family assessment in order to facilitate the provision of services in the event that a child may have obvious immediate needs and if the following conditions are met:

1. Parental consent is obtained;
2. An interim IFSP is developed that includes:
  - The name of the service coordinator who shall be responsible for the facilitation of its implementation and for coordination with other persons and agencies.
  - Early intervention services that have been determined to be needed immediately by the child and the child's family at the time of referral; and
3. The requirements for the timely evaluation and family assessment are not circumvented. [34 CFR 303.345]
