

571—12.37 (483A) Fur harvester education program.

12.37(1) The fur harvester education program is designed to teach trappers safe and ethical trapping techniques and to instill responsible attitudes toward people, wildlife, and the environment.

12.37(2) The fur harvester education program is between six to eight hours in length, and students will receive instruction and hands-on training on the history and heritage of the fur trade, biology and management of Iowa furbearers, wildlife regulations and their purpose, ethics and responsibility, fur harvesting equipment, the basics of harvesting Iowa furbearers, marketing furbearers, public relations, and the basics of outdoor safety and survival. Students will receive a certificate of completion at the end of the education program.

12.37(3) The following criteria apply to the fur harvester education program:

a. Any student who is 11 years of age or older may enroll in a course and receive a certificate if the student successfully completes the course; however, if the student is 11 years old, the certification shall not become valid until the student's twelfth birthday.

b. Students must use the DNR online training registration and tracking system to register for classes unless Internet access is unavailable. Students who do not have access to the Internet, which includes access through a public option such as a school or library, may contact a recreation safety officer, a department district office, the system administrator, or an instructor to set up a student account and register for the class. Assistance may be found by calling (515)281-5918. Students under the age of 11 must have a parent or guardian establish a user account and register on their behalf.

c. There is no fee for the education program.
