

495—3.6(97B) Duties. The BAC shall review and advise on the following matters insofar as they impact benefits and services provided to members and member employers under Iowa Code chapter 97B: overall plan design, benefits policy and goals, budget, benchmarking and quality assessment efforts, research and strategic planning. Through its voting representatives, the BAC shall make recommendations to the system, the governor and the general assembly about programs, benefits and services. The BAC shall also participate in annual performance evaluations of the chief benefits officer and, when that position becomes vacant, assist the chief executive officer in the process of defining and selecting a replacement. In addition, the BAC shall recommend to the governor at least two nominees for each vacant position on the investment board reserved for active or retired members of the system. The chairperson of the BAC shall solicit nominations for such vacancies from the entire BAC membership and, through a meeting of the BAC, select the names to be forwarded to the governor.

At least every two years, the BAC shall review the benefits and services provided to members; and the voting representatives shall make recommendations to the system, the governor, and the general assembly concerning the benefits and services provided to members and the system's benefits policies and benefits goals. All of the membership of the BAC, including nonvoting representatives, may have input into formulating such recommendations.
