

**281—22.28(261E) Internet-based coursework.** The programming in this chapter may be delivered via Internet-based technologies including but not limited to the Iowa learning online program. An Internet-based course may qualify for additional supplemental weighting if it meets the requirements of Division IV or Division VI of this chapter. To qualify as a senior year plus course, an Internet-based course must comply with the appropriate provisions of this chapter.
