

199—14.8(17A,476) Paper copies required.

14.8(1) Any map, plan and profile drawing, or oversized document that is required to be filed with the board shall be electronically filed as a PDF (Portable Document Format) file or a TIFF (Tag Image File Format) file, if the filer has access to an electronic version of the map. If the map, drawing, or oversized document cannot be printed on 11-by-17 inch or smaller-sized paper in legible and usable form, as determined by the board, the original and four paper copies of each map, drawing, or other document filed pursuant to this rule shall also be filed, unless more copies are required by board order or request. Maps and other documents shall be drawn to a scale appropriate for the level of detail to be shown. However, if the map, drawing, or other document is not electronically filed, then the number of paper copies specified in 199—subrule 7.4(4) or other applicable rule shall be filed.

14.8(2) Unless the board orders otherwise, until March 31, 2009, filers shall provide the board with one paper copy of each document that is filed electronically, other than maps or other documents for which supplemental paper copies are required pursuant to subrule 14.8(1), unless more copies are required by board order. The paper copy may be provided by personal delivery or by first-class mail and shall be delivered or deposited in the mail within 24 hours of electronic filing. The electronic document stored in the electronic filing system and published on the board's Web site will function as the official filing.
