

**199—45.13 (476) Records and reports.**

**45.13(1)** For each completed interconnection request received by the utility, the utility shall maintain records of the following for a minimum of three years:

- a.* The total nameplate capacity and fuel type of the distributed generation facility;
- b.* The level of review received (Level 1, Level 2, Level 3, or Level 4); and
- c.* Whether the interconnection was approved or denied.

**45.13(2)** Beginning May 1, 2011, each utility shall file a nonconfidential annual report detailing the information required in subrule 45.13(1) for the previous calendar year.

**45.13(3)** Each utility shall retain copies of studies it performs to determine the feasibility of, system impacts of, or facilities required by the interconnection of any distributed generation facility. The utility shall provide the applicant copies of any studies performed in analyzing the applicant's interconnection request upon applicant request. However, a utility has no obligation to provide any future applicants any information regarding prior interconnection requests to the extent that providing the information would violate security requirements or confidentiality agreements, or is contrary to state or federal law. In appropriate circumstances, the utility may require a confidentiality agreement prior to release of this information.
