

261—200.1(15J) Purpose. The board is authorized by the general assembly and the governor to oversee the implementation and administration of certain provisions of a new economic development program known as the Iowa reinvestment Act which was enacted in 2013 Iowa Acts, House File 641. The purpose of this chapter is to describe the manner in which the authority's part of the program will be administered. The program provides for as much as \$100 million in state hotel and motel and state sales tax revenues generated by new revenue-generating projects in certain districts to be "reinvested" within those districts. In general, the authority has the responsibility to evaluate projects and make funding decisions while the department of revenue has the responsibility for collecting the tax revenues used to fund projects under the program and making payments to municipalities. To the greatest extent possible, the board will fund projects in districts that are the most likely (1) to improve the quality of life of the municipality, the surrounding region, and the state as a whole; (2) to be unique to the municipality, the surrounding region, and the state as a whole; and (3) to substantially benefit the economy of the municipality, the surrounding region, and the state as a whole.
