

441—114.1(237) Applicability. This chapter outlines the basic standards for all group living foster care facilities and contains the basic standards applicable to community residential facilities for children. Additional standards applicable to specific levels of group living are discussed in 441—Chapter 115, “Licensing and Regulation of Comprehensive Residential Facilities for Children,” and 441—Chapter 116, “Licensing and Regulation of Residential Facilities for Mentally Retarded Children.”

This rule is intended to implement Iowa Code chapter 237.
