

191—30.8(509) Electronic delivery of group life insurance certificates.

30.8(1) Purpose. The purpose of this rule is to authorize the electronic delivery of group life insurance certificates in an efficient manner by insurers and group policyholders, while guaranteeing that individual plan members still receive the important information contained in such group insurance certificates, as required by Iowa Code section 509.2(7), and as allowed by the uniform electronic transactions Act, Iowa Code chapter 554D.

30.8(2) Scope. This rule shall apply to all insurance companies holding a certificate of authority to transact the business of insurance under the provisions of Iowa Code chapters 508 and 515.

30.8(3) Electronic delivery—insurance companies. The insurer will be deemed to comply with the requirements of Iowa Code section 509.2(7) if the group insurance certificate is delivered to the group policyholder electronically and if:

- (1) Using return-receipt electronic mail features;
- (2) Periodic reviews or surveys to confirm receipt of the transmitted information; or
- (3) Any other method approved by the insurance commissioner.

b. The electronic documents contain the same content and appear in reasonably the same format as the certificates previously approved by the insurance commissioner.

c. Each group policyholder is provided notice, through electronic means or in writing, apprising the group policyholder of the fact that the certificate will be furnished electronically, of the significance of the certificate and the group policyholder's obligations under this rule, and of the group policyholder's right to request and receive a paper copy of the document for each participant.

d. Upon request of any group policyholder, the insurer furnishes paper copies of the group insurance certificate that was delivered to the group policyholder electronically, so that the group policyholder may provide them to participants that have requested paper copies.
