

281—83.12 (284A) Professional development of administrators.

83.12(1) *Responsibility of district.* Each school district shall be responsible for the provision of professional growth programming for individuals employed in a school district administrative position by the school district or area education agency as deemed appropriate by the board of directors of the school district or area education agency. School districts may collaborate with other educational stakeholders, including other school districts, area education agencies, professional organizations, higher education institutions, and private providers, regarding the provision of professional development for school district administrators. Professional development programming for school district administrators may include support that meets the individual administrator's professional development needs as aligned to the Iowa standards for school administrators adopted pursuant to 2007 Iowa Code Supplement section 256.7(27), and that meets individual administrator professional development plans.

83.12(2) *Individual plans.* In cooperation with the administrator's evaluator, an administrator who has a standard administrator's license issued by the board of educational examiners pursuant to Iowa Code chapter 272 and is employed by a school district or area education agency in a school district administrative position shall develop an individual administrator professional development plan. The purpose of the plan is to promote individual and group professional development. The individual plan shall be based, at a minimum, on the needs of the administrator. The individual plan shall be aligned, as appropriate, to the Iowa standards for school administrators adopted pursuant to 2007 Iowa Code Supplement section 256.7(27), and the student achievement goals of the attendance center and the school district as set forth in the comprehensive school improvement plan.

83.12(3) *Role of evaluator.* The administrator's evaluator shall meet annually as provided in Iowa Code section 279.23A with the administrator to review progress in meeting the goals in the administrator's individual professional development plan. The purpose of the meeting shall be to review collaborative work with other staff on student achievement goals and to modify as necessary the administrator's individual professional development plan to reflect the individual administrator's and the school district's needs and the administrator's progress in meeting the goals in the plan. The administrator shall provide evidence of progress toward meeting the goals. Modifications to the plan may be made jointly by the administrator and the administrator's supervisor, or the supervisor may adjust the plan. Any changes in the plan made unilaterally by a supervisor must be clearly documented for the administrator.
