

571—74.3(461A) Project scope. This program will provide forestry cost-share assistance to private landowners primarily through the forest land enhancement program (FLEP). The primary source of funding shall be federally allocated funds; however, other public or private funds may be utilized if available. These funds will be used for conservation tree and shrub planting such as reforestation, wildlife habitat establishment, forest riparian buffer establishment, timber stand improvement and other forestry enhancement projects on private lands as approved by the department and the forest stewardship committee.
