

191—13.7(505,522B) Consent effective for specified positions and responsibilities only. A consent issued by the commissioner shall be effective only so long as the prohibited person remains in the same or similar job position with the same or similar responsibilities to which the person attested in the initial request for consent. A material change in job responsibilities requires the prohibited person to file an amended request for consent.
[ARC 8309B, IAB 11/18/09, effective 12/23/09]
