

**27—13.10(161C) Authority and scope.** This chapter establishes procedures and standards to be followed by the division of soil conservation, Iowa department of agriculture and land stewardship, in accordance with the policies of the state soil conservation committee in implementing an organic nutrient management program. This fund shall be used to establish and administer an organic nutrient management program to provide for the allocation of cost-share moneys as financial incentives to eligible persons applying to participate in the program. It also establishes standards and guidelines to which the soil and water conservation districts shall conform in fulfilling their responsibilities under this program.
