

193E—17.4(543B) Continuing education credit for instructors.

17.4(1) Commission-approved instructors may receive up to six hours of continuing education credit toward renewal of a real estate license for verified attendance at an instructor development workshop approved by the commission. The instructor may use continuing education credit only once in each three-year renewal period.

17.4(2) An instructor may receive continuing education credit for approved education courses that the instructor teaches, but not more than six hours of credit in any three-year license renewal period.
