

571—28.16 (321I) Expense documentation, balance payment or reimbursement.

28.16(1) Documentation of expenditures eligible for prepayment or reimbursement shall be submitted on forms provided by the department and shall be accompanied by applicable receipts showing evidence that the expense is chargeable to the program. The sponsoring organization shall sign a certification stating that all expenses for which reimbursement is requested are related to the program and have been paid by the sponsor prior to requesting reimbursement. If necessary, the department may request copies of canceled checks to verify expenditures.

28.16(2) The sponsor is responsible for maintaining auditable records of all expenditures of funds received whether by prepayment or on a reimbursement basis. This documentation shall include daily logs of maintenance equipment, operation and repair. Work done under contract to the sponsor requires a copy of the contract and copies of canceled checks showing payment.

28.16(3) Documentation of expenditures under the all-terrain vehicle revenue cost-sharing program must be received within 60 days of the project end date as specified in the grant approval letter unless the project sponsor has requested an extension and the extension has been approved in writing by the department. Failure by the sponsor to complete projects in a timely manner may be cause for termination of the agreement and cancellation of the grant.

28.16(4) Approved expenditures by the sponsor in excess of the prepayment amount received, up to the maximum approved amount, will be reimbursed by the department if appropriately documented. In instances where the sponsor has expended less than the amount prepaid, the sponsor shall reimburse the balance to the department to be credited back to the annual local share or the appropriate fund.
