

481—36.8(196) Labeling and packaging. Rules 481—30.14(137A,137B,137D,137E) and 481—31.5(137A) shall apply to the labeling of eggs if not inconsistent with this rule.

36.8(1) All cases of loose-packed eggs sold in this state shall identify:

- a. The egg handler's name, or license number, or USDA plant number; and
- b. The grade of eggs contained in the case.

36.8(2) Each carton containing eggs for retail sale in Iowa which have been candled and graded shall be marked with:

- a. The grade and size of the eggs contained;
- b. The date the eggs were packed; and
- c. The name and address of the distributor or packer.

36.8(3) Labeling shall be printed in letters not less than $\frac{1}{4}$ inch in height, or plainly and conspicuously stamped or marked in letters not smaller than $\frac{1}{2}$ inch in height.

36.8(4) Eggs sold to retailers must be prepacked in new cartons.
