

61—9.10(912) Duties of department. In addition to the duties contained in Iowa Code section 13.13, the department shall:

1. Administer other funds, grants, or programs for victim assistance created by public law or the department.
2. Provide administrative support to the board.
3. Enter into agreements under Iowa Code chapter 28E or other law including agreements with other state agencies and political subdivisions for the transfer to the department of funds authorized by law for victim service programs.
4. Accept, use, and dispose of contributions of money, services, and property, which are made available by an agency or department of the state or any of its political subdivisions, the federal government, a private agency, or an individual, that are specifically designated for crime victim assistance programs.
