

655—6.4(152) Additional acts which may be performed by registered nurses.

6.4(1) A registered nurse shall be permitted to practice as a diagnostic radiographer while under the supervision of a licensed practitioner provided that appropriate training standards for use of radiation-emitting equipment are met as outlined in 641—42.1(136C).

6.4(2) A registered nurse, licensed pursuant to Iowa Code chapter 152, may staff an authorized ambulance, rescue, or first response service provided the registered nurse can document equivalency through education and additional skills training essential in the delivery of out-of-hospital emergency care. The equivalency shall be accepted when documentation has been reviewed and approved at the local level by the medical director of the ambulance, rescue, or first response service in accordance with the form adopted by the Iowa department of public health bureau of emergency medical services. An exception to this subrule is the registered nurse who accompanies and is responsible for a transfer patient.

This rule is intended to implement Iowa Code section 147A.12 and chapters 136C and 152.
