

681—13.10(262) General priority on use of facilities. University grounds and facilities are primarily dedicated to the university's missions of teaching, research and service. While grounds and facilities are generally open to noncommercial use by the public, students, student organizations and staff, use for other than university-related purposes must not substantially interfere with university activities and must be in conformity with the requirements of this chapter. University-related activities, including the activities of recognized campus and student organizations, will be given priority.

Except as specifically indicated, the policies stipulated in rules 681—13.11(262) to 681—13.19(262) are applicable to noncommercial uses. Commercial uses, including solicitation, advertising and sales, are subject to the university's policy on commercial activities.
