

193F—1.19 (543D) January 1, 2015, criteria.

1.19(1) Effective on and after January 1, 2015, the AQB has changed the criteria for eligibility for registration as an associate appraiser and certification as a certified appraiser. No person may be registered as an associate appraiser or certified as a certified appraiser on or after January 1, 2015, unless the person is eligible under the revised criteria.

1.19(2) The January 1, 2015, criteria were adopted by the AQB in 2011 and have been widely disseminated, including on the board's Web site at: <http://www.state.ia.us/government/com/prof/appraiser/home.html>.

a. For associate appraisers, the revised criteria place a five-year restriction on the time period in which qualifying education must be completed prior to the submission of an application for associate appraiser registration and require completion of supervisory appraiser/associate coursework by both the supervisory appraiser and the associate appraiser applicant.

b. For certified appraisers, the revised criteria modify the conditions under which applicants for certification are eligible to take the required examinations and require a bachelor's degree for all certified appraisers, including residential appraisers.
