

571—33.22(455A) Public communications. Grant recipients shall participate in public communications activities to inform the public of the REAP program and of their particular project. The project will not be considered successfully completed, for purposes of 571—33.15(455A), until evidence is provided to the department REAP coordinator that the following requirements have been met. The remaining 10 percent payment of the grant total will not be issued until such evidence has been provided. Evidence includes but is not limited to photographs showing sign placement, newspaper or magazine clippings, printed brochures or fliers available to the public, exhibits for public display and other related materials. Information gathered from site inspections by the department may also be considered acceptable evidence.

33.22(1) Signs. Grant recipients are required to adequately display the 12-inch by 12-inch REAP signs, provided by the department at no charge, on project locations where appropriate so that users of the project can readily see that REAP is at least partially responsible for the project. The REAP signs will be maintained and replaced as necessary as long as the department has signs available.

33.22(2) Dedication ceremony. Grant recipients shall hold a public meeting or event to dedicate the project. Information provided during the event shall include information in regard to the REAP program and its role in supporting the project. This information shall also be provided to local news media by use of a news release. Local and state elected officials shall be invited to attend and participate.

33.22(3) Grants include public communications plan. A description of the public communications plan shall be included in every project submitted as a grant request. Grant recipients shall carry out the plan if their project is funded.
