

26 hospital in diversion of "support," or other funds, as alleged in the biennial message of the  
27 governor, and whether said board has authorized the building of a road outside the limits of  
28 the property of the state, and for what purpose, and whether legally or wisely done; and also  
29 to examine any other complaints that may be laid before said committee touching the man-  
30 agement of said hospital, or its finances. Said committee may hold its sessions at Des  
31 Moines or Mt. Pleasant, as said committee may find best for the purposes of said examina-  
32 tion, and may sit during the sessions of the general assembly, and is hereby empowered to  
33 employ a clerk and short-hand reporter, if the committee find either or both necessary; and  
34 for the purpose of said examination, said visiting committee to said hospital is increased to  
35 five members, two from the senate and three from the house, and has leave to report at any  
36 time, with such recommendations for the action of this general assembly as said committee  
37 may find the facts to require or justify.

## 38 VII.

39 That the visiting committee to the institution for the deaf and dumb be specially charged  
40 with the duty of investigating complaints heretofore made of mismanagement relating to  
41 said institution, or that may be made to said committee relating thereto: and that said com-  
42 mittee be empowered to send for persons and papers, and to hold their sessions at Council  
43 Bluffs or Des Moines, as they may find of most advantage to the matters investigated by  
44 them, and that said committee have leave to sit during the sessions of the general assembly.  
45 And for the purpose of this investigation, the visiting committee to said institution shall be  
46 increased by adding one member from the senate and one from the house, so that said com-  
47 mittee shall consist of five.
