Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Section six hundred twenty-seven point ten
2 (627.10), Code 1946, is hereby amended by striking all of said
3 section and inserting in lieu thereof the following:
4 "The wages or salaries of all persons who are residents
5 of this state and the heads of families and residing with the
6 same, to the amount of ninety percent of the amount of said
7 wages or salaries, shall be exempt from attachment, execution
8 and garnishee process; provided, nothing in this section shall
9 be construed as to protect the wages of persons mentioned in
10 section 627.15."

EXPLANATION OF H. F. 271

Under present law there is no way that the collector may collect from a debtor who has only an income from personal earnings.

This bill will provide a remedy for the creditor and at the same time not work a hardship on the wage earner.
