This bill clarifies the authority of the Aeronautics Commission to purchase its necessary supplies and equipment, to fix the salaries of its employees and to make disbursements from the state aviation fund therefor, and for the general promotion of aeronautics. It authorizes the Aeronautics Commission to fix the salary of the Aeronautics Director within limits, and corrects section 328.36 with respect to the state aviation fund so that the moneys collected from aviation shall remain in said fund to be used for the benefit of Iowa aviation development.
