House File 451

February 27, 1947.
Drainage.

By NELSON of Woodbury.

A BILL FOR

An Act to amend chapter three hundred twenty-four (324), Code 1946, relating to refund of motor vehicle fuel license fees to drainage districts.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Chapter three hundred twenty-four (324), Code
2 1946, is hereby amended by adding thereto the following new
3 section:
4 "Drainage districts that do their own repair and
5 construction and pay for it from their own drainage fund shall
6 be entitled to receive the refund for motor vehicle fuel
7 license fees bought and used for the purpose of doing its own
8 repairs and construction."

EXPLANATION OF H. F. 451

It is the policy and practice of many drainage districts to do its own ditch construction and repair; it buys its own dredging machines, and deepens, cleans out, widens, and otherwise repairs and keeps in forms its drainage system by its own work.

The fuel used by the drainage districts is paid for out of its own drainage fund and under the present law no refund is allowed.

It is believed that this amendment will grant relief to the drainage districts.
