EXPLANATION OF H. F. 492

This is a legalizing act to validate the proceedings authorizing the issuance of school building bonds for the independent school district of Bettendorf, Iowa. The district held an election which carried by an overwhelming majority, and doubts have arisen as to whether or not there was sufficient notice of time after the last publication of the election notice before the election was held. This bill affects no other school district except the independent school district of Bettendorf, Iowa.
