WHEREAS, one of the first requisites of a harmonious, contented and prosperous state depends upon religious tolerance and understanding; and

WHEREAS, the civil and religious liberties which are inherently part of the American constitutional system have been best secured and furthered by providing moral instruction for pupils in connection with the public schools of this state.

*Be It Enacted by the General Assembly of the State of Iowa:*

1 Section 1. The board of education of each school district  
2 is hereby authorized and empowered to provide for the moral instruc-  
3 tion of pupils subject to the jurisdiction of such board in the

1 Sec. 2. The board of education of each school district may  
2 authorize and complete a survey of the religious affiliations of  
3 all pupils attending the public schools within any such district,  
4 and may ascertain those pupils who desire, and have the consent  
5 of parent or guardian for moral instruction. On a day in each  
6 week, to be fixed by the board, it may excuse such pupils for at  
7 least one hour, for the purpose of attending their respective  
8 places of worship, or some other suitable place there to receive

9 moral instruction in accordance with the religious faith of said  
10 pupils.

1 Sec. 3. Each board of education is authorized to adopt  
2 rules and regulations for carrying into effect the provisions  
3 of this act and to make such arrangements with the respective  
4 persons in charge of the several denominations for the giving  
5 of aforesaid moral instruction.

1 Sec. 4. Pupils attending their several places of worship  
2 for moral instruction therein at the time specified and for  
3 the period fixed shall be credited with the time so spent as if  
4 such pupils had been in actual attendance at school.
