SENATE JOINT RESOLUTION

Proposing that all major appropriation bills be considered and acted upon before any tax bills, which will reduce the rate or amount now provided for, shall be considered and acted upon by this General Assembly of the State of Iowa.

WHEREAS, the cost of operating and maintaining the State Government, its institutions and agencies has increased far beyond expectations; and

WHEREAS, during the period of the war emergency repairs and improvements on state owned property were postponed in order to aid the war effort and the demands are such that needed improvements must be considered and provided for during the next bi-ennium; and

WHEREAS, this Assembly will be called upon to make appropriations to provide funds with which to pay the costs of the State Government, its institutions and agencies, and the demands for such purposes based upon the askings exceeds the revenues now received; and

WHEREAS, it would seem that if the State budget for the next bi-ennium is to be balanced that it will be necessary that all major appropriation bills be considered, necessary that all major appropriation bills be considered so that the revenue necessary to balance the budget may be provided;

Be It Resolved by the General Assembly of the State of Iowa:

- 1 Section 1. That no bill providing for the imposition and
- 2 collection of taxes of any kind or for the raising of any
- 3 revenue to provide funds for the payment of the expenses and

4 costs provided for in appropriations made by this General
5 Assembly, which bill or bills will reduce the rate or amount
6 now provided for, shall be considered by either the House or
7 the Senate of this General Assembly until all major appropria-
8 tion bills have first been considered and acted upon by this
9 General Assembly.
