EXPLANATION OF H. F. 181

The purpose of the bill is to give the Justices of the Peace and Constables in towns of 10,000 or more population an increase in salary in the amount of 50 per cent due to the increase of living costs and greater volume of business now handled in these courts. This bill applies only to the fourteen (14) larger cities of Iowa that do not have Municipal Courts and where the Justice Court is a full time job and paid a salary.
