59 In sub-section twenty-one (21) in line two (2) strike the
60 word "one" (1) and insert in lieu thereof the word "two" (2).

EXPLANATION OF H. F. 388

The justice of the peace performs many services for his community and in many cases is a very necessary officer. The method of remunerating the justice is very inadequate and his fees have not been increased for many years. In recognition of his services, this bill attempts to increase his fees to a reasonable amount for his services.
