A BILL FOR

An Act to prohibit the placing of any materials or waste materials from privately owned lands caused by dredging, pumping, washing or processing operations, into any streams, lake, marsh or lands under the control of the state conservation commission nor dump, place or cause to be placed, any deleterious materials into any streams, lakes, marsh or lands, under the control of the commission.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. It shall be unlawful to place, or
- 2 cause to be placed, in or on any stream, lake, marsh, or
- 3 lands under the control of the state conservation commission
- 4 any natural materials from privately owned lands, caused
- 5 by dredging, pumping, washing, or processing operations, or
- 6 to dump, place or cause to be placed any deleterious
- 7 materials of any kind on any lands or waters under the
- 8 control of the commission without first obtaining from
- 9 such commission a written permit.
