A BILL FOR

An Act to amend section three hundred forty-one point one (341.1),
Code 1962, relating to the appointment of a night deputy
sheriff and providing for his duties.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section three hundred forty-one point one (341.1),
- 2 Code 1962, is hereby amended by adding the following:
- 3 "The board of supervisors in each county, in addition to the
- 4 deputies or assistants determined to be necessary by the board of
- 5 supervisors for the sheriff under this section, shall determine
- 6 it to be necessary to appoint at least one or more uniformed
- 7 deputies for the purpose of: patrolling the secondary highways
- 8 in the county at night, making periodic nightly inspections of
- 9 the county jail and the prisoners therein, except in those
- 10 counties which have regular night jailers, and performing such
- 11 other duties during the night as may be designated by the sheriff
- 12 of said county. The sheriff of each county shall appoint the
- 13 number of uniformed deputies as may be designated by the board
- 14 of supervisors of each county for the duties provided herein and
- 15 each appointment shall be by resolution made of record in the
- 16 proceedings of such board."

EXPLANATION OF HOUSE FILE 101

A uniformed deputy is needed on all secondary roads in order to patrol such high-
ways to prevent loss of life, to be readily available for accidents at night, to aid any
persons injured on the highways at night, and to act as a deterrent to traffic violators
and to persons prowling such secondary roads for the purpose of theft, vandalism and

other violations. It is extremely important that rural counties have such protection because of the many isolated homes within the county. Such deputies will be an aid to the sheriff and his wife in smaller counties in watching and inspecting the jail and the prisoners therein on a 24-hour-a-day basis.
