A BILL FOR

An Act relating to safety regulations for storage of liquid
and gas fertilizer.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. No liquid or gas fertilizer having a vapor
2 pressure at one hundred (100) degrees Fahrenheit in excess of
3 fifty (50) pounds gauge pressure shall be stored nearer than
4 five hundred (500) feet to any residential building or nearer
5 than two hundred (200) feet to any other property.

1 Sec. 2. Section one hundred fifty-nine point six (159.6),
2 Code 1962, is hereby amended by adding the following subsection:
3 "Safety and storage regulations concerning liquid and gas
4 fertilizers."

EXPLANATION OF HOUSE FILE 297

This bill prevents storage of liquid or gas fertilizers in the immediate vicinity of other property as a safety measure for these highly volatile and dangerous substances.
