EXPLANATION OF HOUSE FILE 315

The problem occasionally arises when the board of control or an agent designated by the board of control needs to temporarily exercise the authority vested in its employees. There has been some question of the "authority" to do this in fact. We seek to clearly place responsibility and authority on the board for all control procedures it needs to carry out. Only in this manner can the board of control be clearly and wholly held responsible.

HOUSE FILE 315

- 1 Amend the title to House File 315 by striking from
- 2 line two (2) the words "temporarily exercise" and
- 3 inserting in lieu thereof the words "exercise at its
- 4 discretion".
