A BILL FOR

An Act relating to the movement of mobile homes over the highways
of this state.

Be It Enacted by the General Assembly of the State of Iowa:

This is a Companion Bill; for complete text see Senate File 218.

EXPLANATION OF HOUSE FILE 347

This bill will facilitate the safe movement of overwidth vehicles on the highways as well as bring the regulations more nearly in line with the regulations of other states. It should reduce the amount of work necessary on the part of the highway commission in issuing permits, planning routings, answering mail, etc. It provides adequate safeguards for the traveling public as well as greater economy in the movement of the vehicles by permitting the use of the most direct routing between two points.
