A BILL FOR

An Act relating to bounties.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Chapter three hundred fifty (350), Code 1962,
- 2 is hereby amended by adding the following new section:
- 3 "The county auditor shall not be required to pay any claim
- 4 for bounty unless the claimant at the time of submitting his
- 5 claim shall present claims and proofs which entitle the claimant
- 6 to a total bounty of not less than one (1) dollar."

EXPLANATION OF HOUSE FILE 461

This bill makes it possible for the auditor to require a person seeking bounties to present claims which equal at least \$1. As the law now stands the auditor is subjected to having to pay bounty checks for five and ten cents to a claimant who brings in proof of one starling, one gopher, etc.
