## A BILL FOR

An Act relating to extensions of the primary highway system.

*Be It Enacted by the General Assembly of the State of Iowa:*

- 1 Section 1. Section three hundred thirteen point twenty-one
- 2 (313.21), Code 1962, is hereby amended by inserting the
- 3 following after the period in line fourteen (14) :
- 4 "Whenever the highway commission eliminates from the
- 5 primary highway system the rural portion of a highway leading
- 6 into a city or town and the highway commission places such
- 7 highway in good repair as provided in section three hundred
- 8 thirteen point two (313.2) of the Code, the commission shall
- 9 within two (2) years allocate sufficient funds to place the
- 10 street extension of such highway in good repair for the traffic
- 11 thereon."

### EXPLANATION OF HOUSE FILE 475

Some stub highways and other local primary highways are being eliminated from the primary highway system. In addition, some primary highways are being eliminated because of relocation or reconstruction projects.

The purpose of this bill is to require the highway commission to put in good repair the primary street extension in a city or town whenever the commission eliminates the rural portion of such highway leading into the city or town and the commission places such highway in good repair as required now under section 313.2 of the Code.
