## A BILL FOR

An Act to empower the Iowa State Highway Commission to make emergency repairs to any highway under its jurisdiction, estimated to cost not more than five thousand (5000.00) dollars without submitting the work for bids, and to make emergency repairs estimated to be in excess of five thousand (5000.00) dollars, but not more than fifty thousand (50,000.00) dollars, through contract submitted to informal bids of not less than three (3) qualified persons.

*Be It Enacted by the General Assembly of the State of Iowa:*

1 Section 1. That the Iowa State Highway Commission shall have  
2 the right and power to make emergency repairs to any road or  
3 highway under its jurisdiction, estimated to not exceed more than  
4 five thousand (5000.00) dollars by force account or by contract  
5 requesting bids.

1 Sec. 2. The Iowa State Highway Commission shall have the  
2 right and power to make emergency repairs to any road or highway  
3 under its jurisdiction, which are estimated to cost more than  
4 five thousand (5000.00) dollars but not more than fifty thousand  
5 (50,000.00) dollars, by contract to the lowest bidder of not less  
6 than three (3) qualified bidders, pursuant to informal solic-  
7 itation of bids.
