1 Section 1. Section 8.22A, subsection 2, Code Supplement

3 2. The conference shall meet as often as deemed necessary,
4 but shall meet at least quarterly four times each fiscal year.
5 One of the meetings shall be held within thirty calendar days
6 preceding December 15 for the purpose stated in subsection 3
7 and one of the meetings shall be held within thirty calendar
8 days preceding March 15. The conference may use sources of

10 EXPLANATION

11 This bill relates to the meetings of the revenue estimating
12 conference.

13 Under current law in Code section 8.22A, the revenue
14 estimating conference shall meet as often as deemed necessary
15 but must meet quarterly. The bill revises the quarterly
16 meeting requirement to instead require meetings at least four
17 times per fiscal year. Under the current law, one of the
18 meetings is held by December 15 to agree to a revenue estimate
19 for the following year and under the bill another of the
20 meetings must be held by March 15. Both of these meetings
21 must be held within 30 calendar days preceding the designated
22 date.
