6 EXPLANATION

7 This bill provides for the regulation of pharmacies  
8 utilizing an internet site or electronic mail.

9 The bill defines "internet site" as a specific location on  
10 the international network of interconnected government,  
11 educational, and commercial computer networks that is  
12 determined by internet protocol numbers, by a domain name, or  
13 by both. The bill defines "electronic mail" as any message  
14 transmitted through the international network of  
15 interconnected government, educational, and commercial  
16 computer networks, including but not limited to messages  
17 transmitted from or to any address affiliated with an internet  
18 site.

19 The bill provides that a pharmacy shall not sell, dispense,  
20 distribute, or deliver a prescription drug through an internet  
21 site or by electronic mail unless the pharmacy is licensed  
22 either as an "in-state" or nonresident pharmacy, and if the  
23 internet site or electronic mail is in compliance with any  
24 applicable federal requirements and displays identifying  
25 information in a clear and conspicuous manner. The bill  
26 provides that a pharmacy shall also be certified pursuant to  
27 the verified internet pharmacy practice sites program. The  
28 bill additionally provides that a pharmacist or practitioner  
29 who sells, dispenses, distributes, or delivers a prescription  
30 drug, or writes a prescription order through an internet site  
31 or electronic mail, must be licensed by the applicable  
32 licensing board. The bill provides that an internet site or  
33 electronic mail shall not contain or issue any waiver,  
34 disclaimer, or limitation of liability to which the pharmacy,  
35 pharmacist, or practitioner would otherwise be subject.

1 The bill provides that the penalty provisions of Code  
2 section 155A.18 shall apply to a pharmacy, pharmacist, or  
3 practitioner in violation of Code section 155A.40.  
4 Accordingly, a violation could result in various license-  
5 related sanctions pursuant to Code section 272C.3, or in the  
6 imposition of a civil penalty not to exceed \$25,000.
