EXPLANATION

11 This bill relates to the meetings of the revenue estimating
12 conference.

13 Under current law in Code section 8.22A, the revenue
14 estimating conference shall meet as often as deemed necessary
15 but must meet quarterly. The bill revises the quarterly
16 meeting requirement to instead require meetings at least four
17 times per fiscal year. Under the current law, one of the
18 meetings is held by December 15 to agree to a revenue estimate
19 for the following year and under the bill this meeting must be
20 held within 30 calendar days preceding December 15. The bill
21 requires at least one meeting to be held during each regular
22 session of the general assembly.
