HF 2094

1 Section 1. Section 99B.10, Code Supplement 2005, is
2 amended by adding the following new subsection:

3 NEW SUBSECTION. 10. An electrical or mechanical amusement
4 device required to be registered as provided by this section
5 shall not be located in any county in which the result of the
6 most recent referendum conducted in that county pursuant to
7 section 99F.7 was a defeat of a proposal to conduct gambling
8 games on excursion gambling boats or the defeat of a proposal
9 to conduct gambling games at a licensed pari-mutuel racetrack
10 enclosure.

11 Sec. 2. NEW SECTION. 99G.30A MONITOR VENDING MACHINES --
12 PROHIBITED AREAS.

13 1. A monitor vending machine shall not be located in any
14 county in which the result of the most recent referendum
15 conducted in that county pursuant to section 99F.7 was a
16 defeat of a proposal to conduct gambling games on excursion
17 gambling boats or the defeat of a proposal to conduct gambling
18 games at a licensed pari-mutuel racetrack enclosure.

19 2. For purposes of this section, a "monitor vending
20 machine" means a machine or other similar electronic device
21 that includes a video monitor and audio capabilities that
22 dispenses to a purchaser lottery tickets that have been
23 determined to be winning or losing tickets by a predetermined
24 pool drawing machine prior to the dispensing of the tickets.

25 EXPLANATION

26 This bill prohibits locating an electrical or mechanical
27 amusement device that is required to be registered or a
28 monitor vending machine of the Iowa lottery in any county that
29 has rejected a proposal to authorize gambling games on
30 excursion gambling boats or pari-mutuel racetracks. The bill
31 provides that the prohibition would not apply if the county
32 subsequently passes a referendum authorizing gambling games in
33 that county. The bill also defines a "monitor vending
34 machine" as a machine with a video monitor and audio
35 capabilities that dispenses to a purchaser lottery tickets

1 that have been determined to be winning or losing tickets by a
2 predetermined pool drawing machine prior to the dispensing of
3 the tickets.
