HF 2421

1 Section 1. Section 285.1, subsection 5, Code 2005, is
2 amended to read as follows:

3 5. Where transportation by school bus is impracticable or
4 not available or other existing conditions warrant it,
5 arrangements may be made for use of common carriers to
6 transport children who are ten years of age or older according
7 to uniform standards established by the director of the
8 department of education and at a cost based upon the actual
9 cost of service and approved by the board.

10 EXPLANATION

11 This bill amends a provision that currently allows school
12 districts to arrange for the transportation of pupils by
13 common carrier rather than by school bus in situations that
14 warrant the substitution. Under the bill, children under 10
15 years of age could not be transported by common carrier.
