1 Section 1. The following amendment to the Constitution of
2 the State of Iowa is proposed:

3 1. Section 3 of Article III of the Constitution of the
4 State of Iowa is repealed and the following adopted in lieu
5 thereof:

6 REPRESENTATIVES. SEC. 3. The members of the House of
7 Representatives shall be chosen by the qualified electors of
8 their respective districts, and their term of office shall
9 commence on the first day of January following their election
10 which is not a Sunday or legal holiday, and continue four
11 years, and until their successors are elected and qualified.
12 Representatives shall be classified by statute so that as
13 nearly as possible one-half of the members of the House of
14 Representatives shall be elected every two years. The state
15 shall be divided into senatorial and representative districts
16 so that each senate district is composed of two house of
17 representatives districts. The election for a senate district
18 shall not be held in the same year as the election for the two
19 house of representatives districts composing the senate
20 district, except as otherwise required pursuant to section 35.

21 The General Assembly shall make such changes in the law
22 governing the time of election and terms of office of
23 Representatives as shall be necessary to make the time of
24 their election and terms of office conform to this section.

25 2. Section 35 of Article III of the Constitution of the
26 State of Iowa, as amended by amendment number 4 of the
27 Amendments of 1868, amendment number 2 of the Amendments of
28 1904, and amendment number 3 of the Amendments of 1968, is
29 repealed and the following adopted in lieu thereof:

30 SENATORS AND REPRESENTATIVES -- NUMBER AND DISTRICTS. SEC.
31 35. The General Assembly shall in each year immediately
32 following the United States decennial census determine the
33 number of Senators and Representatives to be elected to the
34 General Assembly and establish senatorial and representative
35 districts. The General Assembly shall complete the

1 apportionment prior to September 1 of the year so required.
2 If the apportionment fails to become law prior to September 15
3 of such year, the Supreme Court shall cause the State to be
4 apportioned into senatorial and representative districts to
5 comply with the requirements of the Constitution prior to
6 December 31 of such year. The reapportioning authority shall,
7 where necessary in establishing senatorial and representative
8 districts, shorten the term of any Senator or Representative
9 prior to completion of the term. Any Senator or
10 Representative whose term is so terminated shall not be
11 compensated for the uncompleted part of the term.

12 Sec. 2. REFERRAL AND PUBLICATION. The foregoing proposed
13 amendment to the Constitution of the State of Iowa is referred
14 to the General Assembly to be chosen at the next general
15 election for members of the General Assembly and the Secretary
16 of State is directed to cause it to be published for three
17 consecutive months previous to the date of that election as
18 provided by law.

19 EXPLANATION

20 This joint resolution proposes an amendment to the
21 Constitution of the State of Iowa to change the term of office
22 for members of the Iowa house of representatives from two
23 years to four years. The amendment also provides that each
24 senatorial district shall be made up of two house of
25 representatives districts and the election for the two house
26 districts shall not be held in the same year as the election
27 for the senate district unless redistricting shortens the
28 terms of some members of certain senate or house districts.

29 The resolution, if adopted, would be referred to the next
30 general assembly for adoption a second time before being
31 submitted to the electorate for ratification.
