2. Projects may expend funds for housing services including minor renovation, expansion and repair of housing, security deposits, planning of housing, technical assistance in applying for housing, improving the coordination of housing services, the costs associated with matching eligible homeless individuals with appropriate housing, and one-time rental payments to prevent eviction.

Sec. 14. CHILD CARE AND DEVELOPMENT APPROPRIATION. There is appropriated from the fund created by section 8.41 to the department of human services for the federal fiscal year beginning October 1, 2005, and ending September 30, 2006, the following amount:

..... \$ 40,846,720

Funds appropriated in this section are the funds anticipated to be received from the federal government under 42 U.S.C., chapter 105, subchapter II-B, which provides for the child care and development block grant. The department shall expend the funds appropriated in this section as provided in the federal law making the funds available and in conformance with chapter 17A.

If the amount of the child care and development block grant to be received exceeds the amount appropriated in this section and the excess amount is sufficient to fund both the purposes identified by the department for the excess amount and the purpose described in this sentence, notwithstanding any contrary provision enacted by the Eighty-first General Assembly, 2005 Session, the department shall, to the extent sufficient funds are available, set child care provider reimbursement rates based on the most recently completed rate reimbursement survey. Moneys appropriated in this section that remain unencumbered or unobligated at the close of the fiscal year shall revert to be available for appropriation for purposes of the child care and development block grant in the succeeding fiscal year.

Sec. 15. PROCEDURE FOR REDUCED FEDERAL FUNDS.

1. If the funds received from the federal government for the block grants specified in this Act are less than the amounts appropriated, the funds actually received shall be prorated by the governor for the various programs, other than for the services to victims of sex offenses and for rape prevention education under section 4, subsection 2, of this Act, for which each block grant is available according to the percentages that each program is to receive as specified in this Act. However, if the governor determines that the funds allocated by the percentages will not be sufficient to effect the purposes of a particular program, or if the appropriation is not allocated by percentage, the governor may allocate the funds in a manner which will effect to the greatest extent possible the purposes of the various programs for which the block grants are available.

2. Before the governor implements the actions provided for in subsection 1, the following procedures shall be taken:

- a. The chairpersons and ranking members of the senate and house standing committees on appropriations, the appropriate chairpersons and ranking members of subcommittees of those committees, and the director of the legislative services agency shall be notified of the proposed action.

b. The notice shall include the proposed allocations, and information on the reasons why particular percentages or amounts of funds are allocated to the individual programs, the departments and programs affected, and other information deemed useful. Chairpersons and ranking members notified shall be allowed at least two weeks to review and comment on the proposed action before the action is taken.

Sec. 16. PROCEDURE FOR INCREASED FEDERAL FUNDS.

1. If funds received from the federal government in the form of block grants exceed the amounts appropriated in sections 1, 2, 3, 4, 7, 9, and 11 of this Act, the excess shall be prorated to the appropriate programs according to the percentages specified in those sections, except additional funds shall not be prorated for administrative expenses.

2. If actual funds received from the federal government from block grants exceed the amount appropriated in section 10 of this Act for the low-income home energy assistance program, not more than 15 percent of the excess may be allocated to the low-income residential weatherization program and not more than 5 percent of the excess may be used for administrative costs.

3. If funds received from the federal government from community services block grants exceed the amount appropriated in section 8 of this Act, 100 percent of the excess is allocated to the community services block grant program.
