SF 2241

1 Section 1. Section 139A.8, subsection 2, paragraph b, Code
2 2005, is amended to read as follows:

3 b. Evidence of adequate immunization against haemophilus
4 influenza B and invasive pneumococcal disease shall be
5 required prior to enrollment in any licensed child care
6 center.

7 EXPLANATION

8 This bill requires an invasive pneumococcal disease
9 immunization for children enrolled in a licensed child care
10 center. The bill includes the requirement in Code section
11 139A.8, relating to immunization requirements for children
12 administered by the Iowa department of public health.
13 Existing exemption provisions relating to health risk and
14 religious belief remain applicable to the new requirement.
