

SENATE RESOLUTION NO. 118

BY BOETTGER

1 A Resolution requesting that the legislative council
2 conduct a study of the feasibility of implementing
3 cooperative public and private development projects
4 around public and private lakes in the state.

5 WHEREAS, increased economic development,
6 recreational opportunities, and quality of life are
7 important goals to be achieved in the state; and

8 WHEREAS, public and private lakes in the state have
9 the capacity to serve as economic engines in the areas
10 where they are located; NOW THEREFORE,

11 BE IT RESOLVED BY THE SENATE, That the legislative
12 council is requested to commission a study and report
13 by an independent entity regarding the feasibility of
14 implementing public and private development projects
15 around public and private lakes in the state; and

16 BE IT FURTHER RESOLVED, That the independent entity
17 commissioned to conduct the study and report be
18 directed to seek input from interested individuals,
19 organizations, and public agencies; and

20 BE IT FURTHER RESOLVED, That the legislative
21 council shall submit a final report with
22 recommendations, which may include proposed
23 legislation, to the general assembly on or before
24 December 15, 2006.
