4 property, consisting of goods, wares, or merchandise,  
5 sold at retail in the state to consumers or users  
6 except as otherwise provided in this subchapter.

7 a. For the purposes of this subchapter, sales of

10 (1) Sales of engraving, photography, retouching,  
11 printing, and binding services.

12 (2) Sales of vulcanizing, recapping, and  
13 retreading services.

14 (3) Sales of prepaid telephone calling cards and  
15 prepaid authorization numbers.

16 (4) Sales of optional service or warranty  
17 contracts, except residential service contracts  
18 regulated under chapter 523C, which provide for the  
19 furnishing of labor and materials and require the  
20 furnishing of any taxable service enumerated under  
21 this section. The sales price is subject to tax even  
22 if some of the services furnished are not enumerated  
23 under this section. Additional sales, services, or  
24 use taxes shall not be levied on services, parts, or  
25 labor provided under optional service or warranty  
26 contracts which are subject to tax under this  
27 subsection.

29 computer software maintenance or support service  
30 contract and there is no separately stated fee for the  
31 taxable personal property or for the nontaxable  
32 service, the tax imposed by this subsection shall be

15 in the reporting period when the materials, supplies,  
16 and equipment are withdrawn from inventory for  
17 construction purposes or when sold at retail. The tax

28 property and subject to the tax imposed under this  
29 subsection and the use tax.

31 property by the manufacturer thereof, as building  
32 materials, supplies, or equipment, in the performance  
33 of construction contracts in Iowa, shall, for the  
34 purpose of this subchapter, be construed as a sale at  
35 retail of tangible personal property by the  
36 manufacturer who shall be deemed to be the consumer of  
37 such tangible personal property. The tax shall be  
38 computed upon the cost to the manufacturer of the

50 goods, wares, or merchandise becomes an integral part

Page 81

1 of the project under contract and at the completion of  
2 the project becomes public property or is devoted to  
3 educational uses.

4 a. Such contractor shall state under oath, on  
5 forms provided by the department, the amount of such  
6 sales of goods, wares, or merchandise, or services  
7 furnished and used in the performance of such  
8 contract, and upon which sales or use tax has been  
9 paid, and shall file such forms with the governmental  
10 unit, private nonprofit educational institution, or  
11 nonprofit private museum which has made any written  
12 contract for performance by the contractor. The forms  
13 shall be filed by the contractor with the governmental  
14 unit, educational institution, or nonprofit private  
15 museum before final settlement is made.

16 b. Such governmental unit, educational  
17 institution, or nonprofit private museum shall, not  
18 more than one year after the final settlement has been  
19 made, make application to the department for any  
20 refund of the amount of the sales or use tax which  
21 shall have been paid upon any goods, wares, or  
22 merchandise, or services furnished, the application to  
23 be made in the manner and upon forms to be provided by  
24 the department, and the department shall forthwith  
25 audit the claim and, if approved, issue a warrant to  
26 the governmental unit, educational institution, or  
27 nonprofit private museum in the amount of the sales or  
28 use tax which has been paid to the state of Iowa under  
29 the contract.

30 Refunds authorized under this subsection shall  
31 accrue interest at the rate in effect under section  
32 421.7 from the first day of the second calendar month  
33 following the date the refund claim is received by the  
34 department.

35 c. Any contractor who willfully makes a false  
36 report of tax paid under the provisions of this  
37 subsection is guilty of a simple misdemeanor and in  
38 addition shall be liable for the payment of the tax  
39 and any applicable penalty and interest.

40 2. The refund of sales and use tax paid on  
41 transportation construction projects let by the state  
42 department of transportation is subject to the special  
43 provisions of this subsection.

44 a. A contractor awarded a contract for a  
45 transportation construction project is considered the  
46 consumer of all building materials, building supplies,  
47 and equipment and shall pay sales tax to the supplier  
48 or remit consumer use tax directly to the department.

49 b. The contractor is not required to file  
50 information with the state department of

Page 82

1 transportation stating the amount of goods, wares, or  
2 merchandise, or services rendered, furnished, or  
3 performed and used in the performance of the contract  
4 or the amount of sales or use tax paid.

5 c. The state department of transportation shall  
6 file a refund claim based on a formula that considers  
7 the following:

8 (1) The quantity of material to complete the  
9 contract, and quantities of items of work.

10 (2) The estimated cost of these materials included  
11 in the items of work, and the state sales or use tax  
12 to be paid on the tax rate in effect in section 423.2.  
13 The quantity of materials shall be determined after  
14 each letting based on the contract quantities of all  
15 items of work let to contract. The quantity of  
16 individual component materials required for each item  
17 shall be determined and maintained in a database. The  
18 total quantities of materials shall be determined by  
19 multiplying the quantities of component materials for  
20 each contract item of work by the total quantities of  
21 each contract item for each letting. Where variances  
22 exist in the cost of materials, the lowest cost shall  
23 be used as the base cost.

24 d. Only the state sales or use tax is refundable.  
25 Local option taxes paid by the contractor are not  
26 refundable.

27 3. A relief agency may apply to the director for  
28 refund of the amount of sales or use tax imposed and  
29 paid upon sales to it of any goods, wares,  
30 merchandise, or services furnished, used for free  
31 distribution to the poor and needy.

32 a. The refunds may be obtained only in the  
33 following amounts and manner and only under the  
34 following conditions:

36 filed within the time as the director shall provide by  
37 rule, the relief agency shall report to the department  
38 the total amount or amounts, valued in money, expended  
39 directly or indirectly for goods, wares, merchandise,  
40 or services furnished, used for free distribution to  
41 the poor and needy.

42 (2) On these forms the relief agency shall  
43 separately list the persons making the sales to it or  
44 to its order, together with the dates of the sales,  
45 and the total amount so expended by the relief agency.

46 (3) The relief agency must prove to the  
47 satisfaction of the director that the person making  
48 the sales has included the amount thereof in the  
49 computation of the sales price of such person and that  
50 such person has paid the tax levied by this subchapter

1 or subchapter III, based upon such computation of the  
2 sales price.

3 b. If satisfied that the foregoing conditions and  
4 requirements have been complied with, the director  
5 shall refund the amount claimed by the relief agency.

6 SUBCHAPTER III

18 tangible personal property: optional service or  
19 warranty contracts, except residential service  
20 contracts regulated under chapter 523C, vulcanizing,  
21 recapping, or retreading services, engraving,

36 tax imposed by this section. Services purchased from  
37 the same source or sources shall be subject to the  
38 service tax imposed by this subchapter and apply to  
39 the user of the services.

47 department of transportation, a retailer, or the  
48 department. This tax is imposed on every person using  
49 the services or the product of the services in this  
50 state until the user has paid the tax either to an

Page 84

1 Iowa use tax permit holder or to the department.  
2 7. For the purpose of the proper administration of  
3 the use tax and to prevent its evasion, evidence that  
4 tangible personal property was sold by any person for  
5 delivery in this state shall be prima facie evidence  
6 that such tangible personal property was sold for use  
7 in this state.

8 Sec. 108. NEW SECTION. 423.6 EXEMPTIONS.

9 The use in this state of the following tangible

42 the finished product.

2 of section 423.3.

3 6. Tangible personal property or services the  
4 sales price of which is exempt from the sales tax  
5 under section 423.3, except subsections 39 and 73, as  
6 it relates to the sale, but not the lease or rental,

8 the issuance of a certificate of title and as it  
9 relates to aircraft subject to registration under  
10 section 328.20.

11 7. Advertisement and promotional material and  
12 matter, seed catalogs, envelopes for same, and other  
13 similar material temporarily stored in this state  
14 which are acquired outside of Iowa and which,  
15 subsequent to being brought into this state, are sent  
16 outside of Iowa, either singly or physically attached  
17 to other tangible personal property sent outside of  
18 Iowa.

19 8. Vehicles, as defined in section 321.1,  
20 subsections 41, 64A, 71, 85, and 88, except such  
21 vehicles subject to registration which are designed  
22 primarily for carrying persons, when purchased for  
23 lease and actually leased to a lessee for use outside  
24 the state of Iowa and the subsequent sole use in Iowa  
25 is in interstate commerce or interstate  
26 transportation.

27 9. Tangible personal property which, by means of  
28 fabrication, compounding, or manufacturing, becomes an  
29 integral part of vehicles, as defined in section  
30 321.1, subsections 41, 64A, 71, 85, and 88,  
31 manufactured for lease and actually leased to a lessee  
32 for use outside the state of Iowa and the subsequent  
33 sole use in Iowa is in interstate commerce or  
34 interstate transportation. Vehicles subject to  
35 registration which are designed primarily for carrying  
36 persons are excluded from this subsection.

37 10. Vehicles subject to registration which are  
38 transferred from a business or individual conducting a  
39 business within this state as a sole proprietorship,  
40 partnership, or limited liability company to a  
41 corporation formed by the sole proprietorship,  
42 partnership, or limited liability company for the  
43 purpose of continuing the business when all of the  
44 stock of the corporation so formed is owned by the  
45 sole proprietor and the sole proprietor's spouse, by  
46 all the partners in the case of a partnership, or by

49 the vehicles subject to registration are transferred  
50 from a corporation to a sole proprietorship,

Page 86

1 partnership, or limited liability company formed by  
2 that corporation for the purpose of continuing the  
3 business when all of the incidents of ownership are  
4 owned by the same person or persons who were  
5 stockholders of the corporation.

6 This exemption also applies where the vehicles  
7 subject to registration are transferred from a  
8 corporation as part of the liquidation of the  
9 corporation to its stockholders if within three months  
10 of such transfer the stockholders retransfer those  
11 vehicles subject to registration to a sole  
12 proprietorship, partnership, or limited liability  
13 company for the purpose of continuing the business of  
14 the corporation when all of the incidents of ownership  
15 are owned by the same person or persons who were  
16 stockholders of the corporation.

17 10A. Vehicles subject to registration which are  
18 transferred from a corporation that is primarily  
19 engaged in the business of leasing vehicles subject to  
20 registration to a corporation that is primarily  
21 engaged in the business of leasing vehicles subject to  
22 registration when the transferor and transferee  
23 corporations are part of the same controlled group for  
24 federal income tax purposes.

25 11. Vehicles registered or operated under chapter  
26 326 and used substantially in interstate commerce, for  
27 section 423.5, subsection 7, notwithstanding. For  
28 purposes of this subsection, “substantially in  
29 interstate commerce” means that a minimum of twenty-  
30 five percent of the miles operated by the vehicle  
31 accrues in states other than Iowa. This subsection  
32 applies only to vehicles which are registered for a  
33 gross weight of thirteen tons or more.

34 For purposes of this subsection, trailers and  
35 semitrailers registered or operated under chapter 326  
36 are deemed to be used substantially in interstate  
37 commerce and to be registered for a gross weight of

41 miles operated accrues in states other than Iowa in  
42 each year of the first four-year period of operation,  
43 the exemption from use tax shall continue until the  
44 vehicle is sold or transferred. If the vehicle is  
45 found to have not met the exemption requirements or  
46 the exemption was revoked, the value of the vehicle  
47 upon which the use tax shall be imposed is the book or  
48 market value, whichever is less, at the time the  
49 exemption requirements were not met or the exemption  
50 was revoked.

Page 87

3 imposed under this subchapter and for which that tax  
4 has been paid.

6 the purchase price of the mobile home which is not  
7 attributable to the cost of the tangible personal  
8 property used in the processing of the mobile home,  
9 and manufactured housing to the extent of the purchase  
10 price or the installed purchase price of the  
11 manufactured housing which is not attributable to the  
12 cost of the tangible personal property used in the  
13 processing of the manufactured housing. For purposes  
14 of this exemption, the portion of the purchase price  
15 which is not attributable to the cost of the tangible  
16 personal property used in the processing of the mobile  
17 home is forty percent and the portion of the purchase  
18 price or installed purchase price which is not  
19 attributable to the cost of the tangible personal  
20 property used in the processing of the manufactured  
21 housing is forty percent.

22 14. Tangible personal property used or to be used  
23 as a ship, barge, or waterborne vessel which is used  
24 or to be used primarily in or for the transportation  
25 of property or cargo for hire on the rivers bordering  
26 the state or as materials or parts of such ship,  
27 barge, or waterborne vessel.

28 15. Vehicles subject to registration in any state  
29 when purchased for rental or registered and titled by  
30 a motor vehicle dealer licensed pursuant to chapter  
31 322 for rental use, and held for rental for a period  
32 of one hundred twenty days or more and actually rented  
33 for periods of sixty days or less by a person  
34 regularly engaged in the business of renting vehicles  
35 including, but not limited to, motor vehicle dealers  
36 licensed pursuant to chapter 322 who rent automobiles  
37 to users, if the rental of the vehicles is subject to  
38 taxation under chapter 423C.

39 16. Motor vehicles subject to registration which  
40 were registered and titled between July 1, 1982, and  
41 July 1, 1992, to a motor vehicle dealer licensed under

43 in section 423C.2 if the following occurred:

44 a. The dealer kept the vehicle on the inventory of  
45 vehicles for sale at all times.

46 b. The vehicle was to be immediately taken from  
47 the user of the vehicle when a buyer was found.

48 c. The user was aware of this situation.

49 17. Vehicles subject to registration under chapter  
50 321, with a gross vehicle weight rating of less than

4 and actually leased for a period of twelve months or  
5 more if the lease of the vehicle is subject to  
6 taxation under section 423.27.

7 A lessor may maintain the exemption from use tax  
8 under this subsection for a qualifying lease that  
9 terminates at the conclusion or prior to the  
10 contracted expiration date, if the lessor does not use  
11 the vehicle for any purpose other than for lease.  
12 Once the vehicle is used by the lessor for a purpose  
13 other than for lease, the exemption from use tax under  
14 this subsection no longer applies and, unless there is  
15 an exemption from the use tax, use tax is due on the  
16 fair market value of the vehicle determined at the  
17 time the lessor uses the vehicle for a purpose other  
18 than for lease, payable to the department. If the  
19 lessor holds the vehicle exclusively for sale, use tax  
20 is due and payable on the purchase price of the  
21 vehicle at the time of purchase pursuant to this  
22 subchapter.

23 18. Aircraft for use in a scheduled interstate  
24 federal aviation administration certificated air  
25 carrier operation.

30 for aircraft repair, remodeling, and maintenance  
31 services when such services are performed on aircraft,

40 materials or parts; and all services used for aircraft

42 services are performed on aircraft, aircraft engines,  
43 or aircraft component materials or parts. For the  
44 purposes of this exemption, "aircraft" means aircraft  
45 used in a nonscheduled interstate federal aviation  
46 administration certificated air carrier operation  
47 operating under 14 C.F.R., ch. 1, pt. 135.

48 21. Aircraft sold to an aircraft dealer who in  
49 turn rents or leases the aircraft if all of the  
50 following apply:

Page 89

1 a. The aircraft is kept in the inventory of the

4 take the aircraft from the renter or lessee when a  
5 buyer is found.

15 shall be computed upon the original purchase price.

16 22. The use in this state of building materials,

26 vehicle.

27 b. That in transactions, except those subject to  
28 paragraph “c”, in which tangible personal property is  
29 traded toward the purchase price of other tangible  
30 personal property the purchase price is only that

32 money to the retailer if the following conditions are  
33 met:

1 Sec. 109. NEW SECTION. 423.7 TITLE.

2 This subchapter shall be known and may be cited as  
3 the “Uniform Sales and Use Tax Administration Act”.

4 Sec. 110. NEW SECTION. 423.8 LEGISLATIVE FINDING  
5 AND INTENT.

6 The general assembly finds that Iowa should enter  
7 into an agreement with one or more states to simplify  
8 and modernize sales and use tax administration in  
9 order to substantially reduce the burden of tax  
10 compliance for all sellers and for all types of  
11 commerce. It is the intent of the general assembly  
12 that entering into this agreement will lead to  
13 simplification and modernization of the sales and use  
14 tax law and not to the imposition of new taxes or an  
15 increase or decrease in the existing number of  
16 exemptions, unless such a result is unavoidable under  
17 the terms of the agreement.

18 Sec. 111. NEW SECTION. 423.9 AUTHORITY TO ENTER  
19 AGREEMENT AND TO REPRESENT THE STATE.

20 The director is authorized and directed to enter  
21 into the streamlined sales and use tax agreement with  
22 one or more states to simplify and modernize sales and  
23 use tax administration in order to substantially  
24 reduce the burden of tax compliance for all sellers  
25 and for all types of commerce.

26 The director is further authorized to take other  
27 actions reasonably required to implement the  
28 provisions set forth in this chapter. Other actions  
29 authorized by this section include, but are not  
30 limited to, the adoption of rules and the joint  
31 procurement, with other member states, of goods and  
32 services in furtherance of the cooperative agreement.

33 The director or the director’s designee is  
34 authorized to be a member of the governing board  
35 established pursuant to the agreement and to represent  
36 Iowa before that body.

37 Sec. 112. NEW SECTION. 423.10 RELATIONSHIP TO  
38 STATE LAW.

39 Entry into the agreement by the director does not  
40 amend or modify any law of this state. Implementation  
41 of any condition of the agreement in this state,  
42 whether adopted before, at, or after membership of  
43 this state in the agreement, shall be by action of the  
44 general assembly.

45 Sec. 113. NEW SECTION. 423.11 AGREEMENT  
46 REQUIREMENTS.

47 The director shall not enter into the agreement  
48 unless the agreement requires each state to abide by  
49 the following requirements:

50 1. UNIFORM STATE RATE. The agreement must set

- 1 restrictions to achieve more uniform state rates
- 2 through the following:
  - 3 a. Limiting the number of state rates.
  - 4 b. Limiting the application of maximums on the
  - 5 amount of state tax that is due on a transaction.
  - 6 c. Limiting the application of thresholds on the
  - 7 application of state tax.
- 8 2. UNIFORM STANDARDS. The agreement must
- 9 establish uniform standards for the following:
  - 10 a. The sourcing of transactions to taxing
  - 11 jurisdictions.
  - 12 b. The administration of exempt sales.
  - 13 c. The allowances a seller can take for bad debts.
  - 14 d. Sales and use tax returns and remittances.
- 15 3. UNIFORM DEFINITIONS. The agreement must
- 16 require states to develop and adopt uniform
- 17 definitions of sales and use tax terms. The
- 18 definitions must enable a state to preserve its
- 19 ability to make policy choices not inconsistent with
- 20 the uniform definitions.
- 21 4. CENTRAL REGISTRATION. The agreement must
- 22 provide a central, electronic registration system that
- 23 allows a seller to register to collect and remit sales
- 24 and use taxes for all member states.
- 25 5. NO NEXUS ATTRIBUTION. The agreement must
- 26 provide that registration with the central
- 27 registration system and the collection of sales and
- 28 use taxes in the member states must not be used as a
- 29 factor in determining whether the seller has nexus
- 30 with a state for any tax.
- 31 6. LOCAL SALES AND USE TAXES. The agreement must
- 32 provide for reduction of the burdens of complying with
- 33 local sales and use taxes through the following:
  - 34 a. Restricting variances between the state and
  - 35 local tax bases.
  - 36 b. Requiring states to administer any sales and
  - 37 use taxes levied by local jurisdictions within the
  - 38 state so that sellers collecting and remitting these
  - 39 taxes must not have to register or file returns with,
  - 40 remit funds to, or be subject to independent audits
  - 41 from local taxing jurisdictions.
  - 42 c. Restricting the frequency of changes in the
  - 43 local sales and use tax rates and setting effective
  - 44 dates for the application of local jurisdictional
  - 45 boundary changes to local sales and use taxes.
  - 46 d. Providing notice of changes in local sales and
  - 47 use tax rates and of changes in the boundaries of
  - 48 local taxing jurisdictions.
- 49 7. MONETARY ALLOWANCES. The agreement must
- 50 outline any monetary allowances that are to be

Page 92

1 provided by the states to sellers or certified service  
2 providers.

3 8. STATE COMPLIANCE. The agreement must require  
4 each state to certify compliance with the terms of the  
5 agreement prior to joining and to maintain compliance,  
6 under the laws of the member state, with all  
7 provisions of the agreement while a member.

8 9. CONSUMER PRIVACY. The agreement must require  
9 each state to adopt a uniform policy for certified  
10 service providers that protects the privacy of  
11 consumers and maintains the confidentiality of tax  
12 information.

13 10. ADVISORY COUNCILS. The agreement must provide  
14 for the appointment of an advisory council of private  
15 sector representatives and an advisory council of  
16 nonmember state representatives to consult with in the  
17 administration of the agreement.

18 Sec. 114. NEW SECTION. 423.12 LIMITED BINDING  
19 AND BENEFICIAL EFFECT.

20 1. The agreement binds and inures only to the  
21 benefit of Iowa and the other member states. A  
22 person, other than a member state, is not an intended  
23 beneficiary of the agreement. Any benefit to a person  
24 other than a member state is established by the law of  
25 Iowa and not by the terms of the agreement.

26 2. A person shall not have any cause of action or  
27 defense under the agreement or by virtue of this  
28 state's entry into the agreement. A person may not  
29 challenge, in any action brought under any provision  
30 of law, any action or inaction by any department,  
31 agency, or other instrumentality of this state, or any  
32 political subdivision of this state on the ground that  
33 the action or inaction is inconsistent with the  
34 agreement.

35 3. A law of this state, or the application of it,  
36 shall not be declared invalid as to any such person or  
37 circumstance on the ground that the provision or  
38 application is inconsistent with the agreement.

#### 39 SUBCHAPTER V

40 SALES AND USE TAX ACT -- ADMINISTRATION OF  
41 RETAILERS NOT REGISTERED UNDER THE AGREEMENT AND OF  
42 CONSUMERS OBLIGATED TO PAY USE TAX DIRECTLY

43 Sec. 115. NEW SECTION. 423.13 PURPOSE OF THIS  
44 SUBCHAPTER.

45 The purpose of this subchapter is to provide for  
46 the administration and collection of sales or use tax  
47 on the part of retailers who are not registered under  
48 the agreement and for the collection of use tax on the  
49 part of consumers who are obligated to pay that tax  
50 directly. Any application of the sections of this

Page 93

1 subchapter to retailers registered under the agreement  
2 is only by way of incorporation by reference into  
3 subchapter VI of this chapter.  
4 Sec. 116. NEW SECTION. 423.14 SALES AND USE TAX  
5 COLLECTION.  
6 1. a. Sales tax, other than that described in  
7 paragraph “c”, shall be collected by sellers who are  
8 retailers or by their agents. Sellers or their agents  
9 shall, as far as practicable, add the sales tax, or  
10 the average equivalent thereof, to the sales price or  
11 charge, less trade-ins allowed and taken and when  
12 added such tax shall constitute a part of the sales  
13 price or charge, shall be a debt from consumer or user  
14 to seller or agent until paid, and shall be  
15 recoverable at law in the same manner as other debts.  
16 b. In computing the tax to be collected as the  
17 result of any transaction, the tax computation must be  
18 carried to the third decimal place. Whenever the  
19 third decimal place is greater than four, the tax must  
20 be rounded up to the next whole cent; whenever the  
21 third decimal place is four or less, the tax must be  
22 rounded downward to a whole cent. Sellers may elect  
23 to compute the tax due on transactions on an item or  
24 invoice basis. Sellers are not required to use a  
25 bracket system.  
26 c. The tax imposed upon those sales of motor  
27 vehicle fuel which are subject to tax and refund under  
28 chapter 452A shall be collected by the state treasurer  
29 by way of deduction from refunds otherwise allowable  
30 under that chapter. The treasurer shall transfer the  
31 amount of such deductions from the motor vehicle fuel  
32 tax fund to the special tax fund.  
33 2. Use tax shall be collected in the following  
34 manner:  
35 a. The tax upon the use of all vehicles subject to  
36 registration or subject only to the issuance of a  
37 certificate of title or the tax upon the use of  
38 manufactured housing shall be collected by the county  
39 treasurer or the state department of transportation  
40 pursuant to sections 423.26 and 423.27. The county  
41 treasurer shall retain one dollar from each tax  
42 payment collected, to be credited to the county  
43 general fund.  
44 b. The tax upon the use of all tangible personal  
45 property other than that enumerated in paragraph “a”,  
46 which is sold by a seller who is a retailer  
47 maintaining a place of business in this state, or by  
48 such other retailer or agent as the director shall  
49 authorize pursuant to section 423.30, shall be  
50 collected by the retailer or agent and remitted to the

Page 94

1 department, pursuant to the provisions of paragraph  
2 “e”, and sections 423.24, 423.29, 423.30, 423.32, and  
3 423.33.

4 c. The tax upon the use of all tangible personal  
5 property not paid pursuant to paragraphs “a” and “b”  
6 shall be paid to the department directly by any person  
7 using the property within this state, pursuant to the  
8 provisions of section 423.34.

9 d. The tax imposed on the use of services  
10 enumerated in section 423.5 shall be collected,  
11 remitted, and paid to the department of revenue and  
12 finance in the same manner as use tax on tangible  
13 personal property is collected, remitted, and paid  
14 under this subchapter.

15 e. All persons obligated by paragraph “a”, “b”, or  
16 “d”, to collect use tax shall, as far as practicable,  
17 add that tax, or the average equivalent thereof, to  
18 the purchase price, less trade-ins allowed and taken,  
19 and when added the tax shall constitute a part of the  
20 purchase price. Use tax which this section requires  
21 to be collected by a retailer and any tax collected  
22 pursuant to this section by a retailer shall  
23 constitute a debt owed by the retailer to this state.  
24 Tax which must be paid directly to the department,  
25 pursuant to paragraph “c” or “d”, is to be computed  
26 and added by the consumer or user to the purchase  
27 price in the same manner as this paragraph requires a  
28 seller to compute and add the tax. The tax shall be a  
29 debt from the consumer or user to the department until  
30 paid, and shall be recoverable at law in the same  
31 manner as other debts.

32 Sec. 117. NEW SECTION. 423.15 GENERAL SOURCING  
33 RULES.

34 All sellers obligated to collect Iowa sales or use  
35 tax shall use the standards set out in this section to  
36 determine where sales of products occur, excluding  
37 sales enumerated in section 423.16. These provisions  
38 apply regardless of the characterization of a product  
39 as tangible personal property, a digital good, or a  
40 service, excluding telecommunications services. This  
41 section only applies to determine a seller’s  
42 obligation to pay or collect and remit a sales or use  
43 tax with respect to the seller’s sale of a product.  
44 This section does not affect the obligation of a  
45 purchaser or lessee to remit tax on the use of the  
46 product to the taxing jurisdictions in which the use  
47 occurs. A seller’s obligation to collect Iowa sales  
48 tax or Iowa use tax only occurs if the sale is sourced  
49 to this state. The application of whether Iowa sales  
50 tax applies to sales sourced to Iowa depends upon

1 where the sale is consummated by delivery.

2 1. Sales, excluding leases or rentals other than  
3 leases or rentals set out in subsection 2, of products  
4 shall be sourced as follows.

5 a. When the product is received by the purchaser  
6 at a business location of the seller, the sale is  
7 sourced to that business location.

8 b. When the product is not received by the  
9 purchaser at a business location of the seller, the  
10 sale is sourced to the location where receipt by the  
11 purchaser or the purchaser’s donee, designated as such  
12 by the purchaser, occurs, including the location  
13 indicated by instructions for delivery to the  
14 purchaser or donee, known to the seller.

15 c. When paragraphs “a” and “b” do not apply, the  
16 sale is sourced to the location indicated by an  
17 address for the purchaser that is available from the  
18 business records of the seller that are maintained in  
19 the ordinary course of the seller’s business when use  
20 of this address does not constitute bad faith.

21 d. When paragraphs “a”, “b”, and “c” do not apply,  
22 the sale is sourced to the location indicated by an  
23 address for the purchaser obtained during the  
24 consummation of the sale, including the address of a  
25 purchaser’s payment instrument, if no other address is  
26 available, when use of this address does not  
27 constitute bad faith.

28 e. When paragraphs “a”, “b”, “c”, and “d” do not  
29 apply, including the circumstance where the seller is  
30 without sufficient information to apply the previous  
31 rules, then the location will be determined by the  
32 address from which tangible personal property was  
33 shipped, from which the digital good or the computer  
34 software delivered electronically was first available  
35 for transmission by the seller, or from which the  
36 service was provided disregarding for these purposes  
37 any location that merely provided the digital transfer  
38 of the product sold.

39 2. The lease or rental of tangible personal  
40 property, other than property identified in subsection  
41 3 or section 423.16, shall be sourced as follows:

42 a. For a lease or rental that requires recurring  
43 periodic payments, the first periodic payment is  
44 sourced the same as a retail sale in accordance with  
45 the provisions of subsection 1. Periodic payments  
46 made subsequent to the first payment are sourced to  
47 the primary property location for each period covered  
48 by the payment. The primary property location shall  
49 be as indicated by an address for the property  
50 provided by the lessee that is available to the lessor

Page 96

1 from its records maintained in the ordinary course of  
2 business, when use of this address does not constitute  
3 bad faith. The property location shall not be altered  
4 by intermittent use at different locations, such as  
5 use of business property that accompanies employees on  
6 business trips and service calls.

7 b. For a lease or rental that does not require  
8 recurring periodic payments, the payment is sourced  
9 the same as a retail sale in accordance with the  
10 provisions of subsection 1.

11 c. This subsection does not affect the imposition  
12 or computation of sales or use tax on leases or  
13 rentals based on a lump sum or accelerated basis, or  
14 on the acquisition of property for lease.

15 3. The retail sale, including lease or rental, of  
16 transportation equipment shall be sourced the same as  
17 a retail sale in accordance with the provisions of  
18 subsection 1, notwithstanding the exclusion of lease  
19 or rental in that subsection. "Transportation  
20 equipment" means any of the following:

21 a. Locomotives or railcars that are utilized for  
22 the carriage of persons or property in interstate  
23 commerce.

24 b. Trucks and truck-tractors with a gross vehicle  
25 weight rating of ten thousand one pounds or greater,  
26 trailers, semitrailers, or passenger buses that meet  
27 both of the following requirements:

28 (1) Are registered through the international  
29 registration plan.

30 (2) Are operated under authority of a carrier  
31 authorized and certificated by the United States  
32 department of transportation or another federal  
33 authority to engage in the carriage of persons or  
34 property in interstate commerce.

35 c. Aircraft that are operated by air carriers  
36 authorized and certificated by the United States  
37 department of transportation or another federal or a  
38 foreign authority to engage in the carriage of persons  
39 or property in interstate or foreign commerce.

40 d. Containers designed for use on and component  
41 parts attached or secured on the items set forth in  
42 paragraphs "a" through "c".

43 Sec. 118. **NEW SECTION. 423.16 TRANSACTIONS TO**  
44 **WHICH THE GENERAL SOURCING RULES DO NOT APPLY.**

45 Section 423.15 does not apply to sales or use taxes  
46 levied on the following:

47 1. The retail sale or transfer of watercraft,  
48 modular homes, manufactured housing, or mobile homes,  
49 and the retail sale, excluding lease or rental, of  
50 motor vehicles, trailers, semitrailers, or aircraft

Page 97

1 that do not qualify as transportation equipment, as  
2 defined in section 423.15, subsection 3.

3 2. The lease or rental of motor vehicles,  
4 trailers, semitrailers, or aircraft that do not  
5 qualify as transportation equipment, as defined in  
6 section 423.15, subsection 3, which shall be sourced  
7 in accordance with section 423.17.

8 3. Transactions to which the multiple points use  
9 exemption is applicable, which shall be sourced in  
10 accordance with section 423.18.

11 4. Transactions to which direct mail sourcing is  
12 applicable, which shall be sourced in accordance with  
13 section 423.19.

14 5. Telecommunications services, as set out in  
15 section 423.20, which shall be sourced in accordance  
16 with section 423.20, subsection 2.

17 Sec. 119. NEW SECTION. 423.17 SOURCING RULES FOR  
18 VARIOUS TYPES OF LEASED OR RENTED EQUIPMENT WHICH IS  
19 NOT TRANSPORTATION EQUIPMENT.

20 The lease or rental of motor vehicles, trailers,  
21 semitrailers, or aircraft that do not qualify as  
22 transportation equipment, as defined in section  
23 423.15, subsection 3, shall be sourced as follows:

24 1. For a lease or rental that requires recurring  
25 periodic payments, each periodic payment is sourced to  
26 the primary property location. The primary property  
27 location shall be as indicated by an address for the  
28 property provided by the lessee that is available to  
29 the lessor from its records maintained in the ordinary  
30 course of business, when use of this address does not  
31 constitute bad faith. This location shall not be  
32 altered by intermittent use at different locations.

33 2. For a lease or rental that does not require  
34 recurring periodic payments, the payment is sourced  
35 the same as a retail sale in accordance with the  
36 provisions of section 423.15, subsection 1.

37 3. This section does not affect the imposition or  
38 computation of sales or use tax on leases or rentals  
39 based on a lump sum or accelerated basis, or on the  
40 acquisition of property for lease.

41 Sec. 120. NEW SECTION. 423.18 MULTIPLE POINTS OF  
42 USE EXEMPTION FORMS.

43 A business purchaser that is not a holder of a  
44 direct pay tax permit pursuant to section 423.36 that  
45 knows at the time of its purchase of a digital good,  
46 computer software delivered electronically, or a  
47 service that the digital good, computer software  
48 delivered electronically, or service will be  
49 concurrently available for use in more than one  
50 jurisdiction shall deliver to the seller in

Page 98

1 conjunction with its purchase a “multiple points of  
2 use” or “MPU” exemption form disclosing this fact.  
3 1. Upon receipt of the MPU exemption form, the  
4 seller is relieved of all obligation to collect, pay,  
5 or remit the applicable tax and the purchaser shall be  
6 obligated to collect, pay, or remit the applicable tax  
7 on a direct pay basis.

8 2. A purchaser delivering the MPU exemption form  
9 may use any reasonable, but consistent and uniform,  
10 method of apportionment that is supported by the  
11 purchaser’s business records as they exist at the time  
12 of the consummation of the sale.

13 3. The MPU exemption form will remain in effect  
14 for all future sales by the seller to the purchaser  
15 except as to the subsequent sale’s specific  
16 apportionment that is governed by the principle of  
17 subsection 2 and the facts existing at the time of the  
18 sale until it is revoked in writing.

19 4. A holder of a direct pay tax permit under  
20 section 423.36 shall not be required to deliver an MPU  
21 exemption form to the seller. A direct pay tax permit  
22 holder shall follow the provisions of subsection 2 in  
23 apportioning the tax due on a digital good, computer  
24 software delivered electronically, or service that  
25 will be concurrently available for use in more than  
26 one jurisdiction.

27 Sec. 121. **NEW SECTION. 423.19 DIRECT MAIL**  
28 **SOURCING.**

29 1. Notwithstanding section 423.15, a purchaser of  
30 direct mail that is not a holder of a direct pay tax  
31 permit pursuant to section 423.36 shall provide to the  
32 seller in conjunction with the purchase either a  
33 direct mail form or information to show the  
34 jurisdictions to which the direct mail is delivered to  
35 recipients.

36 a. Upon receipt of the direct mail form, the  
37 seller is relieved of all obligations to collect, pay,  
38 or remit the applicable tax and the purchaser is  
39 obligated to pay or remit the applicable tax on a  
40 direct pay basis. A direct mail form shall remain in  
41 effect for all future sales of direct mail by the  
42 seller to the purchaser until it is revoked in  
43 writing.

44 b. Upon receipt of information from the purchaser  
45 showing the jurisdictions to which the direct mail is  
46 delivered to recipients, the seller shall collect the  
47 tax according to the delivery information provided by  
48 the purchaser. In the absence of bad faith, the  
49 seller is relieved of any further obligation to  
50 collect tax on any transaction where the seller has

Page 99

1 collected tax pursuant to the delivery information  
2 provided by the purchaser.  
3 2. If the purchaser of direct mail does not have a  
4 direct pay tax permit and does not provide the seller  
5 with either a direct mail form or delivery  
6 information, as required by subsection 1, the seller  
7 shall collect the tax according to section 423.15,  
8 subsection 1, paragraph “e”. Nothing in this  
9 subsection shall limit a purchaser’s obligation for  
10 sales or use tax to any state to which the direct mail  
11 is delivered.

12 3. If a purchaser of direct mail provides the  
13 seller with documentation of direct pay authority, the  
14 purchaser shall not be required to provide a direct  
15 mail form or delivery information to the seller.

36 telecommunications service, but this sentence only  
37 applies for the purpose of sourcing sales of the  
38 telecommunications service under this section.

39 “Customer” does not include a reseller of a

22 charge made to a telephone number which is not  
23 associated with the origination or termination of the  
24 telecommunications service. A “postpaid calling

- 50 (2) If the location in subparagraph (1) is not

Page 101

- 1 known, “service address” means the origination point  
2 of the signal of the telecommunications service first  
3 identified by either the seller’s telecommunications  
4 system or in information received by the seller from  
5 its service provider, where the system used to  
6 transport such signals is not that of the seller.
- 7 (3) If the locations in subparagraphs (1) and (2)  
8 are not known, the “service address” means the  
9 location of the customer’s place of primary use.
- 10 2. Sales of telecommunications services shall be  
11 sourced in the following manner:
- 12 a. Except for the defined telecommunications  
13 services in paragraph “c”, the sale of  
14 telecommunications services sold on a call-by-call  
15 basis shall be sourced to one of the following:
- 16 (1) Each level of taxing jurisdiction where the  
17 call originates and terminates in that jurisdiction.
- 18 (2) Each level of taxing jurisdiction where the  
19 call either originates or terminates and in which the  
20 service address is also located.
- 21 b. Except for the defined telecommunications  
22 services in paragraph “c”, a sale of  
23 telecommunications services sold on a basis other than  
24 a call-by-call basis is sourced to the customer’s  
25 place of primary use.
- 26 c. Sale of the following telecommunications  
27 services shall be sourced to each level of taxing  
28 jurisdiction as follows:
- 29 (1) A sale of mobile telecommunications services  
30 other than air-to-ground radiotelephone service or  
31 prepaid calling service is sourced to the customer’s  
32 place of primary use as required by the federal Mobile  
33 Telecommunications Sourcing Act.
- 34 (2) A sale of postpaid calling service is sourced  
35 to the origination point of the telecommunications  
36 signal as first identified by either of the following:
- 37 (a) The seller’s telecommunications system.
- 38 (b) Information received by the seller from its  
39 service provider, where the system used to transport  
40 such signals is not that of the seller.
- 41 (3) A sale of prepaid calling service is sourced  
42 in accordance with section 423.15. However, in the  
43 case of a sale of mobile telecommunications services  
44 that is a prepaid telecommunications service, the rule  
45 provided in section 423.15, subsection 1, paragraph  
46 “e”, shall include as an option the location  
47 associated with the mobile telephone number.
- 48 (4) A sale of a private telecommunications service  
49 is sourced as follows:
- 50 (a) Service for a separate charge related to a

Page 102

1 customer channel termination point is sourced to each  
2 level of jurisdiction in which such customer channel  
3 termination point is located.

4 (b) Service where all customer termination points  
5 are located entirely within one jurisdiction or level  
6 of jurisdiction is sourced in such jurisdiction in  
7 which the customer channel termination points are  
8 located.

9 (c) Service for segments of a channel between two  
10 customer channel termination points located in  
11 different jurisdictions and which segments of a  
12 channel are separately charged is sourced fifty  
13 percent in each level of jurisdiction in which the  
14 customer channel termination points are located.

15 (d) Service for segments of a channel located in  
16 more than one jurisdiction or levels of jurisdiction  
17 and which segments are not separately billed is  
18 sourced in each jurisdiction based on the percentage  
19 determined by dividing the number of customer channel  
20 termination points in such jurisdiction by the total  
21 number of customer channel termination points.

22 Sec. 123. NEW SECTION. 423.21 BAD DEBT  
23 DEDUCTIONS.

24 1. For the purposes of this section, “bad debt”  
25 means an amount properly calculated pursuant to  
26 section 166 of the Internal Revenue Code then adjusted  
27 to exclude financing charges or interest, sales or use  
28 taxes charged on the purchase price, uncollectible  
29 amounts on property that remain in the possession of  
30 the seller until the full purchase price is paid,  
31 expenses incurred in attempting to collect any debt,  
32 and repossessed property.

33 2. In computing the amount of tax due, a seller  
34 may deduct bad debts from the total amount upon which  
35 the tax is calculated for any return. Any deduction  
36 taken or refund paid which is attributed to bad debts  
37 shall not include interest.

38 3. A seller may deduct bad debts on the return for  
39 the period during which the bad debt is written off as  
40 uncollectible in the seller’s books and records and is  
41 eligible to be deducted for federal income tax  
42 purposes. For purposes of this subsection, a seller  
43 who is not required to file federal income tax returns  
44 may deduct a bad debt on a return filed for the period  
45 in which the bad debt is written off as uncollectible  
46 in the seller’s books and records and would be  
47 eligible for a bad debt deduction for federal income  
48 tax purposes if the seller were required to file a  
49 federal income tax return.

50 4. If a deduction is taken for a bad debt and the

Page 103

1 seller subsequently collects the debt in whole or in  
2 part, the tax on the amount so collected must be paid  
3 and reported on the return filed for the period in  
4 which the collection is made.

5 5. A seller may obtain a refund of tax on any  
6 amount of bad debt that exceeds the amount of taxable  
7 sales within the period allowed for refund claims by  
8 section 423.47. However, the period allowed for  
9 refund claims shall be measured from the due date of  
10 the return on which the bad debt could first be  
11 claimed.

12 6. For the purposes of computing a bad debt  
13 deduction or reporting a payment received on a  
14 previously claimed bad debt, any payments made on a  
15 debt or account shall be applied first to the price of  
16 the property or service and tax thereon,  
17 proportionally, and secondly to interest, service  
18 charges, and any other charges.

19 Sec. 124. NEW SECTION. 423.22 TAXATION IN  
20 ANOTHER STATE.

21 If any person who causes tangible personal property  
22 to be brought into this state or who uses in this  
23 state services enumerated in section 423.2 has already  
24 paid a tax in another state in respect to the sale or  
25 use of the property or the performance of the service,  
26 or an occupation tax in respect to the property or  
27 service, in an amount less than the tax imposed by  
28 subchapter II or III, the provisions of those  
29 subchapters shall apply, but at a rate measured by the  
30 difference only between the rate fixed by subchapter  
31 II or III and the rate by which the previous tax on  
32 the sale or use, or the occupation tax, was computed.  
33 If the tax imposed and paid in the other state is  
34 equal to or more than the tax imposed by those  
35 subchapters, then a tax is not due in this state on  
36 the personal property or service.

37 Sec. 125. NEW SECTION. 423.23 SELLERS'  
38 AGREEMENTS.

39 Agreements between competing sellers, or the  
40 adoption of appropriate rules and regulations by  
41 organizations or associations of sellers to provide  
42 uniform methods for adding sales or use tax or the  
43 average equivalent thereof, and which do not involve  
44 price-fixing agreements otherwise unlawful, are  
45 expressly authorized and shall be held not in  
46 violation of chapter 553 or other antitrust laws of  
47 this state. The director shall cooperate with  
48 sellers, organizations, or associations in formulating  
49 agreements and rules.

50 Sec. 126. NEW SECTION. 423.24 ABSORBING TAX

Page 104

1 PROHIBITED.

2 A seller shall not advertise or hold out or state  
3 to the public or to any purchaser, consumer, or user,  
4 directly or indirectly, that the taxes or any parts  
5 thereof imposed by subchapter II or III will be  
6 assumed or absorbed by the seller or the taxes will  
7 not be added to the sales price of the property sold,  
8 or if added that the taxes or any part thereof will be  
9 refunded. Any person violating any of the provisions  
10 of this section within this state is guilty of a  
11 simple misdemeanor.

12 Sec. 127. NEW SECTION. 423.25 DIRECTOR'S POWER  
13 TO ADOPT RULES.

14 The director shall have the power to adopt rules  
15 for adding the taxes imposed by subchapters II and  
16 III, or the average equivalents thereof, by providing  
17 different methods applying uniformly to retailers  
18 within the same general classification for the purpose  
19 of enabling the retailers to add and collect, as far  
20 as practicable, the amounts of those taxes.

21 Sec. 128. NEW SECTION. 423.26 VEHICLES SUBJECT  
22 TO REGISTRATION OR ONLY TO THE ISSUANCE OF TITLE --  
23 MANUFACTURED HOUSING.

24 The use tax imposed upon the use of vehicles  
25 subject to registration or subject only to the  
26 issuance of a certificate of title or imposed upon the  
27 use of manufactured housing shall be paid by the owner  
28 of the vehicle or of the manufactured housing to the  
29 county treasurer or the state department of  
30 transportation from whom the registration receipt or  
31 certificate of title is obtained. A registration  
32 receipt for a vehicle subject to registration or  
33 certificate of title shall not be issued until the tax  
34 has been paid. The county treasurer or the state  
35 department of transportation shall require every  
36 applicant for a registration receipt for a vehicle  
37 subject to registration or certificate of title to  
38 supply information as the county treasurer or the  
39 director deems necessary as to the time of purchase,  
40 the purchase price, installed purchase price, and  
41 other information relative to the purchase of the  
42 vehicle or manufactured housing. On or before the  
43 tenth day of each month, the county treasurer or the  
44 state department of transportation shall remit to the  
45 department the amount of the taxes collected during  
46 the preceding month.

47 A person who willfully makes a false statement in  
48 regard to the purchase price of a vehicle subject to  
49 taxation under this section is guilty of a fraudulent  
50 practice. A person who willfully makes a false

Page 105

1 statement in regard to the purchase price of such a  
2 vehicle with the intent to evade the payment of tax  
3 shall be assessed a penalty of seventy-five percent of  
4 the amount of tax unpaid and required to be paid on  
5 the actual purchase price less trade-in allowance.

6 Sec. 129. NEW SECTION. 423.27 MOTOR VEHICLE  
7 LEASE TAX.

8 1. The use tax imposed upon the use of leased  
9 vehicles subject to registration under chapter 321,  
10 with gross vehicle weight ratings of less than sixteen  
11 thousand pounds, excluding motorcycles and motorized  
12 bicycles, which are leased by a lessor licensed  
13 pursuant to chapter 321F for a period of twelve months  
14 or more shall be paid by the owner of the vehicle to  
15 the county treasurer or state department of  
16 transportation from whom the registration receipt or  
17 certificate of title is obtained. A registration  
18 receipt for a vehicle subject to registration or  
19 issuance of a certificate of title shall not be issued  
20 until the tax is paid in the initial instance. Tax on  
21 the lease transaction that does not require titling or  
22 registration of the vehicle shall be remitted to the  
23 department. Tax and the reporting of tax due to the  
24 department shall be remitted on or before fifteen days  
25 from the last day of the month that the vehicle lease  
26 tax becomes due. Failure to timely report or remit  
27 any of the tax when due shall result in a penalty and  
28 interest being imposed on the tax due pursuant to  
29 section 423.40, subsection 1, and section 423.42,  
30 subsection 1.

31 2. The amount subject to tax shall be computed on  
32 each separate lease transaction by taking the total of  
33 the lease payments, plus the down payment, and  
34 excluding all of the following:

- 35 a. Title fee.
- 36 b. Registration fees.
- 37 c. Vehicle lease tax pursuant to this section.
- 38 d. Federal excise taxes attributable to the sale  
39 of the vehicle to the owner or to the lease of the  
40 vehicle by the owner.
- 41 e. Optional service or warranty contracts subject  
42 to tax pursuant to section 423.2, subsection 1.
- 43 f. Insurance.
- 44 g. Manufacturer's rebate.
- 45 h. Refundable deposit.
- 46 i. Finance charges, if any, on items listed in  
47 paragraphs "a" through "h".

48 If any or all of the items in paragraphs "a"  
49 through "i" are excluded from the taxable lease price,  
50 the owner shall maintain adequate records of the

Page 106

1 amounts of those items. If the parties to a lease  
2 enter into an agreement providing that the tax imposed  
3 under this statute is to be paid by the lessee or  
4 included in the monthly lease payments to be paid by  
5 the lessee, the total cost of the tax shall not be  
6 included in the computation of lease price for the  
7 purpose of taxation under this section. The county  
8 treasurer, the state department of transportation, or  
9 the department of revenue and finance shall require  
10 every applicant for a registration receipt for a  
11 vehicle subject to tax under this section to supply  
12 information as the county treasurer or director deems  
13 necessary as to the date of the lease transaction, the  
14 lease price, and other information relative to the  
15 lease of the vehicle.

16 3. On or before the tenth day of each month, the  
17 county treasurer or the state department of  
18 transportation shall remit to the department the  
19 amount of the taxes collected during the preceding  
20 month.

21 4. If the lease is terminated prior to the  
22 termination date contained in the lease agreement, no  
23 refund shall be allowed for tax previously paid under  
24 this section, except as provided in section 322G.4.

25 Sec. 130. NEW SECTION. 423.28 SALES TAX REPORT  
26 -- DEDUCTION.

27 Motor vehicle or trailer dealers, in making their  
28 reports and returns to the department for the purpose  
29 of paying the sales tax, shall be permitted to deduct  
30 all sales prices from retail sales of vehicles subject  
31 to registration or subject only to the issuance of a  
32 certificate of title. Sales prices from sales of  
33 vehicles subject to registration or subject only to  
34 the issuance of a certificate of title are exempted  
35 from the sales tax, but, if required by the director,  
36 the sales prices shall be included in the returns made  
37 by motor vehicle or trailer dealers under subchapter  
38 II, and proper deductions taken pursuant to this  
39 section.

40 Sec. 131. NEW SECTION. 423.29 COLLECTIONS BY  
41 SELLERS.

42 Every seller who is a retailer and who is making  
43 taxable sales of tangible personal property in Iowa  
44 shall, at the time of selling the property, collect  
45 the sales tax. Every seller who is a retailer  
46 maintaining a place of business in this state and  
47 selling tangible personal property for use in Iowa  
48 shall, at the time of making the sale, whether within  
49 or without the state, collect the use tax. Sellers  
50 required to collect sales or use tax shall give to any

Page 107

1 purchaser a receipt for the tax collected in the  
2 manner and form prescribed by the director.  
3 Every seller who is a retailer furnishing taxable  
4 services in Iowa and every seller who is a retailer  
5 maintaining a place of business in this state and  
6 furnishing taxable services in Iowa or services  
7 outside Iowa if the product or result of the service  
8 is used in Iowa shall be subject to the provisions of  
9 the preceding paragraph.

10 Sec. 132. NEW SECTION. 423.30 FOREIGN SELLERS  
11 NOT REGISTERED UNDER THE AGREEMENT.

12 The director may, upon application, authorize the  
13 collection of the use tax by any seller who is a  
14 retailer not maintaining a place of business within  
15 this state and not registered under the agreement,  
16 who, to the satisfaction of the director, furnishes  
17 adequate security to ensure collection and payment of  
18 the tax. Such sellers shall be issued, without  
19 charge, permits to collect tax subject to any  
20 regulations which the director shall prescribe. When  
21 so authorized, it shall be the duty of foreign sellers  
22 to collect the tax upon all tangible personal property  
23 sold, to the retailer's knowledge, for use within this  
24 state, in the same manner and subject to the same  
25 requirements as a retailer maintaining a place of  
26 business within this state. The authority and permit  
27 may be canceled when, at any time, the director  
28 considers the security inadequate, or that tax can  
29 more effectively be collected from the person using  
30 property in this state.

31 The discretionary power granted in this section is  
32 extended to apply in the case of foreign retailers  
33 furnishing services enumerated in section 423.2.

34 Sec. 133. NEW SECTION. 423.31 FILING OF SALES  
35 TAX RETURNS AND PAYMENT OF SALES TAX.

36 1. Each person subject to this section and section  
37 423.36 and in accordance with the provisions of this  
38 section and section 423.36 shall, on or before the  
39 last day of the month following the close of each  
40 calendar quarter during which such person is or has  
41 become or ceased being subject to the provisions of  
42 this section and section 423.36, make, sign, and file  
43 a return for the calendar quarter in the form as may  
44 be required. Returns shall show information relating  
45 to sales prices including goods, wares, and services  
46 converted to the use of such person, the amounts of  
47 sales prices excluded and exempt from the tax, the  
48 amounts of sales prices subject to tax, a calculation  
49 of tax due, and any other information for the period  
50 covered by the return as may be required. Returns

Page 108

1 shall be signed by the retailer or the retailer's  
2 authorized agent and must be certified by the retailer  
3 to be correct in accordance with forms and rules  
4 prescribed by the director.

5 2. Persons required to file, or committed to file  
6 by reason of voluntary action or by order of the  
7 department, deposits of taxes due under this  
8 subchapter shall be entitled to take credit against  
9 the total quarterly amount of tax due such amount as  
10 shall have been deposited by such persons during that  
11 calendar quarter. The balance remaining due after  
12 such credit for deposits shall be entered on the  
13 return. However, such person may be granted an  
14 extension of time not exceeding thirty days for filing  
15 the quarterly return, upon a proper showing of  
16 necessity. If an extension is granted, such person  
17 shall have paid by the twentieth day of the month  
18 following the close of such quarter ninety percent of  
19 the estimated tax due.

20 3. The sales tax forms prescribed by the director  
21 shall be referred to as "retailers tax deposit".  
22 Deposit forms shall be signed by the retailer or the  
23 retailer's duly authorized agent, and shall be duly  
24 certified by the retailer or agent to be correct. The  
25 director may authorize incorporated banks and trust  
26 companies or other depositories authorized by law  
27 which are depositories or financial agents of the  
28 United States, or of this state, to receive any sales  
29 tax imposed under this chapter, in the manner, at the  
30 times, and under the conditions the director  
31 prescribes. The director shall prescribe the manner,  
32 times, and conditions under which the receipt of the  
33 tax by those depositories is to be treated as payment  
34 of the tax to the department.

35 4. Every retailer at the time of making any return  
36 required by this section shall compute and pay to the  
37 department the tax due for the preceding period. The  
38 tax on sales prices from the sale or rental of  
39 tangible personal property under a consumer rental  
40 purchase agreement as defined in section 537.3604,  
41 subsection 8, is payable in the tax period of receipt.

42 5. Upon making application and receiving approval  
43 from the director, a parent corporation and its  
44 affiliated corporations that make retail sales of  
45 tangible personal property or taxable enumerated  
46 services may make deposits and file a consolidated  
47 sales tax return for the affiliated group, pursuant to  
48 rules adopted by the director. A parent corporation  
49 and each affiliate corporation that files a  
50 consolidated return are jointly and severally liable

Page 109

1 for all tax, penalty, and interest found due for the  
2 tax period for which a consolidated return is filed or  
3 required to be filed.

4 A business required to file a consolidated sales  
5 tax return shall file a form entitled "schedule of  
6 consolidated business locations" with its quarterly  
7 sales tax return that shows the taxpayer's  
8 consolidated permit number, the permit number for each  
9 Iowa business location, the state sales tax amount by  
10 business location, and the amount of state sales tax  
11 due on goods consumed that are not assigned to a  
12 specific business location. Consolidated quarterly  
13 sales tax returns that are not accompanied by the  
14 schedule of consolidated business locations form are  
15 considered incomplete and are subject to penalty under  
16 section 421.27.

17 6. If necessary or advisable in order to insure  
18 the payment of the tax, the director may require  
19 returns and payment of the tax to be made for other  
20 than quarterly periods, the provisions of this  
21 section, or other provision to the contrary  
22 notwithstanding.

23 Sec. 134. NEW SECTION. 423.32 FILING OF USE TAX  
24 RETURNS AND PAYMENT OF USE TAX.

25 1. A retailer maintaining a place of business in  
26 this state who is required to collect or a user who is  
27 required to pay the use tax or a foreign retailer  
28 authorized, pursuant to section 423.30, to collect the  
29 use tax, shall remit to the department the amount of  
30 tax on or before the last day of the month following  
31 each calendar quarterly period. However, a retailer  
32 who collects or owes more than fifteen hundred dollars  
33 in use taxes in a month shall deposit with the  
34 department or in a depository authorized by law and  
35 designated by the director, the amount collected or  
36 owed, with a deposit form for the month as prescribed  
37 by the director.

38 a. The deposit form is due on or before the  
39 twentieth day of the month following the month of  
40 collection, except a deposit is not required for the  
41 third month of the calendar quarter, and the total  
42 quarterly amount, less the amounts deposited for the  
43 first two months of the quarter, is due with the  
44 quarterly report on the last day of the month  
45 following the month of collection. At that time, the  
46 retailer shall file with the department a return for  
47 the preceding quarterly period in the form prescribed  
48 by the director showing the purchase price of the  
49 tangible personal property sold by the retailer during  
50 the preceding quarterly period, the use of which is

Page 110

1 subject to the use tax imposed by this chapter, and  
2 other information the director deems necessary for the  
3 proper administration of the use tax.

4 b. The return shall be accompanied by a remittance  
5 of the use tax for the period covered by the return.  
6 If necessary in order to ensure payment to the state  
7 of the tax, the director may in any or all cases  
8 require returns and payments to be made for other than  
9 quarterly periods. The director, upon request and a  
10 proper showing of necessity, may grant an extension of  
11 time not to exceed thirty days for making any return  
12 and payment. Returns shall be signed, in accordance  
13 with forms and rules prescribed by the director, by  
14 the retailer or the retailer's authorized agent, and  
15 shall be certified by the retailer or agent to be  
16 correct.

17 2. If it is reasonably expected, as determined by  
18 rules prescribed by the director, that a retailer's  
19 annual sales or use tax liability will not exceed one  
20 hundred twenty dollars for a calendar year, the  
21 retailer may request and the director may grant  
22 permission to the retailer, in lieu of the quarterly  
23 filing and remitting requirements set out elsewhere in  
24 this section, to file the return required by and remit  
25 the sales or use tax due under this section on a  
26 calendar-year basis. The return and tax are due and  
27 payable no later than January 31 following each  
28 calendar year in which the retailer carries on  
29 business.

30 3. The director, in cooperation with the  
31 department of management, may periodically change the  
32 filing and remittance thresholds by administrative  
33 rule if in the best interests of the state and  
34 taxpayer to do so.

35 Sec. 135. NEW SECTION. 423.33 LIABILITY OF  
36 PERSONS OTHER THAN RETAILERS FOR PAYMENT OF SALES OR  
37 USE TAX.

38 1. LIABILITY OF PURCHASER FOR SALES TAX. If a  
39 purchaser fails to pay sales tax to the retailer  
40 required to collect the tax, then in addition to all  
41 of the rights, obligations, and remedies provided, the  
42 tax is payable by the purchaser directly to the  
43 department, and sections 423.31, 423.32, 423.37,  
44 423.38, 423.39, 423.40, 423.41, and 423.42 apply to  
45 the purchaser. For failure to pay, the retailer and  
46 purchaser are liable, unless the circumstances  
47 described in section 421.60, subsection 2, paragraph  
48 "m", or section 423.45, subsection 4, paragraph "b" or  
49 "e", or subsection 5, paragraph "c" or "e", are  
50 applicable.

Page 111

1 2. IMMEDIATE SUCCESSOR LIABILITY FOR SALES OR USE  
2 TAX. If a retailer sells the retailer's business or  
3 stock of goods or quits the business, the retailer  
4 shall prepare a final return and pay all sales or use  
5 tax due within the time required by law. The  
6 immediate successor to the retailer, if any, shall  
7 withhold a sufficient portion of the purchase price,  
8 in money or money's worth, to pay the amount of  
9 delinquent tax, interest, or penalty due and unpaid.  
10 If the immediate successor of the business or stock of  
11 goods intentionally fails to withhold the amount due  
12 from the purchase price as provided in this  
13 subsection, the immediate successor is personally  
14 liable for the payment of delinquent taxes, interest,  
15 and penalty accrued and unpaid on account of the  
16 operation of the business by the immediate former  
17 retailer, except when the purchase is made in good  
18 faith as provided in section 421.28. However, a  
19 person foreclosing on a valid security interest or  
20 retaking possession of premises under a valid lease is  
21 not an "immediate successor" for purposes of this  
22 section. The department may waive the liability of  
23 the immediate successor under this subsection if the  
24 immediate successor exercised good faith in  
25 establishing the amount of the previous liability.

26 3. EVENT SPONSOR'S LIABILITY FOR SALES TAX. A  
27 person sponsoring a flea market or a craft, antique,  
28 coin, or stamp show or similar event shall obtain from  
29 every retailer selling tangible personal property or  
30 taxable services at the event proof that the retailer  
31 possesses a valid sales tax permit or secure from the  
32 retailer a statement, taken in good faith, that  
33 property or services offered for sale are not subject  
34 to sales tax. Failure to do so renders a sponsor of  
35 the event liable for payment of any sales tax,  
36 interest, and penalty due and owing from any retailer  
37 selling property or services at the event. Sections  
38 423.31, 423.32, 423.37, 423.38, 423.39, 423.40,  
39 423.41, and 423.42 apply to the sponsors. For  
40 purposes of this subsection, a person sponsoring a  
41 flea market or a craft, antique, coin, or stamp show  
42 or similar event does not include an organization  
43 which sponsors an event less than three times a year  
44 or a state, county, or district agricultural fair.

45 Sec. 136. NEW SECTION. 423.34 LIABILITY OF USER.  
46 Any person who uses any property or services  
47 enumerated in section 423.2 upon which the use tax has  
48 not been paid, either to the county treasurer or to a  
49 retailer or direct to the department as required by  
50 this subchapter, shall be liable for the payment of

Page 112

1 tax, and shall on or before the last day of the month  
2 next succeeding each quarterly period pay the use tax  
3 upon all property or services used by the person  
4 during the preceding quarterly period in the manner  
5 and accompanied by such returns as the director shall  
6 prescribe. All of the provisions of sections 423.32  
7 and 423.33 with reference to the returns and payments  
8 shall be applicable to the returns and payments  
9 required by this section.

10 Sec. 137. NEW SECTION. 423.35 POSTING OF BOND TO  
11 SECURE PAYMENT.

12 The director may, when necessary and advisable in  
13 order to secure the collection of the sales or use  
14 tax, authorize any person subject to either tax, and  
15 any retailer required or authorized to collect those  
16 taxes pursuant to the provisions of section 423.14, to  
17 file with the department a bond, issued by a surety  
18 company authorized to transact business in this state  
19 and approved by the insurance commissioner as to  
20 solvency and responsibility, in an amount as the  
21 director may fix, to secure the payment of any tax,  
22 interest, or penalties due or which may become due  
23 from such person. In lieu of a bond, securities  
24 approved by the director, in an amount which the  
25 director may prescribe, may be deposited with the  
26 department, which securities shall be kept in the  
27 custody of the department and may be sold by the  
28 director at public or private sale, without notice to  
29 the depositor, if it becomes necessary to do so in  
30 order to recover any tax, interest, or penalties due.  
31 Upon the sale, the surplus, if any, above the amounts  
32 due under this chapter shall be returned to the person  
33 who deposited the securities.

34 Sec. 138. NEW SECTION. 423.36 PERMITS REQUIRED  
35 TO COLLECT SALES OR USE TAX -- APPLICATIONS --  
36 REVOCATION.

37 1. A person shall not engage in or transact  
38 business as a retailer making taxable sales of  
39 tangible personal property or furnishing services  
40 within this state or as a retailer making taxable  
41 sales of tangible personal property or furnishing  
42 services for use within this state, unless a permit  
43 has been issued to the retailer under this section,  
44 except as provided in subsection 6. Every person  
45 desiring to engage in or transact business as a  
46 retailer shall file with the department an application  
47 for a permit to collect sales or use tax. Every  
48 application for a sales or use tax permit shall be  
49 made upon a form prescribed by the director and shall  
50 set forth any information the director may require.

Page 113

1 The application shall be signed by an owner of the  
2 business if a natural person; in the case of a  
3 retailer which is an association or partnership, by a  
4 member or partner; and in the case of a retailer which  
5 is a corporation, by an executive officer or some  
6 person specifically authorized by the corporation to  
7 sign the application, to which shall be attached the  
8 written evidence of the person's authority.

9 2. To collect sales or use tax, the applicant must  
10 have a permit for each place of business in the state  
11 of Iowa. The department may deny a permit to an  
12 applicant who is substantially delinquent in paying a  
13 tax due, or the interest or penalty on the tax,  
14 administered by the department at the time of  
15 application. If the applicant is a partnership, a  
16 permit may be denied if a partner is substantially  
17 delinquent in paying any delinquent tax, penalty, or  
18 interest. If the applicant is a corporation, a permit  
19 may be denied if any officer having a substantial  
20 legal or equitable interest in the ownership of the  
21 corporation owes any delinquent tax, penalty, or  
22 interest.

23 3. The department shall grant and issue to each  
24 applicant a permit for each place of business in this  
25 state where sales or use tax is collected. A permit  
26 is not assignable and is valid only for the person in  
27 whose name it is issued and for the transaction of  
28 business at the place designated or at a place of  
29 relocation within the state if the ownership remains  
30 the same.

31 If an applicant is making sales outside Iowa for  
32 use in this state or furnishing services outside Iowa,  
33 the product or result of which will be used in this  
34 state, that applicant shall be issued one use tax  
35 permit by the department applicable to these out-of-  
36 state sales or services.

37 4. Permits issued under this section are valid and  
38 effective until revoked by the department.

39 5. If the holder of a permit fails to comply with  
40 any of the provisions of this subchapter or of  
41 subchapter II or III or any order or rule of the  
42 department adopted under those subchapters or is  
43 substantially delinquent in the payment of a tax  
44 administered by the department or the interest or  
45 penalty on the tax, or if the person is a corporation  
46 and if any officer having a substantial legal or  
47 equitable interest in the ownership of the corporation  
48 owes any delinquent tax of the permit-holding  
49 corporation, or interest or penalty on the tax,  
50 administered by the department, the director may

Page 114

1 revoke the permit. The director shall send notice by  
2 mail to a permit holder informing that person of the  
3 director's intent to revoke the permit and of the  
4 permit holder's right to a hearing on the matter. If  
5 the permit holder petitions the director for a hearing  
6 on the proposed revocation, after giving ten days'  
7 notice of the time and place of the hearing in  
8 accordance with section 17A.18, subsection 3, the  
9 matter may be heard and a decision rendered. The  
10 director may restore permits after revocation. The  
11 director shall adopt rules setting forth the period of  
12 time a retailer must wait before a permit may be  
13 restored or a new permit may be issued. The waiting  
14 period shall not exceed ninety days from the date of  
15 the revocation of the permit.

16 6. Sellers who are not regularly engaged in  
17 selling at retail and do not have a permanent place of  
18 business, but who are temporarily engaged in selling  
19 from trucks, portable roadside stands, concessionaires  
20 at state, county, district, or local fairs, carnivals,  
21 or the like, shall report and remit the sales tax on a  
22 temporary basis, under rules the director shall  
23 provide for the efficient collection of the sales tax.  
24 This subsection applies to sellers who are temporarily  
25 engaged in furnishing services.

26 Persons engaged in selling tangible personal  
27 property or furnishing services shall not be required  
28 to obtain or retain a sales tax permit for a place of  
29 business at which taxable sales of tangible personal  
30 property or taxable performance of services will not  
31 occur.

32 7. The provisions of subsection 1, dealing with  
33 the lawful right of a retailer to transact business,  
34 as applicable, apply to persons having receipts from  
35 furnishing services enumerated in section 423.2,  
36 except that a person holding a permit pursuant to  
37 subsection 1 shall not be required to obtain any  
38 separate sales tax permit for the purpose of engaging  
39 in business involving the services.

40 8. a. Except as provided in paragraph "b",  
41 purchasers, users, and consumers of tangible personal  
42 property or enumerated services taxed pursuant to  
43 subchapter II or III of this chapter or chapters 423B  
44 and 423E may be authorized, pursuant to rules adopted  
45 by the director, to remit tax owed directly to the  
46 department instead of the tax being collected and paid  
47 by the seller. To qualify for a direct pay tax  
48 permit, the purchaser, user, or consumer must accrue a  
49 tax liability of more than four thousand dollars in  
50 tax under subchapters II and III in a semimonthly

Page 115

1 period and make deposits and file returns pursuant to  
2 section 423.31. This authority shall not be granted  
3 or exercised except upon application to the director  
4 and then only after issuance by the director of a  
5 direct pay tax permit.

6 b. The granting of a direct pay tax permit is not  
7 authorized for any of the following:

8 (1) Taxes imposed on the sales, furnishing, or  
9 service of gas, electricity, water, heat, pay  
10 television service, and communication service.

11 (2) Taxes imposed under sections 423.26 and 423.27  
12 and chapter 423C.

13 Sec. 139. NEW SECTION. 423.37 FAILURE TO FILE  
14 SALES OR USE TAX RETURNS -- INCORRECT RETURNS.

15 1. As soon as practicable after a return is filed  
16 and in any event within three years after the return  
17 is filed, the department shall examine it, assess and  
18 determine the tax due if the return is found to be  
19 incorrect, and give notice to the person liable for  
20 the tax of the assessment and determination as  
21 provided in subsection 2. The period for the  
22 examination and determination of the correct amount of  
23 tax is unlimited in the case of a false or fraudulent  
24 return made with the intent to evade tax or in the  
25 case of a failure to file a return.

26 2. If a return required by this subchapter is not  
27 filed, or if a return when filed is incorrect or  
28 insufficient and the maker fails to file a corrected  
29 or sufficient return within twenty days after the same  
30 is required by notice from the department, the  
31 department shall determine the amount of tax due from  
32 information as the department may be able to obtain  
33 and, if necessary, may estimate the tax on the basis  
34 of external indices, such as number of employees of  
35 the person concerned, rentals paid by the person,  
36 stock on hand, or other factors. The department shall  
37 give notice of the determination to the person liable  
38 for the tax. The determination shall fix the tax  
39 unless the person against whom it is assessed shall,  
40 within sixty days after the giving of notice of the  
41 determination, apply to the director for a hearing or  
42 unless the taxpayer contests the determination by  
43 paying the tax, interest, and penalty and timely  
44 filing a claim for refund. At the hearing evidence  
45 may be offered to support the determination or to  
46 prove that it is incorrect. After the hearing the  
47 director shall give notice of the decision to the  
48 person liable for the tax.

49 3. The three-year period of limitation provided in  
50 subsection 1 may be extended by a taxpayer by signing

Page 116

1 a waiver agreement form to be provided by the  
2 department. The agreement shall stipulate the period  
3 of extension and the tax period to which the extension  
4 applies. The agreement shall also provide that a  
5 claim for refund may be filed by the taxpayer at any  
6 time during the period of extension.

7 Sec. 140. NEW SECTION. 423.38 JUDICIAL REVIEW.

8 1. Judicial review of actions of the director may  
9 be sought in accordance with the terms of the Iowa  
10 administrative procedure Act.

11 2. For cause and upon a showing by the director  
12 that collection of the tax in dispute is in doubt, the  
13 court may order the petitioner to file with the clerk  
14 a bond for the use of the respondent, with sureties  
15 approved by the clerk, in the amount of tax appealed  
16 from, conditioned that the petitioner shall perform  
17 the orders of the court.

18 3. An appeal may be taken by the taxpayer or the  
19 director to the supreme court of this state  
20 irrespective of the amount involved.

21 Sec. 141. NEW SECTION. 423.39 SERVICE OF  
22 NOTICES.

23 1. A notice authorized or required under this  
24 subchapter may be given by mailing the notice to the  
25 person for whom it is intended, addressed to that  
26 person at the address given in the last return filed  
27 by the person pursuant to this subchapter, or if no  
28 return has been filed, then to any address obtainable.  
29 The mailing of the notice is presumptive evidence of  
30 the receipt of the notice by the person to whom  
31 addressed. Any period of time which is determined  
32 according to this subchapter by the giving of notice  
33 commences to run from the date of mailing of the  
34 notice.

35 2. The provisions of the Code relative to the  
36 limitation of time for the enforcement of a civil  
37 remedy shall not apply to any proceeding or action  
38 taken to levy, appraise, assess, determine, or enforce  
39 the collection of any tax or penalty provided by this  
40 chapter.

41 Sec. 142. NEW SECTION. 423.40 PENALTIES --  
42 OFFENSES -- LIMITATION.

43 1. In addition to the sales or use tax or  
44 additional sales or use tax, the taxpayer shall pay a  
45 penalty as provided in section 421.27. The taxpayer  
46 shall also pay interest on the sales or use tax or  
47 additional sales or use tax at the rate in effect  
48 under section 421.7 for each month counting each  
49 fraction of a month as an entire month, computed from  
50 the date the semimonthly or monthly tax deposit form

Page 117

1 or return was required to be filed. The penalty and  
2 interest shall be paid to the department and disposed  
3 of in the same manner as other receipts under this  
4 subchapter. Unpaid penalties and interest may be  
5 enforced in the same manner as the taxes imposed by  
6 this chapter.

7 2. a. Any person who knowingly sells tangible  
8 personal property, tickets or admissions to places of  
9 amusement and athletic events, or gas, water,  
10 electricity, or communication service at retail, or  
11 engages in the furnishing of services enumerated in  
12 section 423.2, in this state without procuring a  
13 permit to collect tax, as provided in section 423.36,  
14 or who violates section 423.24 and the officers of any  
15 corporation who so act are guilty of a serious  
16 misdemeanor.

17 b. A person who knowingly sells tangible personal  
18 property, tickets or admissions to places of amusement  
19 and athletic events, or gas, water, electricity, or  
20 communication service at retail, or engages in the  
21 furnishing of services enumerated in section 423.2, in  
22 this state after the person's sales tax permit has  
23 been revoked and before it has been restored as  
24 provided in section 423.36, subsection 5, and the  
25 officers of any corporation who so act are guilty of  
26 an aggravated misdemeanor.

27 3. A person who willfully attempts in any manner  
28 to evade any tax imposed by this chapter or the  
29 payment of the tax or a person who makes or causes to  
30 be made a false or fraudulent semimonthly or monthly  
31 tax deposit form or return with intent to evade any  
32 tax imposed by subchapter II or III or the payment of  
33 the tax is guilty of a class "D" felony.

34 4. The certificate of the director to the effect  
35 that a tax has not been paid, that a return has not  
36 been filed, or that information has not been supplied  
37 pursuant to the provisions of this subchapter shall be  
38 prima facie evidence thereof.

39 5. A person required to pay sales or use tax, or  
40 to make, sign, or file a tax deposit form or return or  
41 supplemental return, who willfully makes a false or  
42 fraudulent tax deposit form or return, or willfully  
43 fails to pay at least ninety percent of the tax or  
44 willfully fails to make, sign, or file the tax deposit  
45 form or return, at the time required by law, is guilty  
46 of a fraudulent practice.

47 6. A prosecution for an offense specified in this  
48 section shall be commenced within six years after its  
49 commission.

Page 118

1 EXAMINATION.

2 Every retailer required or authorized to collect  
3 taxes imposed by this chapter and every person using  
4 in this state tangible personal property, services, or  
5 the product of services shall keep records, receipts,  
6 invoices, and other pertinent papers as the director  
7 shall require, in the form that the director shall  
8 require, for as long as the director has the authority  
9 to examine and determine tax due. The director or any  
10 duly authorized agent of the department may examine  
11 the books, papers, records, and equipment of any  
12 person either selling tangible personal property or  
13 services or liable for the tax imposed by this  
14 chapter, and investigate the character of the business  
15 of any person in order to verify the accuracy of any  
16 return made, or if a return was not made by the  
17 person, ascertain and determine the amount due under  
18 this chapter. These books, papers, and records shall  
19 be made available within this state for examination  
20 upon reasonable notice when the director deems it  
21 advisable and so orders. The preceding requirements  
22 shall likewise apply to users and persons furnishing  
23 services enumerated in section 423.2.

24 Sec. 144. NEW SECTION. 423.42 STATUTES  
25 APPLICABLE.

26 1. The director shall administer the taxes imposed  
27 by subchapters II and III in the same manner and  
28 subject to all the provisions of, and all of the  
29 powers, duties, authority, and restrictions contained  
30 in, section 422.25, subsection 4, section 422.30, and  
31 sections 422.67 through 422.75.

32 2. All the provisions of section 422.26 shall  
33 apply in respect to the taxes and penalties imposed by  
34 subchapters II and III and this subchapter, except  
35 that, as applied to any tax imposed by subchapters II  
36 and III, the lien provided in section 422.26 shall be  
37 prior and paramount over all subsequent liens upon any  
38 personal property within this state, or right to such  
39 personal property, belonging to the taxpayer without  
40 the necessity of recording as provided in section  
41 422.26. The requirements for recording shall, as  
42 applied to the taxes imposed by subchapters II and  
43 III, apply only to the liens upon real property. When  
44 requested to do so by any person from whom a taxpayer  
45 is seeking credit, or with whom the taxpayer is  
46 negotiating the sale of any personal property, or by  
47 any other person having a legitimate interest in such  
48 information, the director shall, upon being satisfied  
49 that such a situation exists, inform that person as to  
50 the amount of unpaid taxes due by such taxpayer under

Page 119

1 the provisions of subchapters II and III. The giving  
2 of this information under these circumstances shall  
3 not be deemed a violation of section 422.72 as applied  
4 to subchapters II and III.  
5 Sec. 145. NEW SECTION. 423.43 DEPOSIT OF REVENUE  
6 -- APPROPRIATIONS.  
7 Except as otherwise provided in section 312.2,  
8 subsection 15, all revenues derived from the use tax  
9 on motor vehicles, trailers, and motor vehicle  
10 accessories and equipment as collected pursuant to  
11 sections 423.26 and 423.27 shall be deposited and  
12 credited to the road use tax fund and shall be used  
13 exclusively for the construction, maintenance, and  
14 supervision of public highways.  
15 1. Notwithstanding any provision of this section  
16 which provides that all revenues derived from the use  
17 tax on motor vehicles, trailers, and motor vehicle  
18 accessories and equipment as collected pursuant to  
19 sections 423.26 and 423.27 shall be deposited and  
20 credited to the road use tax fund, eighty percent of  
21 the revenues shall be deposited and credited as  
22 follows:  
23 a. Twenty-five percent of all such revenue, up to  
24 a maximum of four million two hundred fifty thousand  
25 dollars per quarter, shall be deposited into and  
26 credited to the Iowa comprehensive petroleum  
27 underground storage tank fund created in section  
28 455G.3, and the moneys so deposited are a continuing  
29 appropriation for expenditure under chapter 455G, and  
30 moneys so appropriated shall not be used for other  
31 purposes.  
32 b. Any such revenues remaining shall be credited  
33 to the road use tax fund.  
34 2. Notwithstanding any other provision of this  
35 section that provides that all revenue derived from  
36 the use tax on motor vehicles, trailers, and motor  
37 vehicle accessories and equipment as collected  
38 pursuant to section 423.26 shall be deposited and  
39 credited to the road use tax fund, twenty percent of  
40 the revenues shall be credited and deposited as  
41 follows: one-half to the road use tax fund and one-  
42 half to the primary road fund to be used for the  
43 commercial and industrial highway network.  
44 3. All other revenue arising under the operation  
45 of this chapter shall be credited to the general fund  
46 of the state.  
47 Sec. 146. NEW SECTION. 423.44 REIMBURSEMENT FOR  
48 PRIMARY ROAD FUND.  
49 From moneys deposited into the road use tax fund,  
50 the department may credit to the primary road fund any

Page 120

1 amount of revenues derived from the use tax on motor  
2 vehicles, trailers, and motor vehicle accessories and  
3 equipment as collected pursuant to sections 423.26 and  
4 423.27 to the extent necessary to reimburse that fund  
5 for the expenditures not otherwise eligible to be made  
6 from the primary road fund, which are made for  
7 repairing, improving, and maintaining bridges over the  
8 rivers bordering the state. Expenditures for those  
9 portions of bridges within adjacent states may be  
10 included when they are made pursuant to an agreement  
11 entered into under section 313.63, 313A.34, or 314.10.  
12 Sec. 147. NEW SECTION. 423.45 REFUNDS --  
13 EXEMPTION CERTIFICATES.

14 1. If an amount of tax represented by a retailer  
15 to a consumer or user as constituting tax due is  
16 computed upon a sales price that is not taxable or the  
17 amount represented is in excess of the actual taxable  
18 amount and the amount represented is actually paid by  
19 the consumer or user to the retailer, the excess  
20 amount of tax paid shall be returned to the consumer  
21 or user upon notification to the retailer by the  
22 department that an excess payment exists.

23 2. If an amount of tax represented by a retailer  
24 to a consumer or user as constituting tax due is  
25 computed upon a sales price that is not taxable or the  
26 amount represented is in excess of the actual taxable  
27 amount and the amount represented is actually paid by  
28 the consumer or user to the retailer, the excess  
29 amount of tax paid shall be returned to the consumer  
30 or user upon proper notification to the retailer by  
31 the consumer or user that an excess payment exists.  
32 "Proper" notification is written notification which  
33 allows a retailer at least sixty days to respond and  
34 which contains enough information to allow a retailer  
35 to determine the validity of a consumer's or user's  
36 claim that an excess amount of tax has been paid. No  
37 cause of action shall accrue against a retailer for  
38 excess tax paid until sixty days after proper notice  
39 has been given the retailer by the consumer or user.

40 3. In the circumstances described in subsections 1  
41 and 2, a retailer has the option to either return any  
42 excess amount of tax paid to a consumer or user, or to  
43 remit the amount which a consumer or user has paid to  
44 the retailer to the department.

45 4. a. The department shall issue or the seller  
46 may separately provide exemption certificates in the  
47 form prescribed by the director, including  
48 certificates not made of paper, which conform to the  
49 requirements of paragraph "c", to assist retailers in  
50 properly accounting for nontaxable sales of tangible

Page 121

1 personal property or services to purchasers for a  
2 nontaxable purpose. The department shall also allow  
3 the use of exemption certificates for those  
4 circumstances in which a sale is taxable but the  
5 seller is not obligated to collect tax from the buyer.

6 b. The sales tax liability for all sales of  
7 tangible personal property and all sales of services  
8 is upon the seller and the purchaser unless the seller  
9 takes in good faith from the purchaser a valid  
10 exemption certificate stating under penalty of perjury  
11 that the purchase is for a nontaxable purpose and is  
12 not a retail sale as defined in section 423.1, or the  
13 seller is not obligated to collect tax due, or unless  
14 the seller takes a fuel exemption certificate pursuant  
15 to subsection 5. If the tangible personal property or  
16 services are purchased tax free pursuant to a valid  
17 exemption certificate which is taken in good faith by  
18 the seller, and the tangible personal property or  
19 services are used or disposed of by the purchaser in a  
20 nonexempt manner, the purchaser is solely liable for  
21 the taxes and shall remit the taxes directly to the  
22 department and sections 423.31, 423.32, 423.37,  
23 423.38, 423.39, 423.40, 423.41, and 423.42 shall apply  
24 to the purchaser.

25 c. A valid exemption certificate is an exemption  
26 certificate which is complete and correct according to  
27 the requirements of the director.

28 d. A valid exemption certificate is taken in good  
29 faith by the seller when the seller has exercised that  
30 caution and diligence which honest persons of ordinary  
31 prudence would exercise in handling their own business  
32 affairs, and includes an honesty of intention and  
33 freedom from knowledge of circumstances which ought to  
34 put one upon inquiry as to the facts. In order for a  
35 seller to take a valid exemption certificate in good  
36 faith, the seller must exercise reasonable prudence to  
37 determine the facts supporting the valid exemption  
38 certificate, and if any facts upon such certificate  
39 would lead a reasonable person to further inquiry,  
40 such inquiry must be made with an honest intent to  
41 discover the facts.

42 e. If the circumstances change and as a result the  
43 tangible personal property or services are used or  
44 disposed of by the purchaser in a nonexempt manner or  
45 the purchaser becomes obligated to pay the tax, the  
46 purchaser is liable solely for the taxes and shall  
47 remit the taxes directly to the department in  
48 accordance with this subsection.

49 5. a. The department shall issue or the seller  
50 may separately provide fuel exemption certificates in

Page 122

1 the form prescribed by the director.  
2 b. For purposes of this subsection:  
3 (1) “Fuel” includes gas, electricity, water, heat,  
4 steam, and any other tangible personal property  
5 consumed in creating heat, power, or steam.  
6 (2) “Fuel consumed in processing” means fuel used  
7 or consumed for processing including grain drying, for  
8 providing heat or cooling for livestock buildings or  
9 for greenhouses or buildings or parts of buildings  
10 dedicated to the production of flowering, ornamental,  
11 or vegetable plants intended for sale in the ordinary  
12 course of business, for use in aquaculture production,  
13 or for generating electric current, or in implements  
14 of husbandry engaged in agricultural production.  
15 (3) “Fuel exemption certificate” means an  
16 exemption certificate given by the purchaser under  
17 penalty of perjury to assist retailers in properly  
18 accounting for nontaxable sales of fuel consumed in  
19 processing.  
20 (4) “Substantial change” means a change in the use  
21 or disposition of tangible personal property and  
22 services by the purchaser such that the purchaser pays  
23 less than ninety percent of the purchaser’s actual  
24 sales tax liability. A change includes a misstatement  
25 of facts in an application made pursuant to paragraph  
26 “d” or in a fuel exemption certificate.  
27 c. The seller may accept a completed fuel  
28 exemption certificate, as prepared by the purchaser,  
29 for three years unless the purchaser files a new  
30 completed exemption certificate. If the fuel is  
31 purchased tax free pursuant to a fuel exemption  
32 certificate which is taken by the seller, and the fuel  
33 is used or disposed of by the purchaser in a nonexempt  
34 manner, the purchaser is solely liable for the taxes,  
35 and shall remit the taxes directly to the department  
36 and sections 423.31, 423.32, 423.37, 423.38, 423.39,  
37 423.40, 423.41, and 423.42 shall apply to the  
38 purchaser.  
39 d. The purchaser may apply to the department for  
40 its review of the fuel exemption certificate. In this  
41 event, the department shall review the fuel exemption  
42 certificate within twelve months from the date of  
43 application and determine the correct amount of the  
44 exemption. If the amount determined by the department  
45 is different than the amount that the purchaser claims  
46 is exempt, the department shall promptly notify the  
47 purchaser of the determination. Failure of the  
48 department to make a determination within twelve  
49 months from the date of application shall constitute a  
50 determination that the fuel exemption certificate is

Page 123

1 correct as submitted. A determination of exemption by  
2 the department is final unless the purchaser appeals  
3 to the director for a revision of the determination  
4 within sixty days after the date of the notice of  
5 determination. The director shall grant a hearing,  
6 and upon the hearing, the director shall determine the  
7 correct exemption and notify the purchaser of the  
8 decision by mail. The decision of the director is  
9 final unless the purchaser seeks judicial review of  
10 the director's decision under section 423.38 within  
11 sixty days after the date of the notice of the  
12 director's decision. Unless there is a substantial  
13 change, the department shall not impose penalties  
14 pursuant to section 423.40 both retroactively to  
15 purchases made after the date of application and  
16 prospectively until the department gives notice to the  
17 purchaser that a tax or additional tax is due, for  
18 failure to remit any tax due which is in excess of a  
19 determination made under this section. A  
20 determination made by the department pursuant to this  
21 subsection does not constitute an audit for purposes  
22 of section 423.37.

23 e. If the circumstances change and the fuel is  
24 used or disposed of by the purchaser in a nonexempt  
25 manner, the purchaser is solely liable for the taxes  
26 and shall remit the taxes directly to the department  
27 in accordance with paragraph "c".

28 f. The purchaser shall attach documentation to the  
29 fuel exemption certificate which is reasonably  
30 necessary to support the exemption for fuel consumed  
31 in processing. If the purchaser files a new exemption  
32 certificate with the seller, documentation shall not  
33 be required if the purchaser previously furnished the  
34 seller with this documentation and substantial change  
35 has not occurred since that documentation was  
36 furnished or if fuel consumed in processing is  
37 separately metered and billed by the seller.

38 6. Nothing in this section authorizes any cause of  
39 action by any person to recover sales or use taxes  
40 directly from the state or extends any person's time  
41 to seek a refund of sales or use taxes which have been  
42 collected and remitted to the state.

43 Sec. 148. NEW SECTION. 423.46 RATE AND BASE  
44 CHANGES.

45 The department shall make a reasonable effort to  
46 provide sellers with as much advance notice as  
47 practicable of a rate change and to notify sellers of  
48 legislative changes in the tax base and amendments to  
49 sales and use tax rules. Failure of a seller to  
50 receive notice or failure of this state to provide

Page 124

1 notice or limit the effective date of a rate change  
2 shall not relieve the seller of its obligation to  
3 collect sales or use taxes for this state.

4 Sec. 149. NEW SECTION. 423.47 REFUNDS AND  
5 CREDITS.

6 If it shall appear that, as a result of mistake, an  
7 amount of tax, penalty, or interest has been paid  
8 which was not due under the provisions of this  
9 chapter, such amount shall be credited against any tax  
10 due, or to become due, on the books of the department  
11 from the person who made the erroneous payment, or  
12 such amount shall be refunded to such person by the  
13 department. A claim for refund or credit that has not  
14 been filed with the department within three years  
15 after the tax payment for which a refund or credit is  
16 claimed became due, or one year after such tax payment  
17 was made, whichever time is the later, shall not be  
18 allowed by the director.

#### 19 SUBCHAPTER VI

#### 20 SALES AND USE TAX ACT -- ADMINISTRATION OF 21 RETAILERS REGISTERED VOLUNTARILY UNDER THE 22 AGREEMENT

23 Sec. 150. NEW SECTION. 423.48 RESPONSIBILITIES  
24 AND RIGHTS OF SELLERS REGISTERED UNDER THE AGREEMENT.

25 1. By registering under the agreement, the seller  
26 agrees to collect and remit sales and use taxes for  
27 all its taxable Iowa sales. Iowa's withdrawal from  
28 the agreement or revocation of its membership in the  
29 agreement shall not relieve a seller from its  
30 responsibility to remit taxes previously collected on  
31 behalf of this state.

32 2. The following provisions apply to any seller  
33 who registers under the agreement:

34 a. The seller may register on-line.

35 b. Registration under the agreement and the  
36 collection of Iowa sales and use taxes shall not be  
37 used as factors in determining whether the seller has  
38 nexus with Iowa for any tax.

39 c. If registered under the agreement with any  
40 other member state, the seller is considered to be  
41 registered in Iowa.

42 d. The seller is not required to pay registration  
43 fees or other charges.

44 e. A written signature from the seller is not  
45 required.

46 f. The seller may register by way of an agent.  
47 The agent's appointment shall be in writing and  
48 submitted to the department if requested by the  
49 department.

50 g. The seller may cancel its registration at any

Page 125

1 time under procedures adopted by the governing board  
2 established pursuant to the agreement. Cancellation  
3 does not relieve the seller of its liability for  
4 remitting any Iowa taxes collected.

5 3. The following additional responsibilities and  
6 rights apply to model sellers:

7 a. A model 1 seller's obligation to calculate,  
8 collect, and remit sales and use taxes shall be  
9 performed by its certified service provider, except  
10 for the seller's obligation to remit tax on its own  
11 purchases. As the seller's agent, the certified  
12 service provider is liable for its model 1 seller's  
13 sales and use tax due Iowa on all sales transactions  
14 it processes for the seller except as set out in this  
15 section. A seller that contracts with a certified  
16 service provider is not liable to the state for sales  
17 or use tax due on transactions processed by the  
18 certified service provider unless the seller  
19 misrepresents the types of items or services it sells  
20 or commits fraud. In the absence of probable cause to  
21 believe that the seller has committed fraud or made a  
22 material misrepresentation, the seller is not subject  
23 to audit on the transactions processed by the  
24 certified service provider. A model 1 seller is  
25 subject to audit for transactions not processed by the  
26 certified service provider. The director is  
27 authorized to perform a system check of the model 1  
28 seller and review the seller's procedures to determine  
29 if the certified service provider's system is  
30 functioning properly and the extent to which the  
31 seller's transactions are being processed by the  
32 certified service provider.

33 b. A model 2 seller shall calculate the amount of  
34 tax due on a transaction by the use of a certified  
35 automated system, but shall collect and remit tax on  
36 its own sales. A person that provides a certified  
37 automated system is responsible for the proper  
38 functioning of that system and is liable to this state  
39 for underpayments of tax attributable to errors in the  
40 functioning of the certified automated system. A  
41 seller that uses a certified automated system remains  
42 responsible and is liable to the state for reporting  
43 and remitting tax.

44 c. A model 3 seller shall use its own proprietary  
45 automated system to calculate tax due and collect and  
46 remit tax on its own sales. A model 3 seller is  
47 liable for the failure of its proprietary automated  
48 system to meet the applicable performance standard.

49 Sec. 151. NEW SECTION. 423.49 RETURNS.

50 1. All model 1, 2, or 3 sellers are subject to all

Page 126

1 of the following return requirements:

2 a. The seller is required to file only one return  
3 per month for this state and for all taxing  
4 jurisdictions within this state.

5 b. The date for filing returns shall be determined  
6 under rules adopted by the director. However, in no  
7 case shall the return be due earlier than the  
8 twentieth day of the following month.

9 c. The director shall request additional  
10 information returns. These returns shall not be  
11 required more frequently than every six months.

12 2. Any registered seller which does not have a  
13 legal obligation to register in this state and is not  
14 a model 1, 2, or 3 seller is subject to all of the  
15 following return requirements:

16 a. The seller is required to file a return within  
17 one year of the month of initial registration and  
18 shall file a return on an annual basis in succeeding  
19 years.

20 b. In addition to the return required in paragraph  
21 "a", if the seller accumulates more than one thousand  
22 dollars in total state and local tax, the seller is  
23 required to file a return in the following month.

24 c. The format of the return and the due date of  
25 the initial return and the annual return shall be  
26 determined under rules adopted by the department.

27 Sec. 152. NEW SECTION. 423.50 REMITTANCE OF  
28 FUNDS.

29 1. Only one remittance of tax per return is  
30 required except as provided in this subsection.  
31 Sellers that collect more than thirty thousand dollars  
32 in sales and use taxes for this state during the  
33 preceding calendar year shall be required to make  
34 additional remittances as required under rules adopted  
35 by the director. The filing of a return is not  
36 required with an additional remittance.

37 2. All remittances shall be remitted  
38 electronically.

39 3. Electronic payments may be made either by  
40 automated clearinghouse credit or automated  
41 clearinghouse debit. Any data accompanying a  
42 remittance must be formatted using uniform tax type  
43 and payment codes approved by the governing board  
44 established pursuant to the agreement. An alternative  
45 method for making same-day payments shall be  
46 determined under rules adopted by the director.

47 4. If a due date falls on a legal banking holiday  
48 in this state, the taxes are due on the succeeding  
49 business day.

50 Sec. 153. NEW SECTION. 423.51 ADMINISTRATION OF

1 EXEMPTIONS.

2 1. The following provisions shall apply when a  
3 purchaser claims an exemption:  
4 a. The seller shall obtain identifying information  
5 of the purchaser and the reason for claiming a tax  
6 exemption at the time of the purchase as determined by  
7 the member states acting jointly.

8 b. A purchaser is not required to provide a  
9 signature to claim an exemption from tax unless a  
10 paper certificate is used.

11 c. The seller shall use the standard form for  
12 claiming an exemption electronically as adopted  
13 jointly by the member states.

14 d. The seller shall obtain the same information  
15 for proof of a claimed exemption regardless of the  
16 medium in which the transaction occurred.

17 e. The department may authorize a system wherein  
18 the purchaser exempt from the payment of the tax is  
19 issued an identification number which shall be  
20 presented to the seller at the time of the sale.

21 f. The seller shall maintain proper records of  
22 exempt transactions and provide them to the department  
23 when requested.

24 g. The department shall administer entity-based  
25 and use-based exemptions when practicable through a  
26 direct pay tax permit, an exemption certificate, or  
27 another means that does not burden sellers. For the  
28 purposes of this paragraph:

29 (1) An “entity-based exemption” is an exemption  
30 based on who purchases the product or who sells the  
31 product.

32 (2) A “use-based exemption” is an exemption based  
33 on the purchaser’s use of the product.

34 2. Sellers that follow the requirements of this  
35 section are relieved from any tax otherwise applicable  
36 if it is determined that the purchaser improperly  
37 claimed an exemption and that the purchaser is liable  
38 for the nonpayment of tax. This relief from liability  
39 does not apply to a seller who fraudulently fails to  
40 collect the tax or solicits purchasers to participate  
41 in the unlawful claim of an exemption.

42 Sec. 154. NEW SECTION. 423.52 RELIEF FROM  
43 LIABILITY FOR SELLERS AND CERTIFIED SERVICE PROVIDERS.

44 Sellers and certified service providers are  
45 relieved from liability to this state or its local  
46 taxing jurisdictions for having charged and collected  
47 the incorrect amount of sales or use tax resulting  
48 from the seller or certified service provider relying  
49 on erroneous data provided by this state on tax rates,  
50 boundaries, or taxing jurisdiction assignments. If

Page 128

1 this state provides an address-based system for  
2 assigning taxing jurisdictions whether or not pursuant  
3 to the federal Mobile Telecommunications Sourcing Act,  
4 the director is not required to provide liability  
5 relief for errors resulting from reliance on the  
6 information provided by this state.

7 Sec. 155. NEW SECTION. 423.53 BAD DEBTS AND  
8 MODEL 1 SELLERS.

9 A certified service provider may claim, on behalf  
10 of a model 1 seller, any bad debt deduction as  
11 provided in section 423.21. The certified service  
12 provider must credit or refund the full amount of any  
13 bad debt deduction or refund received to the seller.

14 Sec. 156. NEW SECTION. 423.54 AMNESTY FOR  
15 REGISTERED SELLERS.

16 1. Subject to the limitations in subsections 2  
17 through 6, the following provisions apply:

18 a. Amnesty is provided for uncollected or unpaid  
19 sales or use tax to a seller who registers to pay or  
20 to collect and remit applicable sales or use tax on  
21 sales made to purchasers in this state in accordance  
22 with the terms of the agreement, provided the seller  
23 was not so registered in this state in the twelve-  
24 month period preceding the commencement of Iowa's  
25 participation in the agreement.

26 b. Amnesty precludes assessment of the seller for  
27 uncollected or unpaid sales or use tax together with  
28 penalty or interest for sales made during the period  
29 the seller was not registered in this state, provided  
30 registration occurs within twelve months of the  
31 commencement of Iowa's participation in the agreement.

32 c. Amnesty shall be provided to any seller  
33 lawfully registered under the agreement by any other  
34 member state prior to the date of the commencement of  
35 Iowa's participation in the agreement.

36 2. Amnesty is not available to a seller with  
37 respect to any matter or matters for which the seller  
38 received notice of the commencement of an audit and  
39 which audit is not yet finally resolved, including any  
40 related administrative and judicial processes.

41 3. Amnesty is not available for sales or use taxes  
42 already paid or remitted or to taxes collected by the  
43 seller.

44 4. Amnesty is fully effective absent the seller's  
45 fraud or intentional misrepresentation of a material  
46 fact as long as the seller continues registration and  
47 continues payment or collection and remittance of  
48 applicable sales or use taxes for a period of at least  
49 thirty-six months. The statute of limitations  
50 applicable to asserting a tax liability is tolled

Page 129

1 during this thirty-six month period.

2 5. Amnesty is applicable only to sales or use  
3 taxes due from a seller in its capacity as a seller  
4 and not to sales or use taxes due from a seller in its  
5 capacity as a buyer.

6 6. The director may allow amnesty on terms and  
7 conditions more favorable to a seller than the terms  
8 required by this section.

9 Sec. 157. NEW SECTION. 423.55 DATABASES.

10 The department shall provide and maintain databases  
11 required by the agreement for the benefit of sellers  
12 registered under the agreement.

13 Sec. 158. NEW SECTION. 423.56 CONFIDENTIALITY

14 AND PRIVACY PROTECTIONS UNDER MODEL 1.

15 1. As used in this section:

16 a. “Anonymous data” means information that does  
17 not identify a person.

18 b. “Confidential taxpayer information” means all  
19 information that is protected under this state’s laws,  
20 rules, and privileges.

21 c. “Personally identifiable information” means  
22 information that identifies a person.

23 2. With very limited exceptions, a certified  
24 service provider shall perform its tax calculation,  
25 remittance, and reporting functions without retaining  
26 the personally identifiable information of consumers.

27 3. A certified service provider may perform its  
28 services in this state only if the certified service  
29 provider certifies that:

30 a. Its system has been designed and tested to  
31 ensure that the fundamental precept of anonymity is  
32 respected.

33 b. Personally identifiable information is only  
34 used and retained to the extent necessary for the  
35 administration of model 1 sellers with respect to  
36 exempt purchasers.

37 c. It provides consumers clear and conspicuous  
38 notice of its information practices, including what  
39 information it collects, how it collects the  
40 information, how it uses the information, how long, if  
41 at all, it retains the information, and whether it  
42 discloses the information to member states. This  
43 notice shall be satisfied by a written privacy policy  
44 statement accessible by the public on the official web  
45 site of the certified service provider.

46 d. Its collection, use, and retention of  
47 personally identifiable information is limited to that  
48 required by the member states to ensure the validity  
49 of exemptions from taxation that are claimed by reason  
50 of a consumer’s status or the intended use of the

Page 130

- 1 goods or services purchased.
- 2 e. It provides adequate technical, physical, and  
3 administrative safeguards so as to protect personally  
4 identifiable information from unauthorized access and  
5 disclosure.
- 6 4. The department shall provide public  
7 notification of its practices relating to the  
8 collection, use, and retention of personally  
9 identifiable information.
- 10 5. When any personally identifiable information  
11 that has been collected and retained by the department  
12 or certified service provider is no longer required  
13 for the purposes set forth in subsection 3, paragraph  
14 “d”, that information shall no longer be retained by  
15 the department or certified service provider.
- 16 6. When personally identifiable information  
17 regarding an individual is retained by or on behalf of  
18 this state, this state shall provide reasonable access  
19 by such individual to his or her own information in  
20 the state’s possession and a right to correct any  
21 inaccurately recorded information.
- 22 7. This privacy policy is subject to enforcement  
23 by the department and the attorney general.
- 24 8. This state’s laws and rules regarding the  
25 collection, use, and maintenance of confidential  
26 taxpayer information remain fully applicable and  
27 binding. Without limitation, the agreement does not  
28 enlarge or limit the state’s or department’s authority  
29 to:
- 30 a. Conduct audits or other review as provided  
31 under the agreement and state law.
- 32 b. Provide records pursuant to its examination of  
33 public records law, disclosure laws of individual  
34 governmental agencies, or other regulations.
- 35 c. Prevent, consistent with state law, disclosures  
36 of confidential taxpayer information.
- 37 d. Prevent, consistent with federal law,  
38 disclosures or misuse of federal return information  
39 obtained under a disclosure agreement with the  
40 internal revenue service.
- 41 e. Collect, disclose, disseminate, or otherwise  
42 use anonymous data for governmental purposes.
- 43 9. This privacy policy does not preclude the  
44 certification of a certified service provider whose

 42 that has served the people of the state well, but  
 43 which requires significant ongoing financial support  
 44 from the state in the form of annual appropriations.  
 45 The operation of a telecommunications network is a  
 46 function that can be and generally is conducted by  
 47 private enterprise. It is in the public interest to  
 48 sell the Iowa communications network to a qualified  
 49 private business enterprise that will commit to  
 50 provide the same secure low-cost high-quality service

Page 12

1 ~~to state and federal public and private agencies and~~  
 2 ~~military installations, as defined in chapter 8D,~~ now  
 3 provided by the network. Through such a sale, the  
 4 state would eliminate the need for ongoing annual  
 5 appropriations while preserving the key benefits  
 6 enjoyed by the state under the present state ownership  
 7 of the network. The state also expects to obtain  
 8 sufficient proceeds from such a sale to cover existing  
 9 obligations and to realize additional proceeds above  
 10 the level of such obligations. Given the current  
 11 depressed state of the telecommunications industry,  
 12 the state can reasonably be expected to maximize sales  
 13 proceeds by allowing a purchaser a period of time in  
 14 which to assemble financing for its purchase. During  
 15 the interim between enactment of this division of this  
 16 Act and completion of a sale, the services of a  
 17 private-enterprise manager with experience operating  
 18 telecommunications networks can reasonably be expected  
 19 to reduce the costs of operating the Iowa  
 20 communications network, thereby lowering annual  
 21 appropriations.

Page 83

1 or subchapter III, based upon such computation of the

2 7. For the purpose of the proper administration of  
3 the use tax and to prevent its evasion, evidence that  
4 tangible personal property was sold by any person for

35 registration which are designed primarily for carrying  
36 persons are excluded from this subsection.

37 10. Vehicles subject to registration which are  
38 transferred from a business or individual conducting a  
39 business within this state as a sole proprietorship,  
40 partnership, or limited liability company to a

2 that corporation for the purpose of continuing the  
3 business when all of the incidents of ownership are  
4 owned by the same person or persons who were  
5 stockholders of the corporation.

8 corporation as part of the liquidation of the  
9 corporation to its stockholders if within three months  
10 of such transfer the stockholders retransfer those

22 registration when the transferor and transferee  
23 corporations are part of the same controlled group for  
24 federal income tax purposes.

25 11. Vehicles registered or operated under chapter  
26 326 and used substantially in interstate commerce,  
27 section 423.5, subsection 7, notwithstanding. For  
28 purposes of this subsection, “substantially in  
29 interstate commerce” means that a minimum of twenty-  
30 five percent of the miles operated by the vehicle  
31 accrues in states other than Iowa. This subsection  
32 applies only to vehicles which are registered for a  
33 gross weight of thirteen tons or more.

10 price or the installed purchase price of the  
11 manufactured housing which is not attributable to the  
12 cost of the tangible personal property used in the  
13 processing of the manufactured housing. For purposes  
14 of this exemption, the portion of the purchase price  
15 which is not attributable to the cost of the tangible  
16 personal property used in the processing of the mobile  
17 home is forty percent and the portion of the purchase  
18 price or installed purchase price which is not

26 the state or as materials or parts of such ship,  
27 barge, or waterborne vessel.

28 15. Vehicles subject to registration in any state

33 for periods of sixty days or less by a person  
34 regularly engaged in the business of renting vehicles  
35 including, but not limited to, motor vehicle dealers

7 A lessor may maintain the exemption from use tax  
8 under this subsection for a qualifying lease that  
9 terminates at the conclusion or prior to the  
10 contracted expiration date, if the lessor does not use  
11 the vehicle for any purpose other than for lease.  
12 Once the vehicle is used by the lessor for a purpose  
13 other than for lease, the exemption from use tax under  
14 this subsection no longer applies and, unless there is  
15 an exemption from the use tax, use tax is due on the  
16 fair market value of the vehicle determined at the  
17 time the lessor uses the vehicle for a purpose other  
18 than for lease, payable to the department. If the  
19 lessor holds the vehicle exclusively for sale, use tax  
20 is due and payable on the purchase price of the  
21 vehicle at the time of purchase pursuant to this  
22 subchapter.

1 Sec. 109. NEW SECTION. 423.7 TITLE.

2 This subchapter shall be known and may be cited as  
3 the “Uniform Sales and Use Tax Administration Act”.

4 Sec. 110. NEW SECTION. 423.8 LEGISLATIVE FINDING  
5 AND INTENT.

6 The general assembly finds that Iowa should enter  
7 into an agreement with one or more states to simplify  
8 and modernize sales and use tax administration in  
9 order to substantially reduce the burden of tax  
10 compliance for all sellers and for all types of  
11 commerce. It is the intent of the general assembly  
12 that entering into this agreement will lead to  
13 simplification and modernization of the sales and use  
14 tax law and not to the imposition of new taxes or an  
15 increase or decrease in the existing number of  
16 exemptions, unless such a result is unavoidable under  
17 the terms of the agreement.

18 Sec. 111. NEW SECTION. 423.9 AUTHORITY TO ENTER  
19 AGREEMENT AND TO REPRESENT THE STATE.

20 The director is authorized and directed to enter  
21 into the streamlined sales and use tax agreement with  
22 one or more states to simplify and modernize sales and  
23 use tax administration in order to substantially  
24 reduce the burden of tax compliance for all sellers  
25 and for all types of commerce.

26 The director is further authorized to take other  
27 actions reasonably required to implement the  
28 provisions set forth in this chapter. Other actions  
29 authorized by this section include, but are not  
30 limited to, the adoption of rules and the joint  
31 procurement, with other member states, of goods and  
32 services in furtherance of the cooperative agreement.

33 The director or the director’s designee is  
34 authorized to be a member of the governing board  
35 established pursuant to the agreement and to represent  
36 Iowa before that body.

37 Sec. 112. NEW SECTION. 423.10 RELATIONSHIP TO  
38 STATE LAW.

39 Entry into the agreement by the director does not  
40 amend or modify any law of this state. Implementation  
41 of any condition of the agreement in this state,  
42 whether adopted before, at, or after membership of  
43 this state in the agreement, shall be by action of the  
44 general assembly.

45 Sec. 113. NEW SECTION. 423.11 AGREEMENT  
46 REQUIREMENTS.

47 The director shall not enter into the agreement  
48 unless the agreement requires each state to abide by  
49 the following requirements:

50 1. UNIFORM STATE RATE. The agreement must set

Page 91

- 1 restrictions to achieve more uniform state rates
- 2 through the following:
- 3 a. Limiting the number of state rates.
- 4 b. Limiting the application of maximums on the
- 5 amount of state tax that is due on a transaction.
- 6 c. Limiting the application of thresholds on the
- 7 application of state tax.
- 8 2. UNIFORM STANDARDS. The agreement must
- 9 establish uniform standards for the following:
- 10 a. The sourcing of transactions to taxing
- 11 jurisdictions.
- 12 b. The administration of exempt sales.
- 13 c. The allowances a seller can take for bad debts.
- 14 d. Sales and use tax returns and remittances.
- 15 3. UNIFORM DEFINITIONS. The agreement must
- 16 require states to develop and adopt uniform
- 17 definitions of sales and use tax terms. The
- 18 definitions must enable a state to preserve its
- 19 ability to make policy choices not inconsistent with
- 20 the uniform definitions.
- 21 4. CENTRAL REGISTRATION. The agreement must
- 22 provide a central, electronic registration system that
- 23 allows a seller to register to collect and remit sales
- 24 and use taxes for all member states.
- 25 5. NO NEXUS ATTRIBUTION. The agreement must
- 26 provide that registration with the central
- 27 registration system and the collection of sales and
- 28 use taxes in the member states must not be used as a
- 29 factor in determining whether the seller has nexus
- 30 with a state for any tax.
- 31 6. LOCAL SALES AND USE TAXES. The agreement must
- 32 provide for reduction of the burdens of complying with
- 33 local sales and use taxes through the following:
- 34 a. Restricting variances between the state and
- 35 local tax bases.
- 36 b. Requiring states to administer any sales and
- 37 use taxes levied by local jurisdictions within the
- 38 state so that sellers collecting and remitting these
- 39 taxes must not have to register or file returns with,
- 40 remit funds to, or be subject to independent audits
- 41 from local taxing jurisdictions.
- 42 c. Restricting the frequency of changes in the
- 43 local sales and use tax rates and setting effective
- 44 dates for the application of local jurisdictional
- 45 boundary changes to local sales and use taxes.
- 46 d. Providing notice of changes in local sales and
- 47 use tax rates and of changes in the boundaries of
- 48 local taxing jurisdictions.
- 49 7. MONETARY ALLOWANCES. The agreement must
- 50 outline any monetary allowances that are to be

Page 92

1 provided by the states to sellers or certified service  
2 providers.

3 8. STATE COMPLIANCE. The agreement must require  
4 each state to certify compliance with the terms of the  
5 agreement prior to joining and to maintain compliance,  
6 under the laws of the member state, with all  
7 provisions of the agreement while a member.

8 9. CONSUMER PRIVACY. The agreement must require  
9 each state to adopt a uniform policy for certified  
10 service providers that protects the privacy of  
11 consumers and maintains the confidentiality of tax  
12 information.

13 10. ADVISORY COUNCILS. The agreement must provide  
14 for the appointment of an advisory council of private  
15 sector representatives and an advisory council of  
16 nonmember state representatives to consult with in the  
17 administration of the agreement.

18 Sec. 114. NEW SECTION. 423.12 LIMITED BINDING  
19 AND BENEFICIAL EFFECT.

20 1. The agreement binds and inures only to the  
21 benefit of Iowa and the other member states. A  
22 person, other than a member state, is not an intended  
23 beneficiary of the agreement. Any benefit to a person  
24 other than a member state is established by the law of  
25 Iowa and not by the terms of the agreement.

26 2. A person shall not have any cause of action or  
27 defense under the agreement or by virtue of this  
28 state's entry into the agreement. A person may not  
29 challenge, in any action brought under any provision  
30 of law, any action or inaction by any department,  
31 agency, or other instrumentality of this state, or any  
32 political subdivision of this state on the ground that  
33 the action or inaction is inconsistent with the  
34 agreement.

35 3. A law of this state, or the application of it,  
36 shall not be declared invalid as to any such person or  
37 circumstance on the ground that the provision or  
38 application is inconsistent with the agreement.

#### 39 SUBCHAPTER V

40 SALES AND USE TAX ACT -- ADMINISTRATION OF  
41 RETAILERS NOT REGISTERED UNDER THE AGREEMENT AND OF  
42 CONSUMERS OBLIGATED TO PAY USE TAX DIRECTLY

43 Sec. 115. NEW SECTION. 423.13 PURPOSE OF THIS  
44 SUBCHAPTER.

45 The purpose of this subchapter is to provide for  
46 the administration and collection of sales or use tax  
47 on the part of retailers who are not registered under  
48 the agreement and for the collection of use tax on the  
49 part of consumers who are obligated to pay that tax  
50 directly. Any application of the sections of this

Page 93

1 subchapter to retailers registered under the agreement  
2 is only by way of incorporation by reference into  
3 subchapter VI of this chapter.

4 Sec. 116. NEW SECTION. 423.14 SALES AND USE TAX  
5 COLLECTION.

6 1. a. Sales tax, other than that described in  
7 paragraph “c”, shall be collected by sellers who are  
8 retailers or by their agents. Sellers or their agents  
9 shall, as far as practicable, add the sales tax, or  
10 the average equivalent thereof, to the sales price or  
11 charge, less trade-ins allowed and taken and when  
12 added such tax shall constitute a part of the sales  
13 price or charge, shall be a debt from consumer or user  
14 to seller or agent until paid, and shall be  
15 recoverable at law in the same manner as other debts.

16 b. In computing the tax to be collected as the  
17 result of any transaction, the tax computation must be  
18 carried to the third decimal place. Whenever the  
19 third decimal place is greater than four, the tax must  
20 be rounded up to the next whole cent; whenever the  
21 third decimal place is four or less, the tax must be  
22 rounded downward to a whole cent. Sellers may elect  
23 to compute the tax due on transactions on an item or  
24 invoice basis. Sellers are not required to use a  
25 bracket system.

26 c. The tax imposed upon those sales of motor  
27 vehicle fuel which are subject to tax and refund under  
28 chapter 452A shall be collected by the state treasurer  
29 by way of deduction from refunds otherwise allowable  
30 under that chapter. The treasurer shall transfer the  
31 amount of such deductions from the motor vehicle fuel  
32 tax fund to the special tax fund.

33 2. Use tax shall be collected in the following  
34 manner:

35 a. The tax upon the use of all vehicles subject to  
36 registration or subject only to the issuance of a  
37 certificate of title or the tax upon the use of  
38 manufactured housing shall be collected by the county  
39 treasurer or the state department of transportation  
40 pursuant to sections 423.26 and 423.27. The county  
41 treasurer shall retain one dollar from each tax  
42 payment collected, to be credited to the county  
43 general fund.

44 b. The tax upon the use of all tangible personal  
45 property other than that enumerated in paragraph “a”,  
46 which is sold by a seller who is a retailer  
47 maintaining a place of business in this state, or by  
48 such other retailer or agent as the director shall  
49 authorize pursuant to section 423.30, shall be  
50 collected by the retailer or agent and remitted to the

Page 94

1 department, pursuant to the provisions of paragraph  
2 “e”, and sections 423.24, 423.29, 423.30, 423.32, and  
3 423.33.

4 c. The tax upon the use of all tangible personal  
5 property not paid pursuant to paragraphs “a” and “b”  
6 shall be paid to the department directly by any person  
7 using the property within this state, pursuant to the  
8 provisions of section 423.34.

9 d. The tax imposed on the use of services  
10 enumerated in section 423.5 shall be collected,  
11 remitted, and paid to the department of revenue and  
12 finance in the same manner as use tax on tangible  
13 personal property is collected, remitted, and paid  
14 under this subchapter.

15 e. All persons obligated by paragraph “a”, “b”, or  
16 “d”, to collect use tax shall, as far as practicable,  
17 add that tax, or the average equivalent thereof, to  
18 the purchase price, less trade-ins allowed and taken,  
19 and when added the tax shall constitute a part of the  
20 purchase price. Use tax which this section requires  
21 to be collected by a retailer and any tax collected  
22 pursuant to this section by a retailer shall  
23 constitute a debt owed by the retailer to this state.  
24 Tax which must be paid directly to the department,  
25 pursuant to paragraph “c” or “d”, is to be computed  
26 and added by the consumer or user to the purchase  
27 price in the same manner as this paragraph requires a  
28 seller to compute and add the tax. The tax shall be a  
29 debt from the consumer or user to the department until  
30 paid, and shall be recoverable at law in the same  
31 manner as other debts.

32 Sec. 117. NEW SECTION. 423.15 GENERAL SOURCING  
33 RULES.

34 All sellers obligated to collect Iowa sales or use  
35 tax shall use the standards set out in this section to  
36 determine where sales of products occur, excluding  
37 sales enumerated in section 423.16. These provisions  
38 apply regardless of the characterization of a product  
39 as tangible personal property, a digital good, or a  
40 service, excluding telecommunications services. This  
41 section only applies to determine a seller’s  
42 obligation to pay or collect and remit a sales or use  
43 tax with respect to the seller’s sale of a product.  
44 This section does not affect the obligation of a  
45 purchaser or lessee to remit tax on the use of the  
46 product to the taxing jurisdictions in which the use  
47 occurs. A seller’s obligation to collect Iowa sales  
48 tax or Iowa use tax only occurs if the sale is sourced  
49 to this state. The application of whether Iowa sales  
50 tax applies to sales sourced to Iowa depends upon

Page 95

1 where the sale is consummated by delivery.  
2 1. Sales, excluding leases or rentals other than  
3 leases or rentals set out in subsection 2, of products  
4 shall be sourced as follows.  
5 a. When the product is received by the purchaser  
6 at a business location of the seller, the sale is  
7 sourced to that business location.  
8 b. When the product is not received by the  
9 purchaser at a business location of the seller, the  
10 sale is sourced to the location where receipt by the  
11 purchaser or the purchaser's donee, designated as such  
12 by the purchaser, occurs, including the location  
13 indicated by instructions for delivery to the  
14 purchaser or donee, known to the seller.  
15 c. When paragraphs "a" and "b" do not apply, the  
16 sale is sourced to the location indicated by an  
17 address for the purchaser that is available from the  
18 business records of the seller that are maintained in  
19 the ordinary course of the seller's business when use  
20 of this address does not constitute bad faith.  
21 d. When paragraphs "a", "b", and "c" do not apply,  
22 the sale is sourced to the location indicated by an  
23 address for the purchaser obtained during the  
24 consummation of the sale, including the address of a  
25 purchaser's payment instrument, if no other address is  
26 available, when use of this address does not  
27 constitute bad faith.  
28 e. When paragraphs "a", "b", "c", and "d" do not  
29 apply, including the circumstance where the seller is  
30 without sufficient information to apply the previous  
31 rules, then the location will be determined by the  
32 address from which tangible personal property was  
33 shipped, from which the digital good or the computer  
34 software delivered electronically was first available  
35 for transmission by the seller, or from which the  
36 service was provided disregarding for these purposes  
37 any location that merely provided the digital transfer  
38 of the product sold.  
39 2. The lease or rental of tangible personal  
40 property, other than property identified in subsection  
41 3 or section 423.16, shall be sourced as follows:  
42 a. For a lease or rental that requires recurring  
43 periodic payments, the first periodic payment is  
44 sourced the same as a retail sale in accordance with  
45 the provisions of subsection 1. Periodic payments  
46 made subsequent to the first payment are sourced to  
47 the primary property location for each period covered  
48 by the payment. The primary property location shall  
49 be as indicated by an address for the property  
50 provided by the lessee that is available to the lessor

Page 96

1 from its records maintained in the ordinary course of  
2 business, when use of this address does not constitute  
3 bad faith. The property location shall not be altered  
4 by intermittent use at different locations, such as  
5 use of business property that accompanies employees on  
6 business trips and service calls.

7 b. For a lease or rental that does not require  
8 recurring periodic payments, the payment is sourced  
9 the same as a retail sale in accordance with the  
10 provisions of subsection 1.

11 c. This subsection does not affect the imposition  
12 or computation of sales or use tax on leases or  
13 rentals based on a lump sum or accelerated basis, or  
14 on the acquisition of property for lease.

15 3. The retail sale, including lease or rental, of  
16 transportation equipment shall be sourced the same as  
17 a retail sale in accordance with the provisions of  
18 subsection 1, notwithstanding the exclusion of lease  
19 or rental in that subsection. “Transportation  
20 equipment” means any of the following:

21 a. Locomotives or railcars that are utilized for  
22 the carriage of persons or property in interstate  
23 commerce.

24 b. Trucks and truck-tractors with a gross vehicle  
25 weight rating of ten thousand one pounds or greater,  
26 trailers, semitrailers, or passenger buses that meet  
27 both of the following requirements:

28 (1) Are registered through the international  
29 registration plan.

30 (2) Are operated under authority of a carrier  
31 authorized and certificated by the United States  
32 department of transportation or another federal  
33 authority to engage in the carriage of persons or  
34 property in interstate commerce.

35 c. Aircraft that are operated by air carriers  
36 authorized and certificated by the United States  
37 department of transportation or another federal or a  
38 foreign authority to engage in the carriage of persons  
39 or property in interstate or foreign commerce.

40 d. Containers designed for use on and component  
41 parts attached or secured on the items set forth in  
42 paragraphs “a” through “c”.

43 Sec. 118. **NEW SECTION. 423.16 TRANSACTIONS TO**  
44 **WHICH THE GENERAL SOURCING RULES DO NOT APPLY.**

45 Section 423.15 does not apply to sales or use taxes  
46 levied on the following:

47 1. The retail sale or transfer of watercraft,  
48 modular homes, manufactured housing, or mobile homes,  
49 and the retail sale, excluding lease or rental, of  
50 motor vehicles, trailers, semitrailers, or aircraft

Page 97

1 that do not qualify as transportation equipment, as  
2 defined in section 423.15, subsection 3.

3 2. The lease or rental of motor vehicles,  
4 trailers, semitrailers, or aircraft that do not  
5 qualify as transportation equipment, as defined in  
6 section 423.15, subsection 3, which shall be sourced  
7 in accordance with section 423.17.

8 3. Transactions to which the multiple points use  
9 exemption is applicable, which shall be sourced in  
10 accordance with section 423.18.

11 4. Transactions to which direct mail sourcing is  
12 applicable, which shall be sourced in accordance with  
13 section 423.19.

14 5. Telecommunications services, as set out in  
15 section 423.20, which shall be sourced in accordance  
16 with section 423.20, subsection 2.

17 Sec. 119. NEW SECTION. 423.17 SOURCING RULES FOR  
18 VARIOUS TYPES OF LEASED OR RENTED EQUIPMENT WHICH IS  
19 NOT TRANSPORTATION EQUIPMENT.

20 The lease or rental of motor vehicles, trailers,  
21 semitrailers, or aircraft that do not qualify as  
22 transportation equipment, as defined in section  
23 423.15, subsection 3, shall be sourced as follows:

24 1. For a lease or rental that requires recurring  
25 periodic payments, each periodic payment is sourced to  
26 the primary property location. The primary property  
27 location shall be as indicated by an address for the  
28 property provided by the lessee that is available to  
29 the lessor from its records maintained in the ordinary  
30 course of business, when use of this address does not  
31 constitute bad faith. This location shall not be  
32 altered by intermittent use at different locations.

33 2. For a lease or rental that does not require  
34 recurring periodic payments, the payment is sourced  
35 the same as a retail sale in accordance with the  
36 provisions of section 423.15, subsection 1.

37 3. This section does not affect the imposition or  
38 computation of sales or use tax on leases or rentals  
39 based on a lump sum or accelerated basis, or on the  
40 acquisition of property for lease.

41 Sec. 120. NEW SECTION. 423.18 MULTIPLE POINTS OF  
42 USE EXEMPTION FORMS.

43 A business purchaser that is not a holder of a  
44 direct pay tax permit pursuant to section 423.36 that  
45 knows at the time of its purchase of a digital good,  
46 computer software delivered electronically, or a  
47 service that the digital good, computer software  
48 delivered electronically, or service will be  
49 concurrently available for use in more than one  
50 jurisdiction shall deliver to the seller in

Page 98

1 conjunction with its purchase a “multiple points of  
2 use” or “MPU” exemption form disclosing this fact.  
3 1. Upon receipt of the MPU exemption form, the  
4 seller is relieved of all obligation to collect, pay,  
5 or remit the applicable tax and the purchaser shall be  
6 obligated to collect, pay, or remit the applicable tax  
7 on a direct pay basis.

8 2. A purchaser delivering the MPU exemption form  
9 may use any reasonable, but consistent and uniform,  
10 method of apportionment that is supported by the  
11 purchaser’s business records as they exist at the time  
12 of the consummation of the sale.

13 3. The MPU exemption form will remain in effect  
14 for all future sales by the seller to the purchaser  
15 except as to the subsequent sale’s specific  
16 apportionment that is governed by the principle of  
17 subsection 2 and the facts existing at the time of the  
18 sale until it is revoked in writing.

19 4. A holder of a direct pay tax permit under  
20 section 423.36 shall not be required to deliver an MPU  
21 exemption form to the seller. A direct pay tax permit  
22 holder shall follow the provisions of subsection 2 in  
23 apportioning the tax due on a digital good, computer  
24 software delivered electronically, or service that  
25 will be concurrently available for use in more than  
26 one jurisdiction.

27 Sec. 121. **NEW SECTION. 423.19 DIRECT MAIL**  
28 **SOURCING.**

29 1. Notwithstanding section 423.15, a purchaser of  
30 direct mail that is not a holder of a direct pay tax  
31 permit pursuant to section 423.36 shall provide to the  
32 seller in conjunction with the purchase either a  
33 direct mail form or information to show the  
34 jurisdictions to which the direct mail is delivered to  
35 recipients.

36 a. Upon receipt of the direct mail form, the  
37 seller is relieved of all obligations to collect, pay,  
38 or remit the applicable tax and the purchaser is  
39 obligated to pay or remit the applicable tax on a  
40 direct pay basis. A direct mail form shall remain in  
41 effect for all future sales of direct mail by the  
42 seller to the purchaser until it is revoked in  
43 writing.

44 b. Upon receipt of information from the purchaser  
45 showing the jurisdictions to which the direct mail is  
46 delivered to recipients, the seller shall collect the  
47 tax according to the delivery information provided by  
48 the purchaser. In the absence of bad faith, the  
49 seller is relieved of any further obligation to  
50 collect tax on any transaction where the seller has

Page 99

1 collected tax pursuant to the delivery information  
2 provided by the purchaser.  
3 2. If the purchaser of direct mail does not have a  
4 direct pay tax permit and does not provide the seller  
5 with either a direct mail form or delivery  
6 information, as required by subsection 1, the seller  
7 shall collect the tax according to section 423.15,  
8 subsection 1, paragraph “e”. Nothing in this  
9 subsection shall limit a purchaser’s obligation for  
10 sales or use tax to any state to which the direct mail  
11 is delivered.

12 3. If a purchaser of direct mail provides the  
13 seller with documentation of direct pay authority, the  
14 purchaser shall not be required to provide a direct  
15 mail form or delivery information to the seller.

16 Sec. 122. NEW SECTION. 423.20 TELECOMMUNICATIONS  
17 SERVICE SOURCING.

18 1. As used in this section:

19 a. “Air-to-ground radiotelephone service” means a  
20 radio service, as that term is used in 47 C.F.R. }  
21 22.99, in which common carriers are authorized to  
22 offer and provide radio telecommunications service for  
23 hire to subscribers in aircraft.

24 b. “Call-by-call basis” means any method of  
25 charging for the telecommunications service where the  
26 price is measured by individual calls.

27 c. “Communications channel” means a physical or  
28 virtual path of communications over which signals are  
29 transmitted between or among customer channel  
30 termination points.

31 d. “Customer” means the person or entity that  
32 contracts with the seller of the telecommunications  
33 service. If the end user of the telecommunications  
34 service is not the contracting party, the end user of  
35 the telecommunications service is the customer of the  
36 telecommunications service, but this sentence only  
37 applies for the purpose of sourcing sales of the  
38 telecommunications service under this section.

39 “Customer” does not include a reseller of a  
40 telecommunications service or for mobile  
41 telecommunications service of a serving carrier under  
42 an agreement to serve the customer outside the home  
43 service provider’s licensed service area.

44 e. “Customer channel termination point” means the  
45 location where the customer either inputs or receives  
46 the communications.

47 f. “End user” means the person who utilizes the  
48 telecommunications service. In the case of an entity,  
49 “end user” means the individual who utilizes the  
50 service on behalf of the entity.

Page 100

- 1 g. “Home service provider” means the same as that  
2 term is defined in the federal Mobile  
3 Telecommunications Sourcing Act, Pub. L. No. 106-252,  
4 4 U.S.C. } 124(5).
- 5 h. “Mobile telecommunications service” means the  
6 same as that term is defined in federal Mobile

- 9 i. “Place of primary use” means the street address  
10 representative of where the customer’s use of the  
11 telecommunications service primarily occurs, which  
12 must be the residential street address or the primary  
13 business street address of the customer. In the case  
14 of mobile telecommunications service, “place of  
15 primary use” must be within the licensed service area  
16 of the home service provider.
- 17 j. “Postpaid calling service” means the  
18 telecommunications service obtained by making a  
19 payment on a call-by-call basis either through the use  
20 of a credit card or payment mechanism such as a bank  
21 card, travel card, credit card, or debit card, or by  
22 charge made to a telephone number which is not  
23 associated with the origination or termination of the  
24 telecommunications service. A “postpaid calling  
25 service” includes a telecommunications service that  
26 would be a prepaid calling service except it is not  
27 exclusively a telecommunications service.
- 28 k. “Prepaid calling service” means the right to  
29 access exclusively telecommunications services, which  
30 must be paid for in advance and which enables the  
31 origination of calls using an access number or  
32 authorization code, whether manually or electronically  
33 dialed, and that is sold in predetermined units or  
34 dollars of which the amount declines with use in a  
35 known amount.
- 36 l. “Private communication service” means a  
37 telecommunications service that entitles the customer  
38 to exclusive or priority use of a communications  
39 channel or group of channels between or among  
40 termination points, regardless of the manner in which  
41 such channel or channels are connected, and includes  
42 switching capacity, extension lines, stations, and any  
43 other associated services that are provided in  
44 connection with the use of such channel or channels.
- 45 m. “Service address” means one of the following:
- 46 (1) The location of the telecommunications  
47 equipment to which a customer’s call is charged and  
48 from which the call originates or terminates,  
49 regardless of where the call is billed or paid.
- 50 (2) If the location in subparagraph (1) is not

Page 101

- 1 known, “service address” means the origination point  
2 of the signal of the telecommunications service first  
3 identified by either the seller’s telecommunications  
4 system or in information received by the seller from  
5 its service provider, where the system used to  
6 transport such signals is not that of the seller.
- 7 (3) If the locations in subparagraphs (1) and (2)  
8 are not known, the “service address” means the  
9 location of the customer’s place of primary use.
- 10 2. Sales of telecommunications services shall be  
11 sourced in the following manner:
- 12 a. Except for the defined telecommunications  
13 services in paragraph “c”, the sale of  
14 telecommunications services sold on a call-by-call  
15 basis shall be sourced to one of the following:
- 16 (1) Each level of taxing jurisdiction where the  
17 call originates and terminates in that jurisdiction.
- 18 (2) Each level of taxing jurisdiction where the  
19 call either originates or terminates and in which the  
20 service address is also located.
- 21 b. Except for the defined telecommunications  
22 services in paragraph “c”, a sale of  
23 telecommunications services sold on a basis other than  
24 a call-by-call basis is sourced to the customer’s  
25 place of primary use.
- 26 c. Sale of the following telecommunications  
27 services shall be sourced to each level of taxing  
28 jurisdiction as follows:
- 29 (1) A sale of mobile telecommunications services  
30 other than air-to-ground radiotelephone service or  
31 prepaid calling service is sourced to the customer’s  
32 place of primary use as required by the federal Mobile  
33 Telecommunications Sourcing Act.
- 34 (2) A sale of postpaid calling service is sourced  
35 to the origination point of the telecommunications  
36 signal as first identified by either of the following:
- 37 (a) The seller’s telecommunications system.
- 38 (b) Information received by the seller from its  
39 service provider, where the system used to transport  
40 such signals is not that of the seller.
- 41 (3) A sale of prepaid calling service is sourced  
42 in accordance with section 423.15. However, in the  
43 case of a sale of mobile telecommunications services  
44 that is a prepaid telecommunications service, the rule  
45 provided in section 423.15, subsection 1, paragraph  
46 “e”, shall include as an option the location  
47 associated with the mobile telephone number.
- 48 (4) A sale of a private telecommunications service  
49 is sourced as follows:
- 50 (a) Service for a separate charge related to a

Page 102

1 customer channel termination point is sourced to each  
2 level of jurisdiction in which such customer channel  
3 termination point is located.

4 (b) Service where all customer termination points  
5 are located entirely within one jurisdiction or level  
6 of jurisdiction is sourced in such jurisdiction in  
7 which the customer channel termination points are  
8 located.

9 (c) Service for segments of a channel between two  
10 customer channel termination points located in  
11 different jurisdictions and which segments of a  
12 channel are separately charged is sourced fifty  
13 percent in each level of jurisdiction in which the  
14 customer channel termination points are located.

15 (d) Service for segments of a channel located in  
16 more than one jurisdiction or levels of jurisdiction  
17 and which segments are not separately billed is  
18 sourced in each jurisdiction based on the percentage  
19 determined by dividing the number of customer channel  
20 termination points in such jurisdiction by the total  
21 number of customer channel termination points.

22 Sec. 123. NEW SECTION. 423.21 BAD DEBT  
23 DEDUCTIONS.

24 1. For the purposes of this section, “bad debt”  
25 means an amount properly calculated pursuant to  
26 section 166 of the Internal Revenue Code then adjusted  
27 to exclude financing charges or interest, sales or use  
28 taxes charged on the purchase price, uncollectible  
29 amounts on property that remain in the possession of  
30 the seller until the full purchase price is paid,  
31 expenses incurred in attempting to collect any debt,  
32 and repossessed property.

33 2. In computing the amount of tax due, a seller  
34 may deduct bad debts from the total amount upon which  
35 the tax is calculated for any return. Any deduction  
36 taken or refund paid which is attributed to bad debts  
37 shall not include interest.

38 3. A seller may deduct bad debts on the return for  
39 the period during which the bad debt is written off as  
40 uncollectible in the seller’s books and records and is  
41 eligible to be deducted for federal income tax  
42 purposes. For purposes of this subsection, a seller  
43 who is not required to file federal income tax returns  
44 may deduct a bad debt on a return filed for the period  
45 in which the bad debt is written off as uncollectible  
46 in the seller’s books and records and would be  
47 eligible for a bad debt deduction for federal income  
48 tax purposes if the seller were required to file a  
49 federal income tax return.

50 4. If a deduction is taken for a bad debt and the

Page 103

1 seller subsequently collects the debt in whole or in  
2 part, the tax on the amount so collected must be paid  
3 and reported on the return filed for the period in  
4 which the collection is made.

5 5. A seller may obtain a refund of tax on any  
6 amount of bad debt that exceeds the amount of taxable  
7 sales within the period allowed for refund claims by  
8 section 423.47. However, the period allowed for  
9 refund claims shall be measured from the due date of  
10 the return on which the bad debt could first be  
11 claimed.

12 6. For the purposes of computing a bad debt  
13 deduction or reporting a payment received on a  
14 previously claimed bad debt, any payments made on a  
15 debt or account shall be applied first to the price of  
16 the property or service and tax thereon,  
17 proportionally, and secondly to interest, service  
18 charges, and any other charges.

19 Sec. 124. NEW SECTION. 423.22 TAXATION IN  
20 ANOTHER STATE.

21 If any person who causes tangible personal property  
22 to be brought into this state or who uses in this  
23 state services enumerated in section 423.2 has already  
24 paid a tax in another state in respect to the sale or  
25 use of the property or the performance of the service,  
26 or an occupation tax in respect to the property or  
27 service, in an amount less than the tax imposed by  
28 subchapter II or III, the provisions of those  
29 subchapters shall apply, but at a rate measured by the  
30 difference only between the rate fixed by subchapter  
31 II or III and the rate by which the previous tax on  
32 the sale or use, or the occupation tax, was computed.  
33 If the tax imposed and paid in the other state is  
34 equal to or more than the tax imposed by those  
35 subchapters, then a tax is not due in this state on  
36 the personal property or service.

37 Sec. 125. NEW SECTION. 423.23 SELLERS'  
38 AGREEMENTS.

39 Agreements between competing sellers, or the  
40 adoption of appropriate rules and regulations by  
41 organizations or associations of sellers to provide  
42 uniform methods for adding sales or use tax or the  
43 average equivalent thereof, and which do not involve  
44 price-fixing agreements otherwise unlawful, are  
45 expressly authorized and shall be held not in  
46 violation of chapter 553 or other antitrust laws of  
47 this state. The director shall cooperate with  
48 sellers, organizations, or associations in formulating  
49 agreements and rules.

50 Sec. 126. NEW SECTION. 423.24 ABSORBING TAX

Page 104

1 PROHIBITED.

2 A seller shall not advertise or hold out or state  
3 to the public or to any purchaser, consumer, or user,  
4 directly or indirectly, that the taxes or any parts  
5 thereof imposed by subchapter II or III will be  
6 assumed or absorbed by the seller or the taxes will  
7 not be added to the sales price of the property sold,  
8 or if added that the taxes or any part thereof will be  
9 refunded. Any person violating any of the provisions  
10 of this section within this state is guilty of a  
11 simple misdemeanor.

12 Sec. 127. NEW SECTION. 423.25 DIRECTOR'S POWER  
13 TO ADOPT RULES.

14 The director shall have the power to adopt rules  
15 for adding the taxes imposed by subchapters II and  
16 III, or the average equivalents thereof, by providing  
17 different methods applying uniformly to retailers  
18 within the same general classification for the purpose  
19 of enabling the retailers to add and collect, as far  
20 as practicable, the amounts of those taxes.

21 Sec. 128. NEW SECTION. 423.26 VEHICLES SUBJECT  
22 TO REGISTRATION OR ONLY TO THE ISSUANCE OF TITLE --  
23 MANUFACTURED HOUSING.

24 The use tax imposed upon the use of vehicles  
25 subject to registration or subject only to the  
26 issuance of a certificate of title or imposed upon the  
27 use of manufactured housing shall be paid by the owner  
28 of the vehicle or of the manufactured housing to the  
29 county treasurer or the state department of  
30 transportation from whom the registration receipt or  
31 certificate of title is obtained. A registration  
32 receipt for a vehicle subject to registration or  
33 certificate of title shall not be issued until the tax  
34 has been paid. The county treasurer or the state  
35 department of transportation shall require every  
36 applicant for a registration receipt for a vehicle  
37 subject to registration or certificate of title to  
38 supply information as the county treasurer or the  
39 director deems necessary as to the time of purchase,  
40 the purchase price, installed purchase price, and  
41 other information relative to the purchase of the  
42 vehicle or manufactured housing. On or before the  
43 tenth day of each month, the county treasurer or the  
44 state department of transportation shall remit to the  
45 department the amount of the taxes collected during  
46 the preceding month.

47 A person who willfully makes a false statement in  
48 regard to the purchase price of a vehicle subject to  
49 taxation under this section is guilty of a fraudulent  
50 practice. A person who willfully makes a false

Page 105

1 statement in regard to the purchase price of such a  
2 vehicle with the intent to evade the payment of tax  
3 shall be assessed a penalty of seventy-five percent of  
4 the amount of tax unpaid and required to be paid on  
5 the actual purchase price less trade-in allowance.

6 Sec. 129. NEW SECTION. 423.27 MOTOR VEHICLE  
7 LEASE TAX.

8 1. The use tax imposed upon the use of leased  
9 vehicles subject to registration under chapter 321,  
10 with gross vehicle weight ratings of less than sixteen  
11 thousand pounds, excluding motorcycles and motorized  
12 bicycles, which are leased by a lessor licensed  
13 pursuant to chapter 321F for a period of twelve months  
14 or more shall be paid by the owner of the vehicle to  
15 the county treasurer or state department of  
16 transportation from whom the registration receipt or  
17 certificate of title is obtained. A registration  
18 receipt for a vehicle subject to registration or  
19 issuance of a certificate of title shall not be issued  
20 until the tax is paid in the initial instance. Tax on  
21 the lease transaction that does not require titling or  
22 registration of the vehicle shall be remitted to the  
23 department. Tax and the reporting of tax due to the  
24 department shall be remitted on or before fifteen days  
25 from the last day of the month that the vehicle lease  
26 tax becomes due. Failure to timely report or remit  
27 any of the tax when due shall result in a penalty and  
28 interest being imposed on the tax due pursuant to  
29 section 423.40, subsection 1, and section 423.42,  
30 subsection 1.

31 2. The amount subject to tax shall be computed on  
32 each separate lease transaction by taking the total of  
33 the lease payments, plus the down payment, and  
34 excluding all of the following:

- 35 a. Title fee.
- 36 b. Registration fees.
- 37 c. Vehicle lease tax pursuant to this section.
- 38 d. Federal excise taxes attributable to the sale  
39 of the vehicle to the owner or to the lease of the  
40 vehicle by the owner.
- 41 e. Optional service or warranty contracts subject  
42 to tax pursuant to section 423.2, subsection 1.
- 43 f. Insurance.
- 44 g. Manufacturer's rebate.
- 45 h. Refundable deposit.
- 46 i. Finance charges, if any, on items listed in  
47 paragraphs "a" through "h".

48 If any or all of the items in paragraphs "a"  
49 through "i" are excluded from the taxable lease price,  
50 the owner shall maintain adequate records of the

Page 106

1 amounts of those items. If the parties to a lease  
2 enter into an agreement providing that the tax imposed  
3 under this statute is to be paid by the lessee or  
4 included in the monthly lease payments to be paid by  
5 the lessee, the total cost of the tax shall not be  
6 included in the computation of lease price for the  
7 purpose of taxation under this section. The county  
8 treasurer, the state department of transportation, or  
9 the department of revenue and finance shall require  
10 every applicant for a registration receipt for a  
11 vehicle subject to tax under this section to supply  
12 information as the county treasurer or director deems  
13 necessary as to the date of the lease transaction, the  
14 lease price, and other information relative to the  
15 lease of the vehicle.

16 3. On or before the tenth day of each month, the  
17 county treasurer or the state department of  
18 transportation shall remit to the department the  
19 amount of the taxes collected during the preceding  
20 month.

21 4. If the lease is terminated prior to the  
22 termination date contained in the lease agreement, no  
23 refund shall be allowed for tax previously paid under  
24 this section, except as provided in section 322G.4.

25 Sec. 130. NEW SECTION. 423.28 SALES TAX REPORT  
26 -- DEDUCTION.

27 Motor vehicle or trailer dealers, in making their  
28 reports and returns to the department for the purpose  
29 of paying the sales tax, shall be permitted to deduct  
30 all sales prices from retail sales of vehicles subject  
31 to registration or subject only to the issuance of a  
32 certificate of title. Sales prices from sales of  
33 vehicles subject to registration or subject only to  
34 the issuance of a certificate of title are exempted  
35 from the sales tax, but, if required by the director,  
36 the sales prices shall be included in the returns made  
37 by motor vehicle or trailer dealers under subchapter  
38 II, and proper deductions taken pursuant to this  
39 section.

40 Sec. 131. NEW SECTION. 423.29 COLLECTIONS BY  
41 SELLERS.

42 Every seller who is a retailer and who is making  
43 taxable sales of tangible personal property in Iowa  
44 shall, at the time of selling the property, collect  
45 the sales tax. Every seller who is a retailer  
46 maintaining a place of business in this state and  
47 selling tangible personal property for use in Iowa  
48 shall, at the time of making the sale, whether within  
49 or without the state, collect the use tax. Sellers  
50 required to collect sales or use tax shall give to any

Page 107

1 purchaser a receipt for the tax collected in the  
2 manner and form prescribed by the director.

3 Every seller who is a retailer furnishing taxable  
4 services in Iowa and every seller who is a retailer  
5 maintaining a place of business in this state and  
6 furnishing taxable services in Iowa or services  
7 outside Iowa if the product or result of the service  
8 is used in Iowa shall be subject to the provisions of  
9 the preceding paragraph.

10 Sec. 132. NEW SECTION. 423.30 FOREIGN SELLERS  
11 NOT REGISTERED UNDER THE AGREEMENT.

12 The director may, upon application, authorize the  
13 collection of the use tax by any seller who is a  
14 retailer not maintaining a place of business within  
15 this state and not registered under the agreement,  
16 who, to the satisfaction of the director, furnishes  
17 adequate security to ensure collection and payment of  
18 the tax. Such sellers shall be issued, without  
19 charge, permits to collect tax subject to any  
20 regulations which the director shall prescribe. When  
21 so authorized, it shall be the duty of foreign sellers  
22 to collect the tax upon all tangible personal property  
23 sold, to the retailer's knowledge, for use within this  
24 state, in the same manner and subject to the same  
25 requirements as a retailer maintaining a place of  
26 business within this state. The authority and permit  
27 may be canceled when, at any time, the director  
28 considers the security inadequate, or that tax can  
29 more effectively be collected from the person using  
30 property in this state.

31 The discretionary power granted in this section is  
32 extended to apply in the case of foreign retailers  
33 furnishing services enumerated in section 423.2.

34 Sec. 133. NEW SECTION. 423.31 FILING OF SALES  
35 TAX RETURNS AND PAYMENT OF SALES TAX.

36 1. Each person subject to this section and section  
37 423.36 and in accordance with the provisions of this  
38 section and section 423.36 shall, on or before the  
39 last day of the month following the close of each  
40 calendar quarter during which such person is or has  
41 become or ceased being subject to the provisions of  
42 this section and section 423.36, make, sign, and file  
43 a return for the calendar quarter in the form as may  
44 be required. Returns shall show information relating  
45 to sales prices including goods, wares, and services  
46 converted to the use of such person, the amounts of  
47 sales prices excluded and exempt from the tax, the  
48 amounts of sales prices subject to tax, a calculation  
49 of tax due, and any other information for the period  
50 covered by the return as may be required. Returns

Page 108

1 shall be signed by the retailer or the retailer's  
2 authorized agent and must be certified by the retailer  
3 to be correct in accordance with forms and rules  
4 prescribed by the director.

5 2. Persons required to file, or committed to file  
6 by reason of voluntary action or by order of the  
7 department, deposits of taxes due under this  
8 subchapter shall be entitled to take credit against  
9 the total quarterly amount of tax due such amount as  
10 shall have been deposited by such persons during that  
11 calendar quarter. The balance remaining due after  
12 such credit for deposits shall be entered on the  
13 return. However, such person may be granted an  
14 extension of time not exceeding thirty days for filing  
15 the quarterly return, upon a proper showing of  
16 necessity. If an extension is granted, such person  
17 shall have paid by the twentieth day of the month  
18 following the close of such quarter ninety percent of  
19 the estimated tax due.

20 3. The sales tax forms prescribed by the director  
21 shall be referred to as "retailers tax deposit".  
22 Deposit forms shall be signed by the retailer or the  
23 retailer's duly authorized agent, and shall be duly  
24 certified by the retailer or agent to be correct. The  
25 director may authorize incorporated banks and trust  
26 companies or other depositories authorized by law  
27 which are depositories or financial agents of the  
28 United States, or of this state, to receive any sales  
29 tax imposed under this chapter, in the manner, at the  
30 times, and under the conditions the director  
31 prescribes. The director shall prescribe the manner,  
32 times, and conditions under which the receipt of the  
33 tax by those depositories is to be treated as payment  
34 of the tax to the department.

35 4. Every retailer at the time of making any return  
36 required by this section shall compute and pay to the  
37 department the tax due for the preceding period. The  
38 tax on sales prices from the sale or rental of  
39 tangible personal property under a consumer rental  
40 purchase agreement as defined in section 537.3604,  
41 subsection 8, is payable in the tax period of receipt.

42 5. Upon making application and receiving approval  
43 from the director, a parent corporation and its  
44 affiliated corporations that make retail sales of  
45 tangible personal property or taxable enumerated  
46 services may make deposits and file a consolidated  
47 sales tax return for the affiliated group, pursuant to  
48 rules adopted by the director. A parent corporation  
49 and each affiliate corporation that files a  
50 consolidated return are jointly and severally liable

Page 109

1 for all tax, penalty, and interest found due for the  
2 tax period for which a consolidated return is filed or  
3 required to be filed.

4 A business required to file a consolidated sales  
5 tax return shall file a form entitled "schedule of  
6 consolidated business locations" with its quarterly  
7 sales tax return that shows the taxpayer's  
8 consolidated permit number, the permit number for each  
9 Iowa business location, the state sales tax amount by  
10 business location, and the amount of state sales tax  
11 due on goods consumed that are not assigned to a  
12 specific business location. Consolidated quarterly  
13 sales tax returns that are not accompanied by the  
14 schedule of consolidated business locations form are  
15 considered incomplete and are subject to penalty under  
16 section 421.27.

17 6. If necessary or advisable in order to insure  
18 the payment of the tax, the director may require  
19 returns and payment of the tax to be made for other  
20 than quarterly periods, the provisions of this  
21 section, or other provision to the contrary  
22 notwithstanding.

23 Sec. 134. NEW SECTION. 423.32 FILING OF USE TAX  
24 RETURNS AND PAYMENT OF USE TAX.

25 1. A retailer maintaining a place of business in  
26 this state who is required to collect or a user who is  
27 required to pay the use tax or a foreign retailer  
28 authorized, pursuant to section 423.30, to collect the  
29 use tax, shall remit to the department the amount of  
30 tax on or before the last day of the month following  
31 each calendar quarterly period. However, a retailer  
32 who collects or owes more than fifteen hundred dollars  
33 in use taxes in a month shall deposit with the  
34 department or in a depository authorized by law and  
35 designated by the director, the amount collected or  
36 owed, with a deposit form for the month as prescribed  
37 by the director.

38 a. The deposit form is due on or before the  
39 twentieth day of the month following the month of  
40 collection, except a deposit is not required for the  
41 third month of the calendar quarter, and the total  
42 quarterly amount, less the amounts deposited for the  
43 first two months of the quarter, is due with the  
44 quarterly report on the last day of the month  
45 following the month of collection. At that time, the  
46 retailer shall file with the department a return for  
47 the preceding quarterly period in the form prescribed  
48 by the director showing the purchase price of the  
49 tangible personal property sold by the retailer during  
50 the preceding quarterly period, the use of which is

Page 110

1 subject to the use tax imposed by this chapter, and  
2 other information the director deems necessary for the  
3 proper administration of the use tax.

4 b. The return shall be accompanied by a remittance  
5 of the use tax for the period covered by the return.  
6 If necessary in order to ensure payment to the state  
7 of the tax, the director may in any or all cases  
8 require returns and payments to be made for other than  
9 quarterly periods. The director, upon request and a  
10 proper showing of necessity, may grant an extension of  
11 time not to exceed thirty days for making any return  
12 and payment. Returns shall be signed, in accordance  
13 with forms and rules prescribed by the director, by  
14 the retailer or the retailer's authorized agent, and  
15 shall be certified by the retailer or agent to be  
16 correct.

17 2. If it is reasonably expected, as determined by  
18 rules prescribed by the director, that a retailer's  
19 annual sales or use tax liability will not exceed one  
20 hundred twenty dollars for a calendar year, the  
21 retailer may request and the director may grant  
22 permission to the retailer, in lieu of the quarterly  
23 filing and remitting requirements set out elsewhere in  
24 this section, to file the return required by and remit  
25 the sales or use tax due under this section on a  
26 calendar-year basis. The return and tax are due and  
27 payable no later than January 31 following each  
28 calendar year in which the retailer carries on  
29 business.

30 3. The director, in cooperation with the  
31 department of management, may periodically change the  
32 filing and remittance thresholds by administrative  
33 rule if in the best interests of the state and  
34 taxpayer to do so.

35 Sec. 135. NEW SECTION. 423.33 LIABILITY OF  
36 PERSONS OTHER THAN RETAILERS FOR PAYMENT OF SALES OR  
37 USE TAX.

38 1. LIABILITY OF PURCHASER FOR SALES TAX. If a  
39 purchaser fails to pay sales tax to the retailer  
40 required to collect the tax, then in addition to all  
41 of the rights, obligations, and remedies provided, the  
42 tax is payable by the purchaser directly to the  
43 department, and sections 423.31, 423.32, 423.37,  
44 423.38, 423.39, 423.40, 423.41, and 423.42 apply to  
45 the purchaser. For failure to pay, the retailer and  
46 purchaser are liable, unless the circumstances  
47 described in section 421.60, subsection 2, paragraph  
48 "m", or section 423.45, subsection 4, paragraph "b" or  
49 "e", or subsection 5, paragraph "c" or "e", are  
50 applicable.

Page 111

1 2. IMMEDIATE SUCCESSOR LIABILITY FOR SALES OR USE  
2 TAX. If a retailer sells the retailer's business or  
3 stock of goods or quits the business, the retailer  
4 shall prepare a final return and pay all sales or use  
5 tax due within the time required by law. The  
6 immediate successor to the retailer, if any, shall  
7 withhold a sufficient portion of the purchase price,  
8 in money or money's worth, to pay the amount of  
9 delinquent tax, interest, or penalty due and unpaid.  
10 If the immediate successor of the business or stock of  
11 goods intentionally fails to withhold the amount due  
12 from the purchase price as provided in this  
13 subsection, the immediate successor is personally  
14 liable for the payment of delinquent taxes, interest,  
15 and penalty accrued and unpaid on account of the  
16 operation of the business by the immediate former  
17 retailer, except when the purchase is made in good  
18 faith as provided in section 421.28. However, a  
19 person foreclosing on a valid security interest or  
20 retaking possession of premises under a valid lease is  
21 not an "immediate successor" for purposes of this  
22 section. The department may waive the liability of  
23 the immediate successor under this subsection if the  
24 immediate successor exercised good faith in  
25 establishing the amount of the previous liability.

26 3. EVENT SPONSOR'S LIABILITY FOR SALES TAX. A  
27 person sponsoring a flea market or a craft, antique,  
28 coin, or stamp show or similar event shall obtain from  
29 every retailer selling tangible personal property or  
30 taxable services at the event proof that the retailer  
31 possesses a valid sales tax permit or secure from the  
32 retailer a statement, taken in good faith, that  
33 property or services offered for sale are not subject  
34 to sales tax. Failure to do so renders a sponsor of  
35 the event liable for payment of any sales tax,  
36 interest, and penalty due and owing from any retailer  
37 selling property or services at the event. Sections  
38 423.31, 423.32, 423.37, 423.38, 423.39, 423.40,  
39 423.41, and 423.42 apply to the sponsors. For  
40 purposes of this subsection, a person sponsoring a  
41 flea market or a craft, antique, coin, or stamp show  
42 or similar event does not include an organization  
43 which sponsors an event less than three times a year  
44 or a state, county, or district agricultural fair.

45 Sec. 136. NEW SECTION. 423.34 LIABILITY OF USER.  
46 Any person who uses any property or services  
47 enumerated in section 423.2 upon which the use tax has  
48 not been paid, either to the county treasurer or to a  
49 retailer or direct to the department as required by  
50 this subchapter, shall be liable for the payment of

Page 112

1 tax, and shall on or before the last day of the month  
2 next succeeding each quarterly period pay the use tax  
3 upon all property or services used by the person  
4 during the preceding quarterly period in the manner  
5 and accompanied by such returns as the director shall  
6 prescribe. All of the provisions of sections 423.32  
7 and 423.33 with reference to the returns and payments  
8 shall be applicable to the returns and payments  
9 required by this section.

10 Sec. 137. NEW SECTION. 423.35 POSTING OF BOND TO  
11 SECURE PAYMENT.

12 The director may, when necessary and advisable in  
13 order to secure the collection of the sales or use  
14 tax, authorize any person subject to either tax, and  
15 any retailer required or authorized to collect those  
16 taxes pursuant to the provisions of section 423.14, to  
17 file with the department a bond, issued by a surety  
18 company authorized to transact business in this state  
19 and approved by the insurance commissioner as to  
20 solvency and responsibility, in an amount as the  
21 director may fix, to secure the payment of any tax,  
22 interest, or penalties due or which may become due  
23 from such person. In lieu of a bond, securities  
24 approved by the director, in an amount which the  
25 director may prescribe, may be deposited with the  
26 department, which securities shall be kept in the  
27 custody of the department and may be sold by the  
28 director at public or private sale, without notice to  
29 the depositor, if it becomes necessary to do so in  
30 order to recover any tax, interest, or penalties due.  
31 Upon the sale, the surplus, if any, above the amounts  
32 due under this chapter shall be returned to the person  
33 who deposited the securities.

34 Sec. 138. NEW SECTION. 423.36 PERMITS REQUIRED  
35 TO COLLECT SALES OR USE TAX -- APPLICATIONS --  
36 REVOCATION.

37 1. A person shall not engage in or transact  
38 business as a retailer making taxable sales of  
39 tangible personal property or furnishing services  
40 within this state or as a retailer making taxable  
41 sales of tangible personal property or furnishing  
42 services for use within this state, unless a permit  
43 has been issued to the retailer under this section,  
44 except as provided in subsection 6. Every person  
45 desiring to engage in or transact business as a  
46 retailer shall file with the department an application  
47 for a permit to collect sales or use tax. Every  
48 application for a sales or use tax permit shall be  
49 made upon a form prescribed by the director and shall  
50 set forth any information the director may require.

Page 113

1 The application shall be signed by an owner of the  
2 business if a natural person; in the case of a  
3 retailer which is an association or partnership, by a  
4 member or partner; and in the case of a retailer which  
5 is a corporation, by an executive officer or some  
6 person specifically authorized by the corporation to  
7 sign the application, to which shall be attached the  
8 written evidence of the person's authority.

9 2. To collect sales or use tax, the applicant must  
10 have a permit for each place of business in the state  
11 of Iowa. The department may deny a permit to an  
12 applicant who is substantially delinquent in paying a  
13 tax due, or the interest or penalty on the tax,  
14 administered by the department at the time of  
15 application. If the applicant is a partnership, a  
16 permit may be denied if a partner is substantially  
17 delinquent in paying any delinquent tax, penalty, or  
18 interest. If the applicant is a corporation, a permit  
19 may be denied if any officer having a substantial  
20 legal or equitable interest in the ownership of the  
21 corporation owes any delinquent tax, penalty, or  
22 interest.

23 3. The department shall grant and issue to each  
24 applicant a permit for each place of business in this  
25 state where sales or use tax is collected. A permit  
26 is not assignable and is valid only for the person in  
27 whose name it is issued and for the transaction of  
28 business at the place designated or at a place of  
29 relocation within the state if the ownership remains  
30 the same.

31 If an applicant is making sales outside Iowa for  
32 use in this state or furnishing services outside Iowa,  
33 the product or result of which will be used in this  
34 state, that applicant shall be issued one use tax  
35 permit by the department applicable to these out-of-  
36 state sales or services.

37 4. Permits issued under this section are valid and  
38 effective until revoked by the department.

39 5. If the holder of a permit fails to comply with  
40 any of the provisions of this subchapter or of  
41 subchapter II or III or any order or rule of the  
42 department adopted under those subchapters or is  
43 substantially delinquent in the payment of a tax  
44 administered by the department or the interest or  
45 penalty on the tax, or if the person is a corporation  
46 and if any officer having a substantial legal or  
47 equitable interest in the ownership of the corporation  
48 owes any delinquent tax of the permit-holding  
49 corporation, or interest or penalty on the tax,  
50 administered by the department, the director may

Page 114

1 revoke the permit. The director shall send notice by  
2 mail to a permit holder informing that person of the  
3 director's intent to revoke the permit and of the  
4 permit holder's right to a hearing on the matter. If  
5 the permit holder petitions the director for a hearing  
6 on the proposed revocation, after giving ten days'  
7 notice of the time and place of the hearing in  
8 accordance with section 17A.18, subsection 3, the  
9 matter may be heard and a decision rendered. The  
10 director may restore permits after revocation. The  
11 director shall adopt rules setting forth the period of  
12 time a retailer must wait before a permit may be  
13 restored or a new permit may be issued. The waiting  
14 period shall not exceed ninety days from the date of  
15 the revocation of the permit.

16 6. Sellers who are not regularly engaged in  
17 selling at retail and do not have a permanent place of  
18 business, but who are temporarily engaged in selling  
19 from trucks, portable roadside stands, concessionaires  
20 at state, county, district, or local fairs, carnivals,  
21 or the like, shall report and remit the sales tax on a  
22 temporary basis, under rules the director shall  
23 provide for the efficient collection of the sales tax.  
24 This subsection applies to sellers who are temporarily  
25 engaged in furnishing services.

26 Persons engaged in selling tangible personal  
27 property or furnishing services shall not be required  
28 to obtain or retain a sales tax permit for a place of  
29 business at which taxable sales of tangible personal  
30 property or taxable performance of services will not  
31 occur.

32 7. The provisions of subsection 1, dealing with  
33 the lawful right of a retailer to transact business,  
34 as applicable, apply to persons having receipts from  
35 furnishing services enumerated in section 423.2,  
36 except that a person holding a permit pursuant to  
37 subsection 1 shall not be required to obtain any  
38 separate sales tax permit for the purpose of engaging  
39 in business involving the services.

40 8. a. Except as provided in paragraph "b",  
41 purchasers, users, and consumers of tangible personal  
42 property or enumerated services taxed pursuant to  
43 subchapter II or III of this chapter or chapters 423B  
44 and 423E may be authorized, pursuant to rules adopted  
45 by the director, to remit tax owed directly to the  
46 department instead of the tax being collected and paid  
47 by the seller. To qualify for a direct pay tax  
48 permit, the purchaser, user, or consumer must accrue a  
49 tax liability of more than four thousand dollars in  
50 tax under subchapters II and III in a semimonthly

Page 115

1 period and make deposits and file returns pursuant to  
2 section 423.31. This authority shall not be granted  
3 or exercised except upon application to the director  
4 and then only after issuance by the director of a  
5 direct pay tax permit.

6 b. The granting of a direct pay tax permit is not  
7 authorized for any of the following:

8 (1) Taxes imposed on the sales, furnishing, or  
9 service of gas, electricity, water, heat, pay  
10 television service, and communication service.

11 (2) Taxes imposed under sections 423.26 and 423.27  
12 and chapter 423C.

13 Sec. 139. NEW SECTION. 423.37 FAILURE TO FILE  
14 SALES OR USE TAX RETURNS -- INCORRECT RETURNS.

15 1. As soon as practicable after a return is filed  
16 and in any event within three years after the return  
17 is filed, the department shall examine it, assess and  
18 determine the tax due if the return is found to be  
19 incorrect, and give notice to the person liable for  
20 the tax of the assessment and determination as  
21 provided in subsection 2. The period for the  
22 examination and determination of the correct amount of  
23 tax is unlimited in the case of a false or fraudulent  
24 return made with the intent to evade tax or in the  
25 case of a failure to file a return.

26 2. If a return required by this subchapter is not  
27 filed, or if a return when filed is incorrect or  
28 insufficient and the maker fails to file a corrected  
29 or sufficient return within twenty days after the same  
30 is required by notice from the department, the  
31 department shall determine the amount of tax due from  
32 information as the department may be able to obtain  
33 and, if necessary, may estimate the tax on the basis  
34 of external indices, such as number of employees of  
35 the person concerned, rentals paid by the person,  
36 stock on hand, or other factors. The department shall  
37 give notice of the determination to the person liable  
38 for the tax. The determination shall fix the tax  
39 unless the person against whom it is assessed shall,  
40 within sixty days after the giving of notice of the  
41 determination, apply to the director for a hearing or  
42 unless the taxpayer contests the determination by  
43 paying the tax, interest, and penalty and timely  
44 filing a claim for refund. At the hearing evidence  
45 may be offered to support the determination or to  
46 prove that it is incorrect. After the hearing the  
47 director shall give notice of the decision to the  
48 person liable for the tax.

49 3. The three-year period of limitation provided in  
50 subsection 1 may be extended by a taxpayer by signing

Page 116

1 a waiver agreement form to be provided by the  
2 department. The agreement shall stipulate the period  
3 of extension and the tax period to which the extension  
4 applies. The agreement shall also provide that a  
5 claim for refund may be filed by the taxpayer at any  
6 time during the period of extension.

7 Sec. 140. NEW SECTION. 423.38 JUDICIAL REVIEW.

8 1. Judicial review of actions of the director may  
9 be sought in accordance with the terms of the Iowa  
10 administrative procedure Act.

11 2. For cause and upon a showing by the director  
12 that collection of the tax in dispute is in doubt, the  
13 court may order the petitioner to file with the clerk  
14 a bond for the use of the respondent, with sureties  
15 approved by the clerk, in the amount of tax appealed  
16 from, conditioned that the petitioner shall perform  
17 the orders of the court.

18 3. An appeal may be taken by the taxpayer or the  
19 director to the supreme court of this state  
20 irrespective of the amount involved.

21 Sec. 141. NEW SECTION. 423.39 SERVICE OF  
22 NOTICES.

23 1. A notice authorized or required under this  
24 subchapter may be given by mailing the notice to the  
25 person for whom it is intended, addressed to that  
26 person at the address given in the last return filed  
27 by the person pursuant to this subchapter, or if no  
28 return has been filed, then to any address obtainable.  
29 The mailing of the notice is presumptive evidence of  
30 the receipt of the notice by the person to whom  
31 addressed. Any period of time which is determined  
32 according to this subchapter by the giving of notice  
33 commences to run from the date of mailing of the  
34 notice.

35 2. The provisions of the Code relative to the  
36 limitation of time for the enforcement of a civil  
37 remedy shall not apply to any proceeding or action  
38 taken to levy, appraise, assess, determine, or enforce  
39 the collection of any tax or penalty provided by this  
40 chapter.

41 Sec. 142. NEW SECTION. 423.40 PENALTIES --  
42 OFFENSES -- LIMITATION.

43 1. In addition to the sales or use tax or  
44 additional sales or use tax, the taxpayer shall pay a  
45 penalty as provided in section 421.27. The taxpayer  
46 shall also pay interest on the sales or use tax or  
47 additional sales or use tax at the rate in effect  
48 under section 421.7 for each month counting each  
49 fraction of a month as an entire month, computed from  
50 the date the semimonthly or monthly tax deposit form

Page 117

1 or return was required to be filed. The penalty and  
2 interest shall be paid to the department and disposed  
3 of in the same manner as other receipts under this  
4 subchapter. Unpaid penalties and interest may be  
5 enforced in the same manner as the taxes imposed by  
6 this chapter.

7 2. a. Any person who knowingly sells tangible  
8 personal property, tickets or admissions to places of  
9 amusement and athletic events, or gas, water,  
10 electricity, or communication service at retail, or  
11 engages in the furnishing of services enumerated in  
12 section 423.2, in this state without procuring a  
13 permit to collect tax, as provided in section 423.36,  
14 or who violates section 423.24 and the officers of any  
15 corporation who so act are guilty of a serious  
16 misdemeanor.

17 b. A person who knowingly sells tangible personal  
18 property, tickets or admissions to places of amusement  
19 and athletic events, or gas, water, electricity, or  
20 communication service at retail, or engages in the  
21 furnishing of services enumerated in section 423.2, in  
22 this state after the person's sales tax permit has  
23 been revoked and before it has been restored as  
24 provided in section 423.36, subsection 5, and the  
25 officers of any corporation who so act are guilty of  
26 an aggravated misdemeanor.

27 3. A person who willfully attempts in any manner  
28 to evade any tax imposed by this chapter or the  
29 payment of the tax or a person who makes or causes to  
30 be made a false or fraudulent semimonthly or monthly  
31 tax deposit form or return with intent to evade any  
32 tax imposed by subchapter II or III or the payment of  
33 the tax is guilty of a class "D" felony.

34 4. The certificate of the director to the effect  
35 that a tax has not been paid, that a return has not  
36 been filed, or that information has not been supplied  
37 pursuant to the provisions of this subchapter shall be  
38 prima facie evidence thereof.

39 5. A person required to pay sales or use tax, or  
40 to make, sign, or file a tax deposit form or return or  
41 supplemental return, who willfully makes a false or  
42 fraudulent tax deposit form or return, or willfully  
43 fails to pay at least ninety percent of the tax or  
44 willfully fails to make, sign, or file the tax deposit  
45 form or return, at the time required by law, is guilty  
46 of a fraudulent practice.

47 6. A prosecution for an offense specified in this  
48 section shall be commenced within six years after its  
49 commission.

50 Sec. 143. NEW SECTION. 423.41 BOOKS --

Page 118

1 EXAMINATION.

2 Every retailer required or authorized to collect  
3 taxes imposed by this chapter and every person using  
4 in this state tangible personal property, services, or  
5 the product of services shall keep records, receipts,  
6 invoices, and other pertinent papers as the director  
7 shall require, in the form that the director shall  
8 require, for as long as the director has the authority  
9 to examine and determine tax due. The director or any  
10 duly authorized agent of the department may examine  
11 the books, papers, records, and equipment of any  
12 person either selling tangible personal property or  
13 services or liable for the tax imposed by this  
14 chapter, and investigate the character of the business  
15 of any person in order to verify the accuracy of any  
16 return made, or if a return was not made by the  
17 person, ascertain and determine the amount due under  
18 this chapter. These books, papers, and records shall  
19 be made available within this state for examination  
20 upon reasonable notice when the director deems it  
21 advisable and so orders. The preceding requirements  
22 shall likewise apply to users and persons furnishing  
23 services enumerated in section 423.2.

24 Sec. 144. NEW SECTION. 423.42 STATUTES  
25 APPLICABLE.

26 1. The director shall administer the taxes imposed  
27 by subchapters II and III in the same manner and  
28 subject to all the provisions of, and all of the  
29 powers, duties, authority, and restrictions contained  
30 in, section 422.25, subsection 4, section 422.30, and  
31 sections 422.67 through 422.75.

32 2. All the provisions of section 422.26 shall  
33 apply in respect to the taxes and penalties imposed by  
34 subchapters II and III and this subchapter, except  
35 that, as applied to any tax imposed by subchapters II  
36 and III, the lien provided in section 422.26 shall be  
37 prior and paramount over all subsequent liens upon any  
38 personal property within this state, or right to such  
39 personal property, belonging to the taxpayer without  
40 the necessity of recording as provided in section  
41 422.26. The requirements for recording shall, as  
42 applied to the taxes imposed by subchapters II and  
43 III, apply only to the liens upon real property. When  
44 requested to do so by any person from whom a taxpayer  
45 is seeking credit, or with whom the taxpayer is  
46 negotiating the sale of any personal property, or by  
47 any other person having a legitimate interest in such  
48 information, the director shall, upon being satisfied  
49 that such a situation exists, inform that person as to  
50 the amount of unpaid taxes due by such taxpayer under

Page 119

1 the provisions of subchapters II and III. The giving  
2 of this information under these circumstances shall  
3 not be deemed a violation of section 422.72 as applied  
4 to subchapters II and III.  
5 Sec. 145. NEW SECTION. 423.43 DEPOSIT OF REVENUE  
6 -- APPROPRIATIONS.  
7 Except as otherwise provided in section 312.2,  
8 subsection 15, all revenues derived from the use tax  
9 on motor vehicles, trailers, and motor vehicle  
10 accessories and equipment as collected pursuant to  
11 sections 423.26 and 423.27 shall be deposited and  
12 credited to the road use tax fund and shall be used  
13 exclusively for the construction, maintenance, and  
14 supervision of public highways.  
15 1. Notwithstanding any provision of this section  
16 which provides that all revenues derived from the use  
17 tax on motor vehicles, trailers, and motor vehicle  
18 accessories and equipment as collected pursuant to  
19 sections 423.26 and 423.27 shall be deposited and  
20 credited to the road use tax fund, eighty percent of  
21 the revenues shall be deposited and credited as  
22 follows:  
23 a. Twenty-five percent of all such revenue, up to  
24 a maximum of four million two hundred fifty thousand  
25 dollars per quarter, shall be deposited into and  
26 credited to the Iowa comprehensive petroleum  
27 underground storage tank fund created in section  
28 455G.3, and the moneys so deposited are a continuing  
29 appropriation for expenditure under chapter 455G, and  
30 moneys so appropriated shall not be used for other  
31 purposes.  
32 b. Any such revenues remaining shall be credited  
33 to the road use tax fund.  
34 2. Notwithstanding any other provision of this  
35 section that provides that all revenue derived from  
36 the use tax on motor vehicles, trailers, and motor  
37 vehicle accessories and equipment as collected  
38 pursuant to section 423.26 shall be deposited and  
39 credited to the road use tax fund, twenty percent of  
40 the revenues shall be credited and deposited as  
41 follows: one-half to the road use tax fund and one-  
42 half to the primary road fund to be used for the  
43 commercial and industrial highway network.  
44 3. All other revenue arising under the operation  
45 of this chapter shall be credited to the general fund  
46 of the state.  
47 Sec. 146. NEW SECTION. 423.44 REIMBURSEMENT FOR  
48 PRIMARY ROAD FUND.  
49 From moneys deposited into the road use tax fund,  
50 the department may credit to the primary road fund any

Page 120

1 amount of revenues derived from the use tax on motor  
2 vehicles, trailers, and motor vehicle accessories and  
3 equipment as collected pursuant to sections 423.26 and  
4 423.27 to the extent necessary to reimburse that fund  
5 for the expenditures not otherwise eligible to be made  
6 from the primary road fund, which are made for  
7 repairing, improving, and maintaining bridges over the  
8 rivers bordering the state. Expenditures for those  
9 portions of bridges within adjacent states may be  
10 included when they are made pursuant to an agreement  
11 entered into under section 313.63, 313A.34, or 314.10.  
12 Sec. 147. NEW SECTION. 423.45 REFUNDS --  
13 EXEMPTION CERTIFICATES.

14 1. If an amount of tax represented by a retailer  
15 to a consumer or user as constituting tax due is  
16 computed upon a sales price that is not taxable or the  
17 amount represented is in excess of the actual taxable  
18 amount and the amount represented is actually paid by  
19 the consumer or user to the retailer, the excess  
20 amount of tax paid shall be returned to the consumer  
21 or user upon notification to the retailer by the  
22 department that an excess payment exists.

23 2. If an amount of tax represented by a retailer  
24 to a consumer or user as constituting tax due is  
25 computed upon a sales price that is not taxable or the  
26 amount represented is in excess of the actual taxable  
27 amount and the amount represented is actually paid by  
28 the consumer or user to the retailer, the excess  
29 amount of tax paid shall be returned to the consumer  
30 or user upon proper notification to the retailer by  
31 the consumer or user that an excess payment exists.  
32 "Proper" notification is written notification which  
33 allows a retailer at least sixty days to respond and  
34 which contains enough information to allow a retailer  
35 to determine the validity of a consumer's or user's  
36 claim that an excess amount of tax has been paid. No  
37 cause of action shall accrue against a retailer for  
38 excess tax paid until sixty days after proper notice  
39 has been given the retailer by the consumer or user.

40 3. In the circumstances described in subsections 1  
41 and 2, a retailer has the option to either return any  
42 excess amount of tax paid to a consumer or user, or to  
43 remit the amount which a consumer or user has paid to  
44 the retailer to the department.

45 4. a. The department shall issue or the seller  
46 may separately provide exemption certificates in the  
47 form prescribed by the director, including  
48 certificates not made of paper, which conform to the  
49 requirements of paragraph "c", to assist retailers in  
50 properly accounting for nontaxable sales of tangible

Page 121

1 personal property or services to purchasers for a  
2 nontaxable purpose. The department shall also allow  
3 the use of exemption certificates for those  
4 circumstances in which a sale is taxable but the  
5 seller is not obligated to collect tax from the buyer.

6 b. The sales tax liability for all sales of  
7 tangible personal property and all sales of services  
8 is upon the seller and the purchaser unless the seller  
9 takes in good faith from the purchaser a valid  
10 exemption certificate stating under penalty of perjury  
11 that the purchase is for a nontaxable purpose and is  
12 not a retail sale as defined in section 423.1, or the  
13 seller is not obligated to collect tax due, or unless  
14 the seller takes a fuel exemption certificate pursuant  
15 to subsection 5. If the tangible personal property or  
16 services are purchased tax free pursuant to a valid  
17 exemption certificate which is taken in good faith by  
18 the seller, and the tangible personal property or  
19 services are used or disposed of by the purchaser in a  
20 nonexempt manner, the purchaser is solely liable for  
21 the taxes and shall remit the taxes directly to the  
22 department and sections 423.31, 423.32, 423.37,  
23 423.38, 423.39, 423.40, 423.41, and 423.42 shall apply  
24 to the purchaser.

25 c. A valid exemption certificate is an exemption  
26 certificate which is complete and correct according to  
27 the requirements of the director.

28 d. A valid exemption certificate is taken in good  
29 faith by the seller when the seller has exercised that  
30 caution and diligence which honest persons of ordinary  
31 prudence would exercise in handling their own business  
32 affairs, and includes an honesty of intention and  
33 freedom from knowledge of circumstances which ought to  
34 put one upon inquiry as to the facts. In order for a  
35 seller to take a valid exemption certificate in good  
36 faith, the seller must exercise reasonable prudence to  
37 determine the facts supporting the valid exemption  
38 certificate, and if any facts upon such certificate  
39 would lead a reasonable person to further inquiry,  
40 such inquiry must be made with an honest intent to  
41 discover the facts.

42 e. If the circumstances change and as a result the  
43 tangible personal property or services are used or  
44 disposed of by the purchaser in a nonexempt manner or  
45 the purchaser becomes obligated to pay the tax, the  
46 purchaser is liable solely for the taxes and shall  
47 remit the taxes directly to the department in  
48 accordance with this subsection.

49 5. a. The department shall issue or the seller  
50 may separately provide fuel exemption certificates in

Page 122

1 the form prescribed by the director.  
2 b. For purposes of this subsection:  
3 (1) “Fuel” includes gas, electricity, water, heat,  
4 steam, and any other tangible personal property  
5 consumed in creating heat, power, or steam.  
6 (2) “Fuel consumed in processing” means fuel used  
7 or consumed for processing including grain drying, for  
8 providing heat or cooling for livestock buildings or  
9 for greenhouses or buildings or parts of buildings  
10 dedicated to the production of flowering, ornamental,  
11 or vegetable plants intended for sale in the ordinary  
12 course of business, for use in aquaculture production,  
13 or for generating electric current, or in implements  
14 of husbandry engaged in agricultural production.  
15 (3) “Fuel exemption certificate” means an  
16 exemption certificate given by the purchaser under  
17 penalty of perjury to assist retailers in properly  
18 accounting for nontaxable sales of fuel consumed in  
19 processing.  
20 (4) “Substantial change” means a change in the use  
21 or disposition of tangible personal property and  
22 services by the purchaser such that the purchaser pays  
23 less than ninety percent of the purchaser’s actual  
24 sales tax liability. A change includes a misstatement  
25 of facts in an application made pursuant to paragraph  
26 “d” or in a fuel exemption certificate.  
27 c. The seller may accept a completed fuel  
28 exemption certificate, as prepared by the purchaser,  
29 for three years unless the purchaser files a new  
30 completed exemption certificate. If the fuel is  
31 purchased tax free pursuant to a fuel exemption  
32 certificate which is taken by the seller, and the fuel  
33 is used or disposed of by the purchaser in a nonexempt  
34 manner, the purchaser is solely liable for the taxes,  
35 and shall remit the taxes directly to the department  
36 and sections 423.31, 423.32, 423.37, 423.38, 423.39,  
37 423.40, 423.41, and 423.42 shall apply to the  
38 purchaser.  
39 d. The purchaser may apply to the department for  
40 its review of the fuel exemption certificate. In this  
41 event, the department shall review the fuel exemption  
42 certificate within twelve months from the date of  
43 application and determine the correct amount of the  
44 exemption. If the amount determined by the department  
45 is different than the amount that the purchaser claims  
46 is exempt, the department shall promptly notify the  
47 purchaser of the determination. Failure of the  
48 department to make a determination within twelve  
49 months from the date of application shall constitute a  
50 determination that the fuel exemption certificate is

Page 123

1 correct as submitted. A determination of exemption by  
2 the department is final unless the purchaser appeals  
3 to the director for a revision of the determination  
4 within sixty days after the date of the notice of  
5 determination. The director shall grant a hearing,  
6 and upon the hearing, the director shall determine the  
7 correct exemption and notify the purchaser of the  
8 decision by mail. The decision of the director is  
9 final unless the purchaser seeks judicial review of  
10 the director's decision under section 423.38 within  
11 sixty days after the date of the notice of the  
12 director's decision. Unless there is a substantial  
13 change, the department shall not impose penalties  
14 pursuant to section 423.40 both retroactively to  
15 purchases made after the date of application and  
16 prospectively until the department gives notice to the  
17 purchaser that a tax or additional tax is due, for  
18 failure to remit any tax due which is in excess of a  
19 determination made under this section. A  
20 determination made by the department pursuant to this  
21 subsection does not constitute an audit for purposes  
22 of section 423.37.

23 e. If the circumstances change and the fuel is  
24 used or disposed of by the purchaser in a nonexempt  
25 manner, the purchaser is solely liable for the taxes  
26 and shall remit the taxes directly to the department  
27 in accordance with paragraph "c".

28 f. The purchaser shall attach documentation to the  
29 fuel exemption certificate which is reasonably  
30 necessary to support the exemption for fuel consumed  
31 in processing. If the purchaser files a new exemption  
32 certificate with the seller, documentation shall not  
33 be required if the purchaser previously furnished the  
34 seller with this documentation and substantial change  
35 has not occurred since that documentation was  
36 furnished or if fuel consumed in processing is  
37 separately metered and billed by the seller.

38 6. Nothing in this section authorizes any cause of  
39 action by any person to recover sales or use taxes  
40 directly from the state or extends any person's time  
41 to seek a refund of sales or use taxes which have been  
42 collected and remitted to the state.

43 Sec. 148. NEW SECTION. 423.46 RATE AND BASE  
44 CHANGES.

45 The department shall make a reasonable effort to  
46 provide sellers with as much advance notice as  
47 practicable of a rate change and to notify sellers of  
48 legislative changes in the tax base and amendments to  
49 sales and use tax rules. Failure of a seller to  
50 receive notice or failure of this state to provide

Page 124

1 notice or limit the effective date of a rate change  
2 shall not relieve the seller of its obligation to  
3 collect sales or use taxes for this state.

4 Sec. 149. NEW SECTION. 423.47 REFUNDS AND  
5 CREDITS.

6 If it shall appear that, as a result of mistake, an  
7 amount of tax, penalty, or interest has been paid  
8 which was not due under the provisions of this  
9 chapter, such amount shall be credited against any tax  
10 due, or to become due, on the books of the department  
11 from the person who made the erroneous payment, or  
12 such amount shall be refunded to such person by the  
13 department. A claim for refund or credit that has not  
14 been filed with the department within three years  
15 after the tax payment for which a refund or credit is  
16 claimed became due, or one year after such tax payment  
17 was made, whichever time is the later, shall not be  
18 allowed by the director.

#### 19 SUBCHAPTER VI

#### 20 SALES AND USE TAX ACT -- ADMINISTRATION OF 21 RETAILERS REGISTERED VOLUNTARILY UNDER THE 22 AGREEMENT

23 Sec. 150. NEW SECTION. 423.48 RESPONSIBILITIES  
24 AND RIGHTS OF SELLERS REGISTERED UNDER THE AGREEMENT.

25 1. By registering under the agreement, the seller  
26 agrees to collect and remit sales and use taxes for  
27 all its taxable Iowa sales. Iowa's withdrawal from  
28 the agreement or revocation of its membership in the  
29 agreement shall not relieve a seller from its  
30 responsibility to remit taxes previously collected on  
31 behalf of this state.

32 2. The following provisions apply to any seller  
33 who registers under the agreement:

34 a. The seller may register on-line.

35 b. Registration under the agreement and the  
36 collection of Iowa sales and use taxes shall not be  
37 used as factors in determining whether the seller has  
38 nexus with Iowa for any tax.

39 c. If registered under the agreement with any  
40 other member state, the seller is considered to be  
41 registered in Iowa.

42 d. The seller is not required to pay registration  
43 fees or other charges.

44 e. A written signature from the seller is not  
45 required.

46 f. The seller may register by way of an agent.  
47 The agent's appointment shall be in writing and  
48 submitted to the department if requested by the  
49 department.

50 g. The seller may cancel its registration at any

Page 125

1 time under procedures adopted by the governing board  
2 established pursuant to the agreement. Cancellation  
3 does not relieve the seller of its liability for  
4 remitting any Iowa taxes collected.

5 3. The following additional responsibilities and  
6 rights apply to model sellers:

7 a. A model 1 seller's obligation to calculate,  
8 collect, and remit sales and use taxes shall be  
9 performed by its certified service provider, except  
10 for the seller's obligation to remit tax on its own  
11 purchases. As the seller's agent, the certified  
12 service provider is liable for its model 1 seller's  
13 sales and use tax due Iowa on all sales transactions  
14 it processes for the seller except as set out in this  
15 section. A seller that contracts with a certified  
16 service provider is not liable to the state for sales  
17 or use tax due on transactions processed by the  
18 certified service provider unless the seller  
19 misrepresents the types of items or services it sells  
20 or commits fraud. In the absence of probable cause to  
21 believe that the seller has committed fraud or made a  
22 material misrepresentation, the seller is not subject  
23 to audit on the transactions processed by the  
24 certified service provider. A model 1 seller is  
25 subject to audit for transactions not processed by the  
26 certified service provider. The director is  
27 authorized to perform a system check of the model 1  
28 seller and review the seller's procedures to determine  
29 if the certified service provider's system is  
30 functioning properly and the extent to which the  
31 seller's transactions are being processed by the  
32 certified service provider.

33 b. A model 2 seller shall calculate the amount of  
34 tax due on a transaction by the use of a certified  
35 automated system, but shall collect and remit tax on  
36 its own sales. A person that provides a certified  
37 automated system is responsible for the proper  
38 functioning of that system and is liable to this state  
39 for underpayments of tax attributable to errors in the  
40 functioning of the certified automated system. A  
41 seller that uses a certified automated system remains  
42 responsible and is liable to the state for reporting  
43 and remitting tax.

44 c. A model 3 seller shall use its own proprietary  
45 automated system to calculate tax due and collect and  
46 remit tax on its own sales. A model 3 seller is  
47 liable for the failure of its proprietary automated  
48 system to meet the applicable performance standard.

49 Sec. 151. NEW SECTION. 423.49 RETURNS.

50 1. All model 1, 2, or 3 sellers are subject to all

Page 126

1 of the following return requirements:

2 a. The seller is required to file only one return  
3 per month for this state and for all taxing  
4 jurisdictions within this state.

5 b. The date for filing returns shall be determined  
6 under rules adopted by the director. However, in no  
7 case shall the return be due earlier than the  
8 twentieth day of the following month.

9 c. The director shall request additional  
10 information returns. These returns shall not be  
11 required more frequently than every six months.

12 2. Any registered seller which does not have a  
13 legal obligation to register in this state and is not  
14 a model 1, 2, or 3 seller is subject to all of the  
15 following return requirements:

16 a. The seller is required to file a return within  
17 one year of the month of initial registration and  
18 shall file a return on an annual basis in succeeding  
19 years.

20 b. In addition to the return required in paragraph  
21 "a", if the seller accumulates more than one thousand  
22 dollars in total state and local tax, the seller is  
23 required to file a return in the following month.

24 c. The format of the return and the due date of  
25 the initial return and the annual return shall be  
26 determined under rules adopted by the department.

27 Sec. 152. NEW SECTION. 423.50 REMITTANCE OF  
28 FUNDS.

29 1. Only one remittance of tax per return is  
30 required except as provided in this subsection.  
31 Sellers that collect more than thirty thousand dollars  
32 in sales and use taxes for this state during the  
33 preceding calendar year shall be required to make  
34 additional remittances as required under rules adopted  
35 by the director. The filing of a return is not  
36 required with an additional remittance.

37 2. All remittances shall be remitted  
38 electronically.

39 3. Electronic payments may be made either by  
40 automated clearinghouse credit or automated  
41 clearinghouse debit. Any data accompanying a  
42 remittance must be formatted using uniform tax type  
43 and payment codes approved by the governing board  
44 established pursuant to the agreement. An alternative  
45 method for making same-day payments shall be  
46 determined under rules adopted by the director.

47 4. If a due date falls on a legal banking holiday  
48 in this state, the taxes are due on the succeeding  
49 business day.

50 Sec. 153. NEW SECTION. 423.51 ADMINISTRATION OF

Page 127

1 EXEMPTIONS.

2 1. The following provisions shall apply when a  
3 purchaser claims an exemption:  
4 a. The seller shall obtain identifying information  
5 of the purchaser and the reason for claiming a tax  
6 exemption at the time of the purchase as determined by  
7 the member states acting jointly.

8 b. A purchaser is not required to provide a  
9 signature to claim an exemption from tax unless a  
10 paper certificate is used.

11 c. The seller shall use the standard form for  
12 claiming an exemption electronically as adopted  
13 jointly by the member states.

14 d. The seller shall obtain the same information  
15 for proof of a claimed exemption regardless of the  
16 medium in which the transaction occurred.

17 e. The department may authorize a system wherein  
18 the purchaser exempt from the payment of the tax is  
19 issued an identification number which shall be  
20 presented to the seller at the time of the sale.

21 f. The seller shall maintain proper records of  
22 exempt transactions and provide them to the department  
23 when requested.

24 g. The department shall administer entity-based  
25 and use-based exemptions when practicable through a  
26 direct pay tax permit, an exemption certificate, or  
27 another means that does not burden sellers. For the  
28 purposes of this paragraph:

29 (1) An “entity-based exemption” is an exemption  
30 based on who purchases the product or who sells the  
31 product.

32 (2) A “use-based exemption” is an exemption based  
33 on the purchaser’s use of the product.

34 2. Sellers that follow the requirements of this  
35 section are relieved from any tax otherwise applicable  
36 if it is determined that the purchaser improperly  
37 claimed an exemption and that the purchaser is liable  
38 for the nonpayment of tax. This relief from liability  
39 does not apply to a seller who fraudulently fails to  
40 collect the tax or solicits purchasers to participate  
41 in the unlawful claim of an exemption.

42 Sec. 154. NEW SECTION. 423.52 RELIEF FROM  
43 LIABILITY FOR SELLERS AND CERTIFIED SERVICE PROVIDERS.

44 Sellers and certified service providers are  
45 relieved from liability to this state or its local  
46 taxing jurisdictions for having charged and collected  
47 the incorrect amount of sales or use tax resulting  
48 from the seller or certified service provider relying  
49 on erroneous data provided by this state on tax rates,  
50 boundaries, or taxing jurisdiction assignments. If

Page 128

1 this state provides an address-based system for  
2 assigning taxing jurisdictions whether or not pursuant  
3 to the federal Mobile Telecommunications Sourcing Act,  
4 the director is not required to provide liability  
5 relief for errors resulting from reliance on the  
6 information provided by this state.

7 Sec. 155. NEW SECTION. 423.53 BAD DEBTS AND  
8 MODEL 1 SELLERS.

9 A certified service provider may claim, on behalf  
10 of a model 1 seller, any bad debt deduction as  
11 provided in section 423.21. The certified service  
12 provider must credit or refund the full amount of any  
13 bad debt deduction or refund received to the seller.

14 Sec. 156. NEW SECTION. 423.54 AMNESTY FOR  
15 REGISTERED SELLERS.

16 1. Subject to the limitations in subsections 2  
17 through 6, the following provisions apply:

18 a. Amnesty is provided for uncollected or unpaid  
19 sales or use tax to a seller who registers to pay or  
20 to collect and remit applicable sales or use tax on  
21 sales made to purchasers in this state in accordance  
22 with the terms of the agreement, provided the seller  
23 was not so registered in this state in the twelve-  
24 month period preceding the commencement of Iowa's  
25 participation in the agreement.

26 b. Amnesty precludes assessment of the seller for  
27 uncollected or unpaid sales or use tax together with  
28 penalty or interest for sales made during the period  
29 the seller was not registered in this state, provided  
30 registration occurs within twelve months of the  
31 commencement of Iowa's participation in the agreement.

32 c. Amnesty shall be provided to any seller  
33 lawfully registered under the agreement by any other  
34 member state prior to the date of the commencement of  
35 Iowa's participation in the agreement.

36 2. Amnesty is not available to a seller with  
37 respect to any matter or matters for which the seller  
38 received notice of the commencement of an audit and  
39 which audit is not yet finally resolved, including any  
40 related administrative and judicial processes.

41 3. Amnesty is not available for sales or use taxes  
42 already paid or remitted or to taxes collected by the  
43 seller.

44 4. Amnesty is fully effective absent the seller's  
45 fraud or intentional misrepresentation of a material  
46 fact as long as the seller continues registration and  
47 continues payment or collection and remittance of  
48 applicable sales or use taxes for a period of at least  
49 thirty-six months. The statute of limitations  
50 applicable to asserting a tax liability is tolled

Page 129

1 during this thirty-six month period.  
2 5. Amnesty is applicable only to sales or use  
3 taxes due from a seller in its capacity as a seller  
4 and not to sales or use taxes due from a seller in its  
5 capacity as a buyer.

6 6. The director may allow amnesty on terms and  
7 conditions more favorable to a seller than the terms  
8 required by this section.

9 Sec. 157. NEW SECTION. 423.55 DATABASES.

10 The department shall provide and maintain databases  
11 required by the agreement for the benefit of sellers  
12 registered under the agreement.

13 Sec. 158. NEW SECTION. 423.56 CONFIDENTIALITY

14 AND PRIVACY PROTECTIONS UNDER MODEL 1.

15 1. As used in this section:

16 a. “Anonymous data” means information that does  
17 not identify a person.

18 b. “Confidential taxpayer information” means all  
19 information that is protected under this state’s laws,  
20 rules, and privileges.

21 c. “Personally identifiable information” means  
22 information that identifies a person.

23 2. With very limited exceptions, a certified  
24 service provider shall perform its tax calculation,  
25 remittance, and reporting functions without retaining  
26 the personally identifiable information of consumers.

27 3. A certified service provider may perform its  
28 services in this state only if the certified service  
29 provider certifies that:

30 a. Its system has been designed and tested to  
31 ensure that the fundamental precept of anonymity is  
32 respected.

33 b. Personally identifiable information is only  
34 used and retained to the extent necessary for the  
35 administration of model 1 sellers with respect to  
36 exempt purchasers.

37 c. It provides consumers clear and conspicuous  
38 notice of its information practices, including what  
39 information it collects, how it collects the  
40 information, how it uses the information, how long, if  
41 at all, it retains the information, and whether it  
42 discloses the information to member states. This  
43 notice shall be satisfied by a written privacy policy  
44 statement accessible by the public on the official web  
45 site of the certified service provider.

46 d. Its collection, use, and retention of  
47 personally identifiable information is limited to that  
48 required by the member states to ensure the validity  
49 of exemptions from taxation that are claimed by reason  
50 of a consumer’s status or the intended use of the

Page 130

- 1 goods or services purchased.
- 2 e. It provides adequate technical, physical, and  
3 administrative safeguards so as to protect personally  
4 identifiable information from unauthorized access and  
5 disclosure.
- 6 4. The department shall provide public  
7 notification of its practices relating to the  
8 collection, use, and retention of personally  
9 identifiable information.
- 10 5. When any personally identifiable information  
11 that has been collected and retained by the department  
12 or certified service provider is no longer required  
13 for the purposes set forth in subsection 3, paragraph  
14 “d”, that information shall no longer be retained by  
15 the department or certified service provider.
- 16 6. When personally identifiable information  
17 regarding an individual is retained by or on behalf of

- 50 credit, an owner of the qualified facility must submit

Page 157

1 an application for a tax credit certificate to the  
2 board not later than thirty days after the close of  
3 its taxable year. The owner's application must  
4 contain, but need not be limited to, all of the  
5 following information: the owner's name, tax  
6 identification number, and address, the number of  
7 kilowatt-hours of qualified electricity sold by the  
8 owner during the preceding taxable year, the address  
9 of the qualified facility at which the qualified  
10 electricity was produced, a certified statement of the  
11 number, if any, of kilowatt-hours of electricity  
12 produced on wind energy conversion property for which  
13 the owner has claimed or otherwise received for that  
14 property the benefit of special valuation under  
15 section 427B.26 or section 441.21, subsection 8, or  
16 the exemption from the retail sales tax under section  
17 422.45, subsection 48, and the denomination that each  
18 tax credit certificate is to carry.

19 1A. In addition to the information required in  
20 subsection 1, the application shall specify the amount  
21 of property taxes imposed by the school district,  
22 city, and county on the wind energy conversion  
23 property payable during the owner's taxable year. The  
24 amount of property taxes imposed by the school  
25 district, city, and county on such property that is  
26 payable during the owner's taxable year shall be  
27 computed as follows:

28 a. If the fiscal year for which such property  
29 taxes are imposed ends during the taxable year, divide  
30 the property taxes imposed by the school district,  
31 city, and county payable in that fiscal year by twelve  
32 and multiply the resulting quotient by the number of  
33 months of the fiscal year ending in the taxable year.

34 b. If the fiscal year for which such property  
35 taxes are imposed begins, but does not end, during the  
36 taxable year, divide the property taxes imposed by the  
37 school district, city, and county payable in that  
38 fiscal year by twelve and multiply the resulting  
39 quotient by the number of months of the fiscal year  
40 ending in the taxable year.

41 c. Add the amounts determined pursuant to  
42 paragraphs "a" and "b".

43 The application shall also contain the name of the  
44 school district, city or cities, and county and the  
45 portion of the total amount of paragraph "c" that was  
46 imposed by each jurisdiction.

47 2. The board shall, in conjunction with the  
48 department, prescribe appropriate forms and  
49 instructions to enable owners to claim the tax credit  
50 allowed under this chapter. If the board prescribes

Page 158

1 these forms and instructions, an owner's application  
2 for a tax credit certificate shall not be valid unless  
3 made on and in accordance with these forms and  
4 instructions.

5 3. Within thirty days of the end of the owner's  
6 eleventh and twelfth taxable years with respect to the  
7 ownership of the qualified facility for which the  
8 owner had previously received a tax credit, the owner  
9 shall file with the board an "extra two year  
10 information form". The form shall contain all  
11 property tax information in subsection 1A and other  
12 information deemed appropriate by the board or  
13 treasurer of state for the owner's eleventh or twelfth  
14 taxable year, as applicable.

15 Sec. 224. NEW SECTION. 476B.6 ISSUANCE OF TAX  
16 CREDIT CERTIFICATES.

17 1. If the owner meets the criteria for eligibility  
18 for the wind energy production tax credit, the board  
19 shall determine the validity of the application and if  
20 valid, shall issue one or more tax credit certificates  
21 to the owner not later than thirty days after the  
22 application is submitted to the board. Each tax  
23 credit certificate must contain the owner's name,  
24 address, and tax identification number, amount of tax  
25 credits, and the expiration date of the tax credit  
26 certificate, which shall be seven years from its date  
27 of issuance and any other information required by the  
28 department. Once issued by the board, the tax credit  
29 certificate shall be binding on the board and the  
30 department and shall not be modified, terminated, or  
31 rescinded. Upon the issuance of the tax credit  
32 certificate, the board shall forward to the treasurer  
33 of state a copy of the information provided pursuant  
34 to section 476B.5, subsection 1A, containing the  
35 amount of property taxes payable during the owner's  
36 taxable year which were levied on wind energy  
37 conversion property for which the tax credit  
38 certificates were issued. The board shall also  
39 forward to the treasurer of state information provided  
40 pursuant to section 476B.5, subsection 3, containing  
41 the amount of property taxes payable during the  
42 eleventh or twelfth taxable year.

43 2. If the tax credit application is filed by a  
44 partnership, limited liability company, S corporation,  
45 estate, trust, or other reporting entity all of the  
46 income of which is taxed directly to its equity  
47 holders or beneficiaries, the tax credit certificate  
48 may, at the election of the owner, be issued directly  
49 to equity holders or beneficiaries of the owner in  
50 proportion to their pro rata share of the income of

Page 159

1 such entity. If the owner elects to have the tax  
2 credit certificate issued directly to its equity  
3 holders or beneficiaries, the owner must, in the  
4 application made under section 476B.5, identify its  
5 equity holders or beneficiaries, and the amount of  
6 such entity's income that is allocable to each equity  
7 holder or beneficiary.

8 Sec. 225. NEW SECTION. 476B.7 TRANSFER OF TAX  
9 CREDIT CERTIFICATES.

10 Wind energy production tax credit certificates  
11 issued under this chapter may be transferred to any  
12 person or entity. Within thirty days of transfer, the  
13 transferee must submit the transferred tax credit  
14 certificate to the board along with a statement  
15 containing the transferee's name, tax identification  
16 number, and address, and the denomination that each  
17 replacement tax credit certificate is to carry and any  
18 other information required by the department. Within  
19 thirty days of receiving the transferred tax credit  
20 certificate and the transferee's statement, the board  
21 shall issue one or more replacement tax credit  
22 certificates to the transferee. Each replacement  
23 certificate must contain the information required  
24 under section 476B.6 and must have the same expiration  
25 date that appeared in the transferred tax credit  
26 certificate. Tax credit certificate amounts of less  
27 than the minimum amount established by rule of the  
28 board shall not be transferable. A tax credit shall  
29 not be claimed by a transferee under this chapter  
30 until a replacement tax credit certificate identifying  
31 the transferee as the proper holder has been issued.  
32 The tax credit shall only be transferred once. The  
33 transferee may use the amount of the tax credit  
34 transferred against the taxes imposed under chapter  
35 422, divisions II, III, and V, and chapter 432 for any  
36 tax year the original transferor could have claimed  
37 the tax credit. Any consideration received for the  
38 transfer of the tax credit shall not be included as  
39 income under chapter 422, divisions II, III, and V.  
40 Any consideration paid for the transfer of the tax  
41 credit shall not be deducted from income under chapter  
42 422, divisions II, III, and V.

43 Sec. 226. NEW SECTION. 476B.8 USE OF TAX CREDIT  
44 CERTIFICATES.

45 To claim a wind energy production tax credit under  
46 this chapter, a taxpayer must attach one or more tax  
47 credit certificates to the taxpayer's tax return. A  
48 tax credit certificate shall not be used or attached  
49 to a return filed prior to July 1, 2005. The tax  
50 credit certificate or certificates attached to the

Page 160

1 taxpayer's tax return shall be issued in the  
2 taxpayer's name, expire on or after the last day of  
3 the taxable year for which the taxpayer is claiming  
4 the tax credit, and show a tax credit amount equal to  
5 or greater than the tax credit claimed on the  
6 taxpayer's tax return. Any tax credit in excess of  
7 the taxpayer's tax liability for the taxable year may  
8 be credited to the taxpayer's tax liability for the  
9 following seven taxable years or until depleted,  
10 whichever is the earlier.

11 Sec. 227. NEW SECTION. 476B.9 REGISTRATION OF  
12 TAX CREDIT CERTIFICATES.

13 The board shall, in conjunction with the  
14 department, develop a system for the registration of  
15 the wind energy production tax credit certificates  
16 issued or transferred under this chapter and a system  
17 that permits verification that any tax credit claimed  
18 on a tax return is valid and that transfers of the tax  
19 credit certificates are made in accordance with the  
20 requirements of this chapter. The tax credit  
21 certificates issued under this chapter shall not be  
22 classified as a security pursuant to chapter 502.

23 Sec. 228. NEW SECTION. 476B.10 PAYMENT TO STATE  
24 OF PROPERTY TAXES COLLECTED.

25 1. a. By March 15 and September 15 of each year,  
26 the treasurer of state shall notify each school  
27 district, city, and county of the amount of property  
28 taxes imposed by the jurisdiction on wind energy  
29 conversion property for which tax credit certificates  
30 have been issued under this chapter. The amount of  
31 property taxes contained on the notice to the school  
32 district, city, or county shall equal the amounts  
33 received by the treasurer of state from the board  
34 since the treasurer of state last sent out notices  
35 pursuant to this subsection. The sending of a notice  
36 shall constitute a demand for the payment of an amount  
37 equal to the property taxes imposed on the wind energy  
38 conversion property as specified in the notice.

39 b. In addition to the amount of property taxes  
40 referred to in paragraph "a", the treasurer of state  
41 shall notify each school district, city, and county of  
42 the property taxes imposed on wind energy conversion  
43 property for the owner's eleventh or twelfth taxable  
44 year as specified pursuant to section 476B.5,  
45 subsection 3.

46 2. A school district, city, or county to which a  
47 notice under subsection 1 is sent shall remit to the  
48 treasurer of state the amount of property taxes  
49 imposed in the wind energy conversion property  
50 specified in the notice by the end of the third month

Page 161

1 following the month in which the notice is sent.  
 2 Interest for late payment shall be assessed at the  
 3 rate specified in section 421.7 for each month,  
 4 counting a part of a month a whole month, after the  
 5 due date. Failure of the school district, city, or  
 6 county to receive the notice is not a defense to the  
 7 payment of the amount specified in the notice or for  
 8 any interest for late payment.

9 3. A school district, city, or county that remits  
 10 payments to the treasurer of state pursuant to  
 11 subsection 2 in a fiscal year may adjust its budget or  
 12 certified budget, notwithstanding any provision of  
 13 law, to compensate for such payments.

14 Sec. 229. EFFECTIVE AND APPLICABILITY DATES.

15 1. Except for subsection 2, this division of this  
 16 Act applies to tax years beginning on or after January  
 17 1, 2004.

18 2. The section of this division of this Act

9 262B.2 LEGISLATIVE INTENT.

10 It is the intent of the general assembly that the  
11 three universities under the control of the state  
12 board of regents have as part of their mission the use  
13 of their universities' expertise to expand and  
14 stimulate economic growth across the state. This  
15 activity may be accomplished through a wide variety of  
16 partnerships, public and private joint ventures, and  
17 cooperative endeavors, primarily in the area of high  
18 technology, and may result in investments by the  
19 private sector for commercialization of the  
20 technology. It is imperative that the investments and  
21 job creation be in Iowa, but need not be in the  
22 proximity of the universities. The purpose is to  
23 expand and stimulate Iowa's economy, increase the  
24 wealth of Iowans, and increase the population of Iowa,  
25 which may be accomplished through research conducted  
26 within the state that will competitively position Iowa  
27 on an economic basis with other states and create  
28 high-wage, high-growth employers and jobs. It is also  
29 the intent of the general assembly that real or  
30 virtual research parks will be established and  
31 maintained by the universities in close enough  
32 proximity to the ventures that cooperation between the  
33 academic, research, and commercialization phases will  
34 be encouraged. It is the intent of the general  
35 assembly that satellites of the research parks will  
36 expand and stimulate economic growth in other areas of  
37 the state.

38 Sec. \_\_\_\_ Section 262B.3, Code 2003, is amended to  
39 read as follows:

40 262B.3 ESTABLISHMENT OF CONSORTIUM DUTIES AND  
41 RESPONSIBILITIES.

42 1. The state board of regents or the universities  
43 under its jurisdiction, as part of its mission and  
44 strategic plan, shall establish consortiums mechanisms  
45 for the purpose of carrying out the intent of this  
46 chapter. ~~The majority of consortium members shall be~~  
47 ~~from the university community and the balance of~~  
48 ~~members shall be from private industry. The members~~  
49 ~~of the consortium shall be appointed by the president~~  
50 ~~of the convening university and will serve at the~~

Page 19

 3 of economic development, other state agencies, and the  
 4 private sector to facilitate the commercialization of  
 5 research.

6 2. Activities to implement this chapter may  
 7 include:

8 a. Developing strategies to market university  
 9 research for commercialization in Iowa.

10 b. Matching university resources with the needs of  
 11 existing Iowa firms or start-up opportunities.

12 c. Evaluating university research for  
 13 commercialization potential, where relevant.

14 d. Developing a plan to improve private sector  
 15 access to the university licenses and patent  
 16 information and the transfer of technology from the  
 17 university to the private sector.

18 e. Disseminating information on research  
 19 activities of the university.

20 f. Identifying research needs of existing Iowa  
 21 businesses and recommending ways in which the

 24 economic development.

25 h. Reviewing and monitoring activities related to  
 26 technology transfer.

27 i. Coordinating activities to facilitate a focus  
 28 on research in the state's targeted industry clusters.

29 j. Surveying of similar activities in other states  
 30 and at other universities.

31 k. Establishing a single point of contact to  
 32 facilitate commercialization of research.

50 d. That the challenge for the public economic

Page 21

1 sector is to create an atmosphere conducive to  
2 economic growth, in conjunction with financial  
3 institutions in the private sector, which fill the

5 that allow the private sector to identify the lending  
6 opportunities and foster decision making at the local  
7 level.

8 2. The general assembly declares the purposes of

28 a. Review the information provided by the  
29 department of revenue and finance pursuant to this  
30 subsection and the annual report submitted by the

1 86.12 FAILURE TO REPORT.

2 The workers' compensation commissioner may require  
3 any employer to supply the information required by  
4 section 86.10 or to file a report required by section  
5 86.11 ~~or 86.13~~ or by agency rule, by written demand  
6 sent to the employer's last known address. Upon  
7 failure to supply such information or file such report  
8 within ~~twenty~~ thirty days, the employer may be ordered  
9 to appear and show cause why the employer should not  
10 be subject to civil penalty assessment of one ~~hundred~~  
11 ~~thousand~~ dollars for each occurrence. Upon such  
12 hearing, the workers' compensation commissioner shall  
13 enter a finding of fact and may enter an order  
14 requiring such ~~penalty assessment~~ to be paid into the  
15 second injury fund created by sections 85.63 to 85.69.  
16 In the event the ~~civil penalty assessed~~ assessment is  
17 not voluntarily paid within thirty days the workers'  
18 compensation commissioner may file a certified copy of  
19 such finding and order with the clerk of the court for  
20 the district in which the employer maintains a place  
21 of business. If the employer maintains no place of  
22 business in this state service shall be made as  
23 provided in chapter 85 for nonresident employers. In  
24 such case the finding and order may be filed in any  
25 court of competent jurisdiction within this state.

26 The workers' compensation commissioner may  
27 thereafter petition the court for entry of judgment  
28 upon such order, serving notice of such petition on  
29 the employer and any other person in default. If the  
30 court finds the order valid, the court shall enter  
31 judgment against the person or persons in default for  
32 the amount due under the order. No fees shall be  
33 required for the filing of the order or for the  
34 petition for judgment, or for the entry of judgment or  
35 for any enforcement procedure thereupon. No  
36 supersedeas shall be granted by any court to a  
37 judgment entered under this section.

38 When a report is required under section 86.11 or  
39 86.13 or by agency rule, and ~~that report has been~~  
40 ~~submitted to the employer's insurance carrier and no~~  
41 ~~report of injury has been filed with the workers'~~  
42 ~~compensation commissioner~~ possesses the information  
43 necessary to file the report, the insurance carrier  
44 shall be responsible for filing the report ~~of injury~~  
45 in the same manner and to the same extent as an  
46 employer under this section.

47 Sec. \_\_\_\_ NEW SECTION. 86.13A COMPLIANCE  
48 MONITORING AND ENFORCEMENT.

49 The workers' compensation commissioner shall  
50 monitor the rate of compliance of each employer and

Page 31

- 1 each insurer with the requirement to commence benefit  
2 payments within the time specified in section 85.30.  
3 The commissioner shall determine the percentage of  
4 reported injuries where the statutory standard was met  
5 and the average number of days that commencement of  
6 voluntary benefits was delayed for each employer and  
7 each insurer individually, and for all employers and  
8 all insurers as separate groups.  
9 If during any fiscal year commencing after June 30,  
10 2005, the general business practices of an employer or  
11 insurer result in the delay of the commencement of  
12 voluntary weekly compensation payments after the date  
13 specified in section 85.30 more frequently and for a  
14 longer number of days than the average number of days  
15 for the entire group of employers or insurers, the  
16 commissioner may impose an assessment on the employer  
17 or insurer payable to the second injury fund created  
18 in section 85.66. The amount of the assessment shall  
19 be ten dollars, multiplied by the average number of  
20 days that weekly compensation payments were delayed  
21 after the date specified in section 85.30, and  
22 multiplied by the number of injuries the employer or  
23 insurer reported during the fiscal year.  
24 Notwithstanding the foregoing, an assessment shall not  
25 be imposed if the employer or insurer commenced  
26 voluntary weekly compensation benefits within the time  
27 specified in section 85.30 for more than seventy-five  
28 percent of the injuries reported by the employer or  
29 insurer.  
30 The commissioner may waive or reduce an assessment  
31 under this section if an employer or insurer  
32 demonstrates to the commissioner that atypical events  
33 during the fiscal year, including but not limited to a  
34 small number of cases, made the statistical data for  
35 that employer or insurer unrepresentative of the  
36 actual payout practices of the employer or insurer for  
37 that year.”

**SENATE CONCURRENT RESOLUTION 5:** filed February 18, 2003; adopted by the Senate on February 26, 2003.

1           SENATE CONCURRENT RESOLUTION 5  
2 By: Committee on Agriculture  
3 (SUCCESSOR TO SSB 1065)  
4 A concurrent resolution requesting that the United  
5 States Congress take all action required to preserve  
6 free and private enterprise, prevent monopoly, and  
7 protect consumers by immediately enacting  
8 legislation to prohibit livestock packers from  
9 owning, controlling, or feeding livestock to such an  
10 extent that producers can no longer materially  
11 participate in the management of their livestock  
12 operations as provided in Senate Bill 27 introduced by  
13 the Honorable Senator Charles E. Grassley and  
14 cosponsored by the Honorable Senator Tom Harkin and others.  
15 WHEREAS, the production and processing of livestock  
16 represent a key component of this nation's food  
17 security, welfare, and prosperity by providing an  
18 abundant supply of value-added products upon which  
19 this nation depends; and  
20 WHEREAS, the State of Iowa is a leading livestock-  
21 producing state in the nation, which has ranked among  
22 the top third of states in red meat production and  
23 which has for generations been the principal pork-  
24 producing state in the nation; and  
25 WHEREAS, the State of Iowa, like many neighboring  
26 Midwestern states, has a long-standing public policy  
27 of preserving farming, farmland, free enterprise, and  
28 open access to markets for its independent livestock  
29 producers; and  
30 WHEREAS, the independence and vitality of livestock

Page 2

1 producers in this state and in other agricultural  
2 states are facing increasing anticompetitive forces in  
3 the meat packing industry, which forces are  
4 accelerating consolidation among companies and are  
5 resulting in a growing prevalence by these  
6 consolidated companies to integrate all aspects of  
7 livestock production under their control from the farm  
8 and ranch to the consumer's table; and  
9 WHEREAS, these consolidated companies in the meat  
10 packing industry have virtually unlimited means to

11 challenge long-standing legislative barriers designed  
12 to preserve competition in agriculture for all  
13 producers and consumers against the self-serving  
14 practices of some of these companies; and  
15 WHEREAS, this challenge to state statutes, if not  
16 restrained by federal legislative action, threatens to  
17 impair the independence and ingenuity of this nation's  
18 family farmers and ranchers, to eliminate the  
19 opportunity to exercise entrepreneurial and risk-  
20 taking decisions that are at the core of what it means  
21 to be a family farmer or family rancher, and to  
22 endanger the viability of communities in which they  
23 live; and  
24 WHEREAS, the Honorable Senator Charles E. Grassley  
25 and the Honorable Senator Tom Harkin from Iowa have  
26 long and distinguished records defending independent  
27 farmers and ranchers, the economies of local  
28 communities, and the welfare of consumers by leading  
29 congressional efforts to prohibit companies in the  
30 meat packing industry from owning, controlling, or

Page 3

1 feeding livestock to such an extent that livestock  
2 producers no longer have an opportunity to materially  
3 participate in the management of their operations; and  
4 WHEREAS, during debate on the federal farm bill in  
5 2002, the United States Senate approved amendments  
6 sponsored by Senators Grassley and Harkin together  
7 with the honorable Senator Tim Johnson from South  
8 Dakota to ban the vertical integration of the meat  
9 packing industry; and  
10 WHEREAS, since the conference committee that  
11 considered the federal farm bill eliminated the  
12 protections offered by these amendments, consolidated  
13 companies in the meat packing industry are now in a  
14 position to use their captive supplies of livestock to  
15 limit access to markets, to manipulate prices paid to  
16 independent farmers and ranchers and charged to  
17 consumers, and to devastate this nation's traditional  
18 system of open and free markets; NOW THEREFORE,  
19 BE IT RESOLVED BY THE SENATE, THE HOUSE OF  
20 REPRESENTATIVES CONCURRING, That the United States  
21 Congress is urged to immediately enact Senate Bill 27,  
22 as introduced by Senator Grassley and cosponsored by  
23 Senator Harkin and others, which amends the federal  
24 Packers and Stockyards Act, 1921 to prohibit livestock  
25 packers from owning, controlling, or feeding livestock  
26 to such an extent that livestock producers no longer  
27 have the opportunity to materially participate in the  
28 management of their operations; and

29 BE IT FURTHER RESOLVED, That a copy of this  
30 resolution be sent by the Secretary of the Senate to

Page 4

 4 eligible under Rule 8.

5 6. The senate calendar shall include a listing of  
 6 bills which pertain to the levy, assessment or  
 7 collection of taxes sponsored by or initially assigned  
 8 to and reported out by the senate ways and means  
 9 committee. The list shall be known as the “Ways and  
 10 Means Calendar”. The secretary shall list the bills  
 11 in ~~the numerical~~ order ~~they are received~~. Upon their  
 12 first publication in the calendar, bills on the ways  
 13 and means calendar may be called up for debate at any  
 14 time by the majority leader provided they are eligible  
 15 under Rule 8.

16 7. The senate calendar shall include a list of  
 17 bills and resolutions, known as the “Regular  
 18 Calendar”, which shall consist of bills and  
 19 resolutions reported out by a senate committee. The  
 20 bills and resolutions reported out each day shall be  
 21 ~~placed listed in the numerical~~ order ~~of their file~~  
 22 ~~numbers and following those reported out on previous~~  
 23 ~~days~~. Priority shall be given to senate over house  
 24 bills and resolutions ~~and to joint resolutions over~~  
 25 ~~bills~~. Upon their first publication in the calendar,  
 26 bills on the regular calendar may be called up for  
 27 debate at any time by the majority leader, provided  
 28 they are eligible under Rule 8.

29 A bill reported out of committee which is  
 30 subsequently referred to the ways and means or

Page 6

1 appropriations committee and then reported out of that  
 2 committee, shall be returned to the regular calendar  
 3 ~~and retain its original place thereon in numerical~~  
 4 order.

5 8. The senate calendar shall include a listing of  
 6 the governor’s appointees to state boards,  
 7 commissions, and other offices requiring senate  
 8 confirmation. This listing shall be known as the  
 9 “Confirmation Calendar”. Names on the confirmation  
 10 calendar may be called up for confirmation at any time  
 11 by the majority leader provided they are eligible  
 12 under rule 59.

13 9. The majority leader, or in the absence of the  
 14 majority leader the assistant majority leaders, may

15 select from among the bills on the previous  
16 legislative day's Senate calendar and from the bills  
17 selected create a new listing which shall be known as  
18 the "Debate Calendar". The debate calendar shall list  
19 bills as the majority leader expects to take them up  
20 during the following week. A bill or resolution on  
21 the debate calendar may be debated only when eligible  
22 under Rule 8.

23 10. The majority leader, or in the absence of the  
24 majority leader the assistant majority leaders, may  
25 create a list of bills or resolutions about which no  
26 controversy is believed to exist which shall be known  
27 as the "Proposed Noncontroversial Calendar". Bills or  
28 resolutions included on this listing may be debated at  
29 any time upon being called up for debate by the  
30 majority leader. Any bill or resolution which

Page 7

1 appeared on the previous day's Senate calendar may be  
2 placed by any senator on the proposed noncontroversial  
3 calendar, which shall be published. Any bill or  
4 resolution on the proposed noncontroversial calendar  
5 shall be stricken from the list if any senator files a  
6 written objection with the secretary of the senate on  
7 the first or second legislative day after it appears  
8 on the proposed noncontroversial calendar. Any bill  
9 stricken from the proposed noncontroversial calendar  
10 shall be returned to its former place on the Senate  
11 calendar. The secretary shall prepare the  
12 noncontroversial calendar which shall consist of all  
13 bills or resolutions on the proposed noncontroversial  
14 calendar to which no objection was received.

15 11. If the senate shall not be in session on a day  
16 assigned in paragraphs nine and ten for action upon a  
17 calendar, such assigned action shall occur on the next  
18 succeeding legislative day.

19 12. On any bill called up for debate from any  
20 calendar, debate may continue from day to day until it  
21 is adopted, fails, or is postponed or deferred. If  
22 further debate is postponed or deferred without a time  
23 to continue being set, except for bills on the debate  
24 calendar, the bill shall be listed as unfinished  
25 business. Bills which are returned to the committee  
26 of first referral or to a different committee after  
27 being considered by the senate and classified as  
28 unfinished business shall be returned to the  
29 unfinished business calendar by that committee when  
30 the bill is reported out of committee. The unfinished

Page 8

1 business date on the calendar shall be the date on  
2 which the bill was returned to committee. Bills on  
3 the debate calendar upon which further debate is  
4 postponed or deferred without a time to continue being  
5 set shall return to the regular calendar.

6 Rule 7

7 Steering Committee

8 The senate may authorize the appointment of  
9 steering committee. The majority leader shall appoint  
10 the majority party members to the steering committee.  
11 The minority leader shall appoint the minority party  
12 members to the steering committee. The function of  
13 the steering committee shall be to create its own  
14 calendar from the bills and resolutions on the regular  
15 calendar. Bills and resolutions on the steering  
16 committee calendar shall have priority over bills and  
17 resolutions on all other calendars, except the  
18 appropriations calendar.

19 Rule 8

20 When Eligible for Consideration

21 Bills, resolutions, and appointments shall be  
22 eligible for consideration by the senate as follows:

- 23 1. An appointment by the governor which requires  
24 senate confirmation shall be eligible on the  
25 legislative day after it is first printed in the  
26 senate calendar as provided by Rule 59.  
27 2. A house or individually sponsored bill or  
28 resolution reported out by a committee shall be  
29 eligible on the legislative day after it is first  
30 printed in the senate calendar.

Page 9

1 3. A committee bill or resolution sponsored by the  
2 appropriations committee shall be eligible on the  
3 legislative day after it is first printed in the  
4 senate calendar.

5 4. Any committee bill or resolution, other than a  
6 bill or resolution sponsored by the appropriations  
7 committee, shall be eligible on the third legislative  
8 day it is printed in the senate calendar.

9 5. A bill that has been reported out to the senate  
10 calendar, referred to a different committee and  
11 reported out by that committee is eligible for  
12 consideration by the senate on the day it would have  
13 been eligible under subsection 2, 3, or 4, whichever  
14 is applicable, as if the bill had been printed in the  
15 calendar after having been reported out by the first  
16 committee.

17 6. Any bill or resolution placed on the steering

18 committee calendar is eligible for consideration on  
19 the day of its placement on that calendar.

20 When a bill or resolution on the calendar is not  
21 yet eligible, the date when it will become eligible  
22 shall be printed in the calendar.

23 Rule 9

24 Debate and Decorum

25 Before addressing the senate, the senator shall  
26 request recognition by depressing the “speak” device  
27 and, when recognized, rise and respectfully address  
28 the chair.

29 The senator shall confine all remarks to the  
30 question under debate and shall avoid discussing

Page 10

1 personalities or implication of improper motives. No  
2 questions except by the senator recognized shall be  
3 entertained after a senator is recognized to give  
4 final remarks.

5 Rule 10

6 Point of Personal Privilege

7 A point of personal privilege shall only be  
8 recognized when there is no motion pending or other  
9 business being considered by the senate. Senators  
10 speaking on a point of personal privilege shall be  
11 limited to ten minutes at the time designated each  
12 legislative day by the majority leader.

13 Rule 11

14 Introduction and Presentation of Guests

15 Only former members of the senate and former and  
16 present members of Congress shall be presented to the  
17 senate, except that the president of the senate may  
18 present a visitor whose presence is of special  
19 significance to the senate. The presence of school  
20 groups accompanied by school officials shall be  
21 announced by the president of the senate and shall be  
22 recorded in the journal upon written request of a  
23 member of the senate.

24 Rule 12

25 Form and Withdrawal of Motions, Amendments and Signatures

26 Motions need not be in writing unless required by  
27 the president or by the senate. No motion requires a  
28 second. Any amendment, motion (including a motion to  
29 reconsider), or resolution may be withdrawn by the  
30 mover if it has not been amended by the senate and if

Page 11

1 no amendment is pending. All amendments to bills,  
2 resolutions, and reports shall be in writing and filed  
3 before being acted upon by the senate.

4 No amendment, resolution, bill, or conference  
5 committee report shall be considered by the senate  
6 without a copy of the amendment, resolution, bill, or  
7 conference committee report being on the desks of the  
8 entire membership of the senate prior to  
9 consideration.

10 All amendments, reports, petitions or other  
11 documents requiring a signature shall have the name  
12 typed under the place for the signature. Once a  
13 signature is affixed and the document containing the  
14 signature filed with the recording clerk in the well,  
15 that signature shall not be removed.

16 When an amendment to a main amendment is filed that  
17 would negate the effect of the main amendment and  
18 thereby leave the bill unchanged, the presiding  
19 officer shall have the authority to declare the  
20 amendment to the main amendment out of order, subject  
21 to an appeal to the full senate.

22 When a house amendment to a senate file is before  
23 the senate, an amendment to the house amendment shall  
24 be considered an amendment in the first degree.

25 Regardless of its origin, an amendment in the third  
26 degree shall be ruled out of order.

27 When a ruling on germaneness is issued by the  
28 presiding officer, it shall be accompanied by an  
29 explanation of the ruling.

30 Rule 13

Page 12

1 Order and Precedence of Motions and Amendments

2 When a question is under debate, no motion shall be  
3 received but to adjourn, to recess, questions of  
4 privilege, to lay on the table, for the previous  
5 question, to postpone to a day certain, to refer, to  
6 amend, to postpone indefinitely, to defer, or  
7 incidental motions. A substitute is not in order  
8 unless it is in the form of a motion to substitute.

9 Such motions shall have precedence in the order in  
10 which they are named. No motion to postpone to a day  
11 certain, to refer, or postpone indefinitely, being  
12 decided, shall be again allowed on the same day with  
13 regard to the same question. A motion to strike out  
14 the enacting clause of a bill shall have precedence  
15 over all amendments and, if carried, shall be  
16 considered equivalent to the rejection of the bill.

17 A motion to strike everything after the enacting  
18 clause has precedence over a committee amendment and  
19 all other amendments except one to strike the enacting  
20 clause. A committee amendment has precedence over all  
21 other amendments except as provided in this rule.

22 A motion to rerefer a bill to committee may specify

23 when the committee shall report the bill to the  
 24 senate. If the motion is adopted in such form, the  
 25 committee must report the bill by the date and time  
 26 specified with or without recommendation or the bill  
 27 shall automatically be returned to the calendar. When  
 28 the bill is returned to the calendar, it shall occupy  
 29 the same position it occupied at the time the bill was  
 30 rereferred to the committee. If the committee to

Page 13

1 which the bill is rereferred submits an amendment in  
 2 its report, that committee amendment shall take  
 3 precedence over other amendments except if that  
 4 committee amendment is in conflict with amendments  
 5 previously adopted, the committee amendment shall not  
 6 be considered until consideration of motions to  
 7 reconsider the previously adopted amendments result in  
 8 removing the conflict. A committee may not file an  
 9 amendment to a bill unless the bill is in the  
 10 committee's possession.

11 Rule 14

12 MOTIONS BEFORE THE SENATE

13 Motions before the senate shall be displayed on the  
 14 electronic voting system display boards.

15 Rule 15

16 Nondebatable Motions

17 The following motions are not debatable:  
 18 Adjourn  
 19 Recess  
 20 Call of the Senate  
 21 Lay on Table or Take from Table  
 22 Previous Question  
 23 Reconsider vote by which bill was placed on last reading.  
 24 A Motion to Reconsider and Lay the Motion to Reconsider  
 25 on the Table (Double-barreled Motion).

26 Rule 16

27 Division of the Question

28 Any senator may call for a division of a question,  
 29 which shall be divided if it includes propositions so  
 30 distinct that if one is taken away, a substantive

Page 14

1 proposition shall remain in a technically proper form  
 2 for the decision of the senate. A motion to strike  
 3 out and insert is indivisible; but a motion to strike  
 4 out, if lost, shall not preclude amendments to the  
 5 matter attempted to be stricken or a motion to strike  
 6 out and insert.

7 Rule 17

8 The Previous Question

9 The previous question shall be in this form:  
 10 “Shall debate be closed on the pending question?” A  
 11 motion for the previous question may be adopted by a  
 12 majority of the senators present and voting. Its  
 13 effect shall be to put an end to debate and bring the  
 14 senate to a direct vote upon the pending question.  
 15 However, any senator who has not previously spoken on  
 16 the pending question and who, after the main question  
 17 is taken up and before the motion for the previous  
 18 question has been made, requested recognition by  
 19 depressing the “speak” device may speak no longer than  
 20 five minutes on the pending question. If action on  
 21 the pending question continues into another  
 22 legislative day or is deferred, the previous question  
 23 shall apply and the requests to be recognized shall be  
 24 honored.  
 25 When the motion applies to an amendment, the  
 26 senator proposing the amendment shall have five  
 27 minutes to close debate on the amendment.  
 28 The senator handling the measure under  
 29 consideration shall have ten minutes to close debate  
 30 on the main question.

Page 15

#### 1 Rule 18

##### 2 Call of the Senate

3 Ten senators may file in writing a call of the  
 4 senate on any single item of legislative business. A  
 5 call of the senate requires the presence of every  
 6 senator and is in order at any time prior to the vote  
 7 being announced by the president. The sergeant-at-  
 8 arms shall return promptly all absent senators.  
 9 Debate on the item may continue while absent senators  
 10 are returning, but no vote on the item is in order on  
 11 it until all have returned. Adoption of a motion to  
 12 recess or adjourn to a specific time will not lift the  
 13 call. The call may be lifted, or a senator may be  
 14 excused from the call without lifting the call, by a  
 15 vote of a constitutional majority of the senators.  
 16 Those senators excused prior to the filing of the call  
 17 are excused from the call.

#### 18 Rule 19

##### 19 Committee of the Whole

20 The senate may resolve itself into a committee of  
 21 the whole senate when it wishes to permit more free  
 22 and informal discussion. Persons other than senators  
 23 may appear and present information.  
 24 Any senator may move “that the senate now resolve  
 25 itself into a committee of the whole to consider” a  
 26 stated subject.  
 27 The president of the senate shall be chair of the

28 committee of the whole unless otherwise ordered by the  
29 senate.

30 The procedure in committee of the whole is subject

Page 16

1 to the rules of the senate. The previous question and  
2 the motion to reconsider shall be in order.

3 The committee of the whole cannot take any final  
4 action and its power is limited to recommendation to  
5 the senate. The proceedings of the committee of the  
6 whole, including any roll call vote, shall be printed  
7 in the journal.

8 Any senator may at any time, except while voting or  
9 while a senator has the floor, move that “the  
10 committee rise” which is equivalent to a motion to  
11 adjourn.

12 After adoption of the motion to rise, the chair may  
13 report to the senate in the same manner as other  
14 committee reports are given.

#### 15 Rule 20

##### 16 Last Reading and Passage of Bills

17 When a motion to place a bill on its last reading  
18 is lost, the same motion shall be in order at any  
19 later time. After the last reading of a bill, no  
20 amendment shall be received. The vote on final  
21 passage shall be taken immediately without debate.

#### 22 Rule 21

##### 23 Engrossment of Bills

24 An engrossment is a proofreading and verification  
25 in order to be certain that a bill before the senate  
26 is identical with the original bill as introduced with  
27 all amendments which have been adopted correctly  
28 inserted.

29 In an engrossed bill, all obvious typographical,  
30 spelling or other clerical errors are corrected and

Page 17

1 section or paragraph numbers and internal references  
2 are changed as required to conform the original bill  
3 to any amendments which have been adopted. All such  
4 corrections or changes shall be reported in the  
5 journal by the secretary of the senate. The engrossed  
6 bill shall be placed in the bill file with the  
7 original bill and amendments.

#### 8 Rule 22

##### 9 Manner of Voting

10 On voice vote, the question shall be distinctly put  
11 in this form: “Those in favor of (the question) say  
12 “aye.” “Those opposed to (the question) say “no.””

13 A non-record or record roll call vote may be

14 requested by any senator or ordered by the president  
15 any time before the results are announced. A non-  
16 record roll call shall be requested by asking for a  
17 “division”. A record roll call shall be requested by  
18 asking for a “record”. Upon request for a non-record  
19 or record roll call vote, the president shall announce  
20 that such a non-record or record roll call vote has  
21 been requested and shall state the question to be put  
22 to the senate. The president then shall direct the  
23 secretary of the senate to receive the votes.

24 Senators present may cast their votes, either by  
25 operating the voting mechanism located at their  
26 assigned desk or by signaling the president if they  
27 are unable to vote at their assigned desk. The  
28 president shall enter the votes of senators signaling  
29 their votes.

30 After sufficient time has elapsed for all senators

Page 18

1 present to record their votes, the president shall  
2 direct the secretary of the senate to close the voting  
3 system. The president shall still enter the senators’  
4 votes at any time prior to directing the secretary of  
5 the senate to lock the voting system. The president  
6 shall then immediately announce the vote.

7 During a non-record or record roll call vote, both  
8 individual votes and vote totals shall be indicated  
9 openly on the display boards. On non-record roll  
10 calls, only vote totals shall be printed in the  
11 journal.

12 In the event the electronic voting system is not in  
13 operating order, the president shall direct the  
14 secretary of the senate to take the non-record or  
15 record roll call by calling the names of the senators  
16 in alphabetical order.

#### 17 Rule 23

#### 18 Duty of Voting

19 Every senator present when a question is put shall  
20 vote “aye”, “no” or “present” unless previously  
21 excused by the senate. Upon demand being made by any  
22 senator, the secretary of the senate shall call in  
23 alphabetical order the names of the senators not  
24 voting or voting “present”. Those senators called  
25 shall vote “aye” or “no” unless the senator states a  
26 personal interest in the question or concludes that he  
27 or she should not vote under the senate code of  
28 ethics.

#### 29 Rule 24

#### 30 Reconsideration

Page 19

1 When a main motion has been decided by the senate,  
2 any senator having voted on the prevailing side may  
3 move to reconsider the vote on the same or next  
4 legislative day. Motions to reconsider the vote on a  
5 bill or resolution shall be in writing and filed with  
6 the secretary of the senate.  
7 Notwithstanding any time limitations applicable to  
8 motions to reconsider main motions, a motion to  
9 reconsider the vote on an amendment may be made at any  
10 time before final disposition of the motion to be  
11 amended. Such motion shall be in writing and filed  
12 with the secretary of the senate. A motion to  
13 reconsider an amendment to a main motion shall be  
14 taken up for consideration only prior to the  
15 disposition of the main motion or upon reconsideration  
16 of the main motion.  
17 A constitutional majority by a record roll call is  
18 necessary to reconsider a bill or joint resolution.  
19 During three legislative days from the date the motion  
20 to reconsider a bill or resolution is filed, only the  
21 mover may call it up. Thereafter, any senator may  
22 call up the motion. If a date for adjournment has  
23 been set by resolution of the senate, any senator may  
24 call up a motion to reconsider at any time within  
25 three days prior to the date set for adjournment.  
26 If the motion to reconsider a bill or resolution  
27 prevails, motions to reconsider amendments thereto  
28 shall be in order and shall be disposed of without  
29 delay.  
30 A motion that any action taken by the senate be

Page 20

1 reconsidered and the motion to reconsider be laid upon  
2 the table shall be a single and indivisible motion,  
3 known as the double-barreled motion, which, if  
4 carried, shall have the effect of preventing  
5 reconsideration unless a motion to take from the table  
6 prevails. A constitutional majority is necessary for  
7 the double-barreled motion to prevail on a bill or  
8 joint resolution. The double-barreled motion can only  
9 be made from the floor after the vote is announced and  
10 the member who moved the final reading shall have  
11 priority in making it.  
12 A motion to reconsider and lay on the table shall  
13 have priority over a motion to reconsider if they are  
14 both filed on the same legislative day.  
15 In the event that a motion to reconsider is pending  
16 at the end of the first session or any extraordinary  
17 session of any general assembly, or the general

18 assembly adjourns sine die, and the motion has not  
 19 been voted upon by the senate, it shall be determined  
 20 to have failed.

21 Rule 25

22 Suspension of Rules and Taking from Table  
 23 No standing rule or rules incorporated by reference  
 24 under Rule 3 or order of the senate shall be rescinded  
 25 or suspended, nor shall any matter, tabled upon  
 26 motion, be taken up, except by an affirmative vote of  
 27 a constitutional majority of the senate.

28 INTRODUCTION AND FORM OF BILLS

29 Rule 26

30 Time and Method of Introducing Bills and Amendments

Page 21

1 All bills to be introduced in the senate shall be  
 2 typed in proper form by the legislative service bureau  
 3 and shall be filed with the recording clerk.

4 All amendments shall be typed in proper form and  
 5 filed with the recording clerk not later than 4:30  
 6 p.m., or adjournment, whichever is later, in order to  
 7 be listed in the following day's clip sheet.

8 An "impact amendment" is an amendment which  
 9 reasonably could have an annual effect of at least one  
 10 hundred thousand dollars or a combined total effect  
 11 within five years after enactment of five hundred  
 12 thousand dollars or more on the aggregate revenues,  
 13 expenditures or fiscal liability of the state or its  
 14 subdivisions.

15 An impact amendment to a bill which has been on the  
 16 special order calendar for at least three full  
 17 legislative days prior to its consideration shall not  
 18 be taken up by the senate unless:

19 1) a fiscal note is attached, and the amendment is  
 20 filed at least one legislative day prior to the date  
 21 set for consideration of the bill; or

22 2) the amendment is an appropriation or other  
 23 measure where the total effect is stated in dollar  
 24 amounts.

25 Rule 27

26 Limit on Introduction of Bills

27 No bill or joint resolution, except bills and joint  
 28 resolutions cosponsored by the majority and minority  
 29 floor leaders, or companion bills and joint  
 30 resolutions sponsored by the majority floor leaders of

Page 22

1 both houses, shall be introduced in the senate after  
 2 4:30 p.m. on Friday of the sixth week of the first

 22 president or the majority leader.

23 The president pro tempore, when presiding, shall  
 24 perform duties as prescribed in rule 52, paragraphs 1  
 25 and 2.

26 The president pro tempore shall serve as a member  
 27 of the legislative council and as a member of the  
 28 senate committee on rules and administration.

15 CONFIRMATION OF APPOINTMENTS

16 Rule 59

17 Appointments

18 The secretary of the senate shall:

19 a. send, to each appointee submitted by the  
20 governor for senate confirmation, a copy of a senate  
21 questionnaire as approved by the rules and  
22 administration committee;

23 b. receive completed questionnaires from  
24 appointees and forward copies of the completed  
25 questionnaires to appropriate committee members;

26 c. maintain "Confirmation Calendar" categories on  
27 the senate calendar as directed under this rule,  
28 senate rule 6, and by the committee on rules and  
29 administration. No appointee shall be listed as  
30 eligible on the confirmation calendar until the

Page 44

1 secretary has received the appointee's completed  
2 senate questionnaire.

3 As soon as possible after the convening of a

4 session, and again within one week following March 15,  
5 the secretary of the senate shall publish in the  
6 senate journal the names of all nominees submitted for  
7 confirmation. The secretary of the senate shall  
8 maintain a file of all appointments received from the  
9 governor for confirmation. The file shall contain a  
10 description of the duties and the compensation for  
11 each nominee. The file shall show the date an  
12 appointment was received from the governor, the date  
13 the appointment was published in the journal, whether  
14 the nominee has been introduced, whether a committee  
15 report has been filed, when the senate questionnaire  
16 was sent to the appointee, and shall include a copy of  
17 the appointee's completed senate questionnaire, upon  
18 receipt.

19 INVESTIGATING COMMITTEES. All appointments  
20 received from the governor shall be referred to the  
21 rules and administration committee by the secretary of  
22 the senate on the same day they are published in the  
23 senate journal. The rules and administration  
24 committee shall establish an en bloc confirmation  
25 calendar which must be filed with the secretary of the  
26 senate. Within three (3) legislative days after  
27 receiving an appointment, the committee shall either  
28 place a nominee on the en bloc confirmation calendar  
29 or assign the nominee to an appropriate standing  
30 committee for further investigation, publishing notice

Page 45

1 of such assignment in the senate journal for the next  
2 legislative day. If the rules and administration  
3 committee fails to take action on a nominee within the  
4 three days, the nominee shall automatically be placed  
5 on the en bloc confirmation calendar.

6 Within the three (3) legislative days after an  
7 appointment has been referred to the rules and  
8 administration committee, any ten senators may require  
9 that the nominee be assigned to an appropriate  
10 standing committee by filing a written, signed request  
11 therefor with the chairperson of the rules and  
12 administration committee. The committee chair shall  
13 refer the appointment to a subcommittee within one (1)  
14 legislative day after a standing committee receives an  
15 appointment for further investigation, publishing  
16 notice of such assignment in the senate journal for  
17 the next legislative day. Within ten (10) legislative  
18 days after a standing committee receives an  
19 appointment for further investigation the subcommittee  
20 shall file its report with the standing committee.

21 Within fourteen (14) legislative days after a  
22 standing committee receives an appointment for further

23 investigation, the committee shall conduct an  
24 investigation of the nominee and file its report  
25 thereon with the secretary of the senate, who shall  
26 then place the nominee on the en bloc calendar or  
27 individual confirmation calendar as directed by the  
28 committee. The failure of a committee to file its  
29 report within the prescribed time means that the  
30 nominee is to be automatically placed, without

Page 46

1 recommendation, upon the individual confirmation  
2 calendar.  
3 Any individual nominated to head a department or  
4 agency of state government, whose appointment is  
5 subject to senate confirmation, must be introduced to  
6 the full senate prior to a vote on confirmation of the  
7 nominee. Additionally, any five (5) senators may  
8 request that any nominee be introduced to the senate  
9 by filing a written request with the secretary of the  
10 senate within ten (10) legislative days of the  
11 nominee's name appearing in the journal. Any  
12 individual nominated to a position requiring senate  
13 confirmation may request to be introduced to the full  
14 senate by notifying the secretary of the senate at  
15 least one (1) legislative day in advance of their  
16 appearance. If an individual is nominated both to  
17 fill a vacancy for an unexpired term and is also  
18 nominated for reappointment to that position during  
19 the same session, a single introduction is sufficient  
20 for eligibility for confirmation to both terms.  
21 HEARINGS. Any member of a committee investigating  
22 an appointment may, within five (5) legislative days  
23 after the committee receives the appointment, obtain  
24 a hearing with the nominee by filing a written request  
25 with the secretary of the senate who shall forward it  
26 to the chair of the standing committee and the chair  
27 of the subcommittee. Notice of the hearing shall be  
28 published in the journal at least two (2) legislative  
29 days prior to the hearing. At the hearing, which  
30 shall be before the subcommittee, the nominee may be

Page 47

1 questioned as to his or her qualifications to fulfill  
2 the office to which nominated and further questioned  
3 as to his or her viewpoints on issues facing the  
4 office to which nominated. Any senator may at the  
5 discretion of the chair of the subcommittee be  
6 permitted to submit oral questions. The public may, at  
7 the discretion of the investigating committee, be  
8 permitted to submit oral or written statements as to

9 the qualifications of the nominee.  
 10 Also, within five (5) legislative days after the  
 11 subcommittee receives an appointment for  
 12 investigation, any senator may submit written  
 13 questions to be answered by the nominee prior to  
 14 consideration of the nominee's confirmation by the  
 15 senate.  
 16 INFORMATIONAL MEETINGS. After a nominee has been  
 17 placed on the calendar and prior to the vote on  
 18 confirmation, any senator may request an informational  
 19 meeting on the nomination which shall be held before  
 20 the subcommittee.  
 21 VOTING ON CONFIRMATIONS. Upon the motion of the  
 22 majority leader or his or her designee, the nominees  
 23 on the en bloc confirmation calendar shall be  
 24 confirmed en bloc by the affirmative vote of two-  
 25 thirds of the members elected to the senate. The  
 26 journal shall reflect a single roll call accompanied  
 27 by a statement of the names of those individuals  
 28 subject to the en bloc confirmation vote.  
 29 Prior to an en bloc vote, any senator may request,  
 30 either in writing or from the floor, an individual

Page 48

1 vote on any nominee on the en bloc confirmation  
 2 calendar. The senate shall vote separately on the  
 3 nominee.  
 4 Nominees on the individual confirmation calendar  
 5 shall be confirmed by a two-thirds vote; however, the  
 6 senate shall take a separate roll call on each  
 7 nominee, unless by unanimous consent, it determines to  
 8 take one vote on all nominees under consideration. In  
 9 any case, the journal shall reflect a single roll call  
 10 vote for each nominee.

11 If an individual is nominated both to fill a  
 12 vacancy for an unexpired term and is also nominated  
 13 for reappointment to that position, and such  
 14 appointment and reappointment appear on the senate  
 15 calendar as eligible at the same time, a single vote  
 16 is sufficient for confirmation to both terms.

#### 17 Rule 60

19 1. This rule does not apply to concurrent or  
 20 simple resolutions, joint resolutions nullifying  
 21 administrative rules, senate confirmations, bills  
 22 embodying redistricting plans prepared by the  
 23 legislative service bureau pursuant to chapter 42, or  
 24 bills passed by both houses in different forms.

 26 appropriations bills, ways and means bills, legalizing

2 delayed until the adjournment of the next regular  
3 session of the general assembly by the administrative  
4 rules review committee, bills cosponsored by the  
5 majority and minority floor leaders of the senate,  
6 bills in conference committee, and companion bills  
7 sponsored by the majority floor leaders of both houses  
8 after consultation with the respective minority floor  
9 leaders. For the purposes of this rule, a joint  
10 resolution is considered as a bill. To be considered  
11 an appropriations or ways and means bill for the  
12 purposes of this rule, the appropriations committee or  
13 the ways and means committee must either be the  
14 sponsor of the bill or the committee of first referral  
15 in the senate.

16 2. To be placed on the calendar in the senate a  
17 senate bill must be first reported out of a standing  
18 committee by Friday of the 10th week of the first  
19 session and the 6th week of the second session. A  
20 house bill must be first reported out of a standing  
21 committee by Friday of the 13th week of the first  
22 session and the 9th week of the second session to be  
23 placed on the senate calendar.

24 3. During the 11th week of the first session and  
25 the 7th week of the second session, the senate shall  
26 consider only bills originating in the senate and  
27 unfinished business. During the 14th week of the  
28 first session and the 10th week of the second session,  
29 the senate shall consider only bills originating in  
30 the house and unfinished business. Beginning with the

Page 50

1 15th week of the first session and the 11th week of  
2 the second session, the senate shall consider only  
3 bills passed by both houses, bills exempt from  
4 subsection 2 and unfinished business.

5 4. A motion to reconsider filed and not disposed  
6 of on an action taken on a bill or resolution which is  
7 subject to a deadline under this rule may be called up  
8 at any time before or after the day of the deadline by  
9 the person filing the motion or after the deadline by  
10 the majority floor leader, notwithstanding any other  
11 rule to the contrary.

12 BE IT FURTHER RESOLVED, That should a system of  
13 deadlines for the time of committee passage and

14 consideration of bills be adopted by joint action of  
 15 the senate and house at any time during the ~~seventy-~~  
 16 ~~ninth~~ eightieth general assembly, those provisions  
 17 shall supersede the provisions of rule 60.

**SENATE RESOLUTION 3:** filed January 28, 2003; adopted by  
 the Senate on February 6, 2003.

1                                   SENATE RESOLUTION 3  
 2 By: Committee on Ethics  
 3 (SUCCESSOR TO SSB 1015)  
 4 A resolution relating to the Senate Code of Ethics  
 5 governing the conduct of members of the Senate in  
 6 relation to their senatorial duties during the  
 7 Eightieth General Assembly.  
 8 BE IT RESOLVED BY THE SENATE, That the Senate Code  
 9 of Ethics for the ~~Seventy-ninth~~ Eightieth General  
 10 Assembly shall be amended to read as follows:  
 11                                   SENATE CODE OF ETHICS  
 12 PREAMBLE. Every legislator owes a duty to uphold  
 13 the integrity and honor of the general assembly, to  
 14 encourage respect for the law and for the general  
 15 assembly and the members thereof, and to observe the  
 16 legislative code of ethics.  
 17 In doing so, members of the senate have a duty to  
 18 conduct themselves so as to reflect credit on the  
 19 general assembly, and to inspire the confidence,  
 20 respect, and trust of the public, and to strive to  
 21 avoid both unethical and illegal conduct and the  
 22 appearance of unethical and illegal conduct.  
 23 Recognizing that service in the Iowa general  
 24 assembly is a part-time endeavor and that members of  
 25 the general assembly are honorable individuals who are  
 26 active in the affairs of their localities and  
 27 elsewhere and that it is necessary that they maintain  
 28 a livelihood and source of income apart from their  
 29 legislative compensation, the following rules are  
 30 adopted pursuant to section 68B.31, to assist the

Page 2

1 members in the conduct of their legislative affairs.  
 2 1. ECONOMIC INTEREST OF SENATOR. Taking into  
 3 account that legislative service is part-time, a  
 4 senator shall not accept economic or investment  
 5 opportunity, under circumstances where the senator  
 6 knows, or should know, that there is a reasonable  
 7 possibility that the opportunity is being afforded the  
 8 senator with intent to influence the senator's conduct  
 9 in the performance of official duties.  
 10 2. DIVESTITURE. Where a senator learns that an

11 economic or investment opportunity previously accepted  
12 was offered with the intent of influencing the  
13 senator's conduct in the performance of official  
14 duties, the senator shall take steps to divest that  
15 senator of that investment or economic opportunity,  
16 and shall report the facts of the situation to the  
17 senate ethics committee.

18 3. CHARGES FOR SERVICES. A senator shall not  
19 charge to or accept from a person, corporation,  
20 partnership, or association known to have a  
21 legislative interest a price, fee, compensation, or  
22 other consideration for the sale or lease of any  
23 property or the furnishing of services which is in  
24 excess of that which the senator would charge another.

25 4. USE OF CONFIDENTIAL INFORMATION. A senator in  
26 order to further the senator's own economic or other  
27 interests, or those of any other person, shall not  
28 disclose or use confidential information acquired in  
29 the course of official duties.

30 5. HONORARIA. A senator shall not accept an

Page 3

1 honorarium from a restricted donor for a speech,  
2 writing for publication, or other similar activity,  
3 except as otherwise provided in section 68B.23.

4 6. EMPLOYMENT. A senator shall not accept  
5 employment, either directly or indirectly, from a  
6 political action committee. A senator may accept  
7 employment from a political party, but shall disclose  
8 the employment relationship in writing to the  
9 secretary of the senate within ten days after the  
10 beginning of each legislative session. If a senator  
11 accepts employment from a political party during a  
12 legislative session, the senator shall disclose the  
13 employment relationship within ten days after  
14 acceptance of the employment.

15 For the purpose of this rule, a political action  
16 committee means a committee, but not a candidate's  
17 committee, which accepts contributions, makes  
18 expenditures, or incurs indebtedness in the aggregate  
19 of more than ~~five~~ seven hundred ~~fifty~~ dollars in any  
20 one calendar year to expressly advocate the  
21 nomination, election, or defeat of a candidate for  
22 public office or to expressly advocate the passage or  
23 defeat of a ballot issue or influencing legislative  
24 action, or an association, lodge, society,  
25 cooperative, union, fraternity, sorority, educational  
26 institution, civic organization, labor organization,  
27 religious organization, or professional organization  
28 which makes contributions in the aggregate of more

29 than ~~five~~ seven hundred fifty dollars in any one  
 30 calendar year to expressly advocate the nomination,

Page 4

1 election, or defeat of a candidate for public office  
 2 or ballot issue or influencing legislative action.  
 3 7. ECONOMIC INTERESTS OF LOBBYIST. With the  
 4 exception of exercising unfettered discretion in  
 5 supporting or refusing to support proposed  
 6 legislation, a senator shall not take action intended  
 7 to affect the economic interests of a lobbyist or  
 8 citizen supporting or opposing proposed legislation.  
 9 8. APPEARANCE BEFORE GOVERNMENTAL AGENCY. A  
 10 senator may appear before a governmental agency or  
 11 board in any representation case, except that the  
 12 senator shall not act as a lobbyist. Whenever a  
 13 senator appears before a governmental agency or board,  
 14 the senator shall carefully avoid all conduct which  
 15 might in any way lead members of the general public to  
 16 conclude that the senator is using the senator's  
 17 official position to further the senator's  
 18 professional success or personal financial interest.  
 19 9. CONFLICTS OF INTERESTS. In order to permit the  
 20 general assembly to function effectively, a senator  
 21 will sometimes be required to vote on bills and  
 22 participate in committee work which will affect the  
 23 senator's employment and other monetary interests. In  
 24 making a decision relative to the senator's activity  
 25 on given bills or committee work which are subject to  
 26 the code, the following factors shall be considered:  
 27 a. Whether a substantial threat to the senator's  
 28 independence of judgment has been created by the  
 29 conflict situation.  
 30 b. The effect of the senator's participation on

Page 5

1 public confidence in the integrity of the legislature.  
 2 c. The need for the senator's particular  
 3 contribution, such as special knowledge of the subject  
 4 matter, to the effective functioning of the  
 5 legislature.  
 6 A senator with a conflict of interest may  
 7 participate in floor debate if prior to debate the  
 8 senator indicates the conflict of interest.  
 9 10. GIFTS. Except as otherwise provided in  
 10 section 68B.22, a senator, or that person's immediate  
 11 family member, shall not, directly or indirectly,  
 12 accept or receive any gift or series of gifts from a  
 13 restricted donor.  
 14 11. DISCLOSURE REQUIRED. Each senator shall file

15 with the secretary of the senate within ten days after  
16 the adoption of the code of ethics by the senate, and  
17 within ten days after the convening of the second  
18 session of the general assembly, a statement under  
19 section 68B.35 on forms provided by the secretary of  
20 the senate setting forth the following information:  
21 The nature of each business in which the senator is  
22 engaged and the nature of the business of each company  
23 in which the senator has a financial interest. A  
24 senator shall not be required to file a report or be  
25 assumed to have a financial interest if the annual  
26 income derived from the investment in stocks, bonds,  
27 bills, notes, mortgages, or other securities offered  
28 for sale through recognized financial brokers is less  
29 than one thousand dollars.  
30 Disclosures required under this rule shall be as of

Page 6

1 the date filed unless provided to the contrary, and  
2 shall be amended to include interests and changes  
3 encompassed by this rule that occur while the general  
4 assembly is in session. All filings under this rule  
5 shall be open to public inspection in the office of  
6 the secretary of the senate at all reasonable times.

7 The secretary of the senate shall inform the ethics  
8 committee of the statements which are filed and shall  
9 report to the ethics committee the names of any  
10 senators who appear not to have filed complete  
11 statements. The chairperson of the ethics committee  
12 shall request in writing that a senator who has failed  
13 to complete the report or appears to have filed an  
14 incomplete report do so within five days, and, upon  
15 the failure of the senator to comply, the ethics  
16 committee shall require the senator to appear before  
17 the committee.

18 12. STATUTORY VIOLATIONS. Members of the general  
19 assembly are urged to familiarize themselves with  
20 chapters 68B, 721, and 722.

21 13. CHARGE ACCOUNTS. Senators shall not charge  
22 any amount or item to any charge account to be paid  
23 for by any lobbyist or any client the lobbyist  
24 represents.

25 14. TRAVEL EXPENSES. A senator shall not charge  
26 to the state of Iowa amounts for travel and expenses  
27 unless the senator actually has incurred those mileage  
28 and expense costs. Senators shall not file the  
29 vouchers for weekly mileage reimbursement required by  
30 section 2.10, subsection 1, unless the travel was

Page 7

1 actually incurred at commensurate expense to the  
2 senator.  
3 15. COMPLAINTS. Complaints or charges against any  
4 senator or any lobbyist shall be in writing, made  
5 under oath, and filed with the secretary of the senate  
6 or the chairperson of the ethics committee. If filed  
7 with the secretary of the senate, the secretary shall  
8 immediately advise the chairperson of the ethics  
9 committee of the receipt of the complaint.  
10 Complaint forms shall be available from the  
11 secretary of the senate, or the chairperson of the  
12 ethics committee, but a complaint shall not be  
13 rejected for failure to use an approved form if the  
14 complaint substantially complies with senate  
15 requirements.  
16 A complainant may submit exhibits and affidavits  
17 attached to the complaint.  
18 16. FILING OF COMPLAINTS.  
19 a. Persons entitled. Complaints may be filed by  
20 any person believing that a senator or lobbyist has  
21 violated the senate ethics code, the senate rules  
22 governing lobbyists, or chapter 68B of the Iowa Code.  
23 A violation of the criminal law may be considered to  
24 be a violation of this code of ethics if the violation  
25 constitutes a serious misdemeanor or greater, or a  
26 repetitive and flagrant violation of the law.  
27 b. Committee complaint. The ethics committee may,  
28 upon its own motion, initiate a complaint,  
29 investigation, or disciplinary action.  
30 c. Timeliness of filing. A complaint will be

Page 8

1 considered to be timely filed if it is filed within  
2 three years of the occurrence of the alleged violation  
3 of the ethics code.  
4 17. PERMANENT RECORD. The secretary of the senate  
5 shall maintain a permanent record of all complaints  
6 filed, evidence received by the committee, and any  
7 transcripts or other recordings made of committee  
8 proceedings, including a separate card file containing  
9 the date filed, name and address of the complainant,  
10 name and address of the respondent, a brief statement  
11 of the charges made, and ultimate disposition of the  
12 complaint. The secretary shall keep each such  
13 complaint confidential until public disclosure is made  
14 by the ethics committee.  
15 18. PREHEARING PROCEDURE.  
16 a. Defective complaint. Upon receipt of a  
17 complaint, the chairperson and ranking member of the

18 ethics committee shall determine whether the complaint  
 19 substantially complies with the requirements of this  
 20 code of ethics and section 68B.31, subsection 6. If  
 21 the complaint does not substantially comply with the  
 22 requirements for formal sufficiency under the code of  
 23 ethics, the complaint may be returned to the  
 24 complainant with a statement that the complaint is not  
 25 in compliance with the code and a copy of the code.  
 26 If the complainant fails to amend the complaint to  
 27 comply with the code within a reasonable time, the  
 28 chair and ranking member may dismiss the complaint  
 29 with prejudice for failure to prosecute.  
 30 b. Service of complaint on respondent. Upon

Page 9

1 receipt of any complaint substantially complying with  
 2 the requirements of this code of ethics, the  
 3 chairperson of the ethics committee shall cause a copy  
 4 of the complaint and any supporting information to be  
 5 delivered promptly to the respondent, requesting a  
 6 written response to be filed within ten days. The  
 7 response may do any of the following:  
 8 (1) Admit or deny the allegation or allegations.  
 9 (2) Object that the allegation fails to allege a  
 10 violation of chapter 68B or the code of ethics.  
 11 (3) Object to the jurisdiction of the committee.  
 12 (4) Request a more specific statement of the  
 13 allegation or allegations.  
 14 c. Objection to member. In addition to the items  
 15 which may be included in a response pursuant to  
 16 paragraph “b”, the response may also include an  
 17 objection to the participation of any member of the  
 18 committee in the consideration of the allegation or  
 19 allegations on the grounds that the member cannot  
 20 render an impartial and unbiased decision.  
 21 d. Extension of time. At the request of the  
 22 respondent and upon a showing of good cause, the  
 23 committee, or the chairperson and ranking member, may  
 24 extend the time for response, not to exceed ten  
 25 additional days.  
 26 e. Confidentiality. If a complaint is not  
 27 otherwise made public, the members of the committee  
 28 shall treat the complaint and all supporting  
 29 information as confidential until the written response  
 30 is received from the respondent.

Page 10

1 f. Communications with ethics committee. After a  
 2 complaint has been filed or an investigation has been  
 3 initiated, a party to the complaint or investigation

4 shall not communicate, or cause another to  
 5 communicate, as to the merits of the complaint or  
 6 investigation with a member of the committee, except  
 7 under the following circumstances:

8 (1) During the course of any meetings or other  
 9 official proceedings of the committee regarding the  
 10 complaint or investigation.

11 (2) In writing, if a copy of the writing is  
 12 delivered to the adverse party or the designated  
 13 representative for the adverse party.

14 (3) Orally, if adequate prior notice of the  
 15 communication is given to the adverse party or the  
 16 designated representative for the adverse party.

17 (4) As otherwise authorized by statute, the senate  
 18 code of ethics, the senate rules governing lobbyists,  
 19 or vote of the committee.

20 g. Scheduling hearing. Upon receipt of the  
 21 response, the committee shall schedule a public  
 22 meeting to review the complaint and available  
 23 information, and shall:

24 (1) Notify the complainant that no further action  
 25 will be taken, unless further substantiating  
 26 information is produced, or

27 (2) Dismiss the complaint for failure to meet the  
 28 statutory and code of ethics requirements for valid  
 29 complaints, or

30 (3) Request that the chief justice of the supreme

Page 11

1 court appoint an independent special counsel to  
 2 conduct an investigation of the complaint and  
 3 supporting information, to make a determination of  
 4 probable cause, and to report the findings to the  
 5 committee, which shall be received within a reasonable  
 6 time.

7 h. Public hearing. If independent special counsel  
 8 is appointed, upon receipt of the report of  
 9 independent special counsel's findings, the committee  
 10 shall schedule a public meeting to review the report  
 11 and shall do either of the following:

12 (1) Cause the complaint to be scheduled for a  
 13 public hearing.

14 (2) Dismiss the complaint based upon a  
 15 determination by independent special counsel and the  
 16 committee that insufficient evidence exists to support  
 17 a finding of probable cause.

#### 18 19. HEARING PROCEDURE.

19 a. Notice of hearing. If the committee causes a  
 20 complaint to be scheduled for a public hearing, notice  
 21 of the hearing date and time shall be given to the  
 22 complainant and respondent in writing, and of the

23 respondent's right to appear in person, be represented  
24 by legal counsel, present statements and evidence, and  
25 examine and cross-examine witnesses. The committee  
26 shall not be bound by formal rules of evidence, but  
27 shall receive relevant evidence, subject to  
28 limitations on repetitiveness. Any evidence taken  
29 shall be under oath.  
30 b. Subpoena power. The committee may require, by

Page 12

1 subpoena or otherwise, the attendance and testimony of  
2 witnesses and the production of such books, records,  
3 correspondence, memoranda, papers, documents, and any  
4 other things it deems necessary to the conduct of the  
5 inquiry.

6 c. Ex post facto. An investigation shall not be  
7 undertaken by the committee of a violation of a law,  
8 rule, or standard of conduct that is not in effect at  
9 the time of violation.

10 d. Disqualification of member. Members of the  
11 committee may disqualify themselves from participating  
12 in any investigation of the conduct of another person  
13 upon submission of a written statement that the member  
14 cannot render an impartial and unbiased decision in a  
15 case. A member may also be disqualified by a  
16 unanimous vote of the remaining eligible members of  
17 the committee.

18 A member of the committee is ineligible to  
19 participate in committee meetings, as a member of the  
20 committee, in any proceeding relating to the member's  
21 own official conduct.

22 If a member of the committee is disqualified or  
23 ineligible to act, the majority or minority leader who  
24 appointed the member shall appoint a replacement  
25 member to serve as a member of the committee during  
26 the period of disqualification or ineligibility.

27 e. Hearing. At the hearing, the chairperson shall  
28 open the hearing by stating the charges, the purpose  
29 of the hearing, and its scope. The burden of proof  
30 rests upon the complainant to establish the facts as

Page 13

1 alleged, by clear and convincing evidence. However,  
2 questioning of witnesses shall be conducted by the  
3 members of the committee, by independent special  
4 counsel, or by a senator. The chairperson shall also  
5 permit questioning by legal counsel representing the  
6 complainant or respondent.

7 The chairperson or other member of the committee  
8 presiding at a hearing shall rule upon procedural

9 questions or any question of admissibility of evidence  
10 presented to the committee. Rulings may be reversed  
11 by a majority vote of the committee members present.  
12 The committee may continue the hearing to a future  
13 date if necessary for appropriate reasons or purposes.  
14 f. Committee action. Upon receipt of all relevant  
15 evidence and arguments, the committee shall consider  
16 the same and recommend to the senate:  
17 (1) That the complaint be dismissed, or  
18 (2) That the senator or lobbyist be censured or  
19 reprimanded, and recommend the appropriate form of  
20 censure or reprimand, or  
21 (3) Any other appropriate sanction, including  
22 suspension or expulsion from membership in the senate,  
23 or suspension of lobbying privileges.  
24 g. Disposition resolution. By appropriate  
25 resolution, the senate may amend, adopt, or reject the  
26 report of the ethics committee, including the  
27 committee's recommendations regarding disciplinary  
28 action.  
29 20. COMMITTEE AUTHORIZED TO MEET. The senate  
30 ethics committee is authorized to meet at the

Page 14

1 discretion of the chairperson to conduct hearings and  
2 other business that properly may come before it. If  
3 the committee submits a report seeking senate action  
4 against a senator or lobbyist after the second regular  
5 session of a general assembly has adjourned sine die,  
6 the report shall be submitted to and considered by the  
7 subsequent general assembly. However, the report may  
8 be submitted to and considered during any special  
9 session which may take place after the second regular  
10 session of a general assembly has adjourned sine die,  
11 but before the convening of the next general assembly.  
12 20A. ADVISORY OPINIONS.  
13 a. Requests for formal opinions. A request for a  
14 formal advisory opinion may be filed by any person who  
15 is subject to the authority of the ethics committee.  
16 The ethics committee may also issue a formal advisory  
17 opinion on its own motion, without having previously  
18 received a formal request for an opinion, on any issue  
19 that is within the jurisdiction of the committee.  
20 Requests shall be filed with either the secretary of  
21 the senate or the chairperson of the ethics committee.  
22 b. Form and contents of requests. A request for a  
23 formal advisory opinion shall be in writing and may  
24 pertain to any subject matter that is related to the  
25 application of the senate code of ethics, the senate  
26 rules governing lobbyists, or chapter 68B of the Code  
27 to any person who is subject to the authority of the

28 ethics committee. Requests shall contain one or more  
 29 specific questions and shall relate either to future  
 30 conduct or be stated in the hypothetical. A request

Page 15

1 for an advisory opinion shall not specifically name  
 2 any individual or contain any other specific  
 3 identifying information, unless the request relates to  
 4 the requester's own conduct. However, any request may  
 5 contain information which identifies the kind of  
 6 individual who may be affected by the subject matter  
 7 of the request. Examples of this latter kind of  
 8 identifying information may include references to  
 9 conduct of a category of individuals, such as but not  
 10 limited to conduct of legislators, legislative staff,  
 11 or lobbyists.

12 c. Confidentiality of formal requests and  
 13 opinions. Requests for formal opinions are not  
 14 confidential and any deliberations of the committee  
 15 regarding a request for a formal opinion shall be  
 16 public. Opinions issued in response to requests for  
 17 formal opinions are not confidential, shall be in  
 18 writing, and shall be placed on file in the office of  
 19 the secretary of the senate. Persons requesting  
 20 formal opinions shall personally receive a copy of the  
 21 written formal opinion that is issued in response to  
 22 the request.

23 20B. CALCULATION OF TIME -- DAYS. For purposes of  
 24 these rules, unless the context otherwise requires,  
 25 the word "day" or "days" shall mean a calendar day  
 26 except that if the day is the last day of a specific  
 27 time period and falls upon a Saturday, Sunday, or  
 28 legal holiday, the time prescribed shall be extended  
 29 so as to include the whole of the next day in which  
 30 the offices of the senate and the general assembly are

15 WHEREAS, to spare himself, Saddam Hussein agreed to

14 and that Saddam Hussein has not accounted for the  
15 remaining 29,984 of those prohibited munitions, and  
16 has not produced evidence that they have been  
17 destroyed; and  
18 WHEREAS, three Iraqi defectors have stated that, in  
19 the late 1990s, Iraq had several mobile biological  
20 weapons laboratories, designed to produce germ warfare  
21 agents and capable of being moved from place to place  
22 to evade inspectors, the existence of which Saddam

8 WHEREAS, intelligence sources have informed the  
9 United States that thousands of Iraqi security  
10 personnel are at work concealing documents and

14 accompany the inspectors in order to intimidate  
15 witnesses; and  
16 WHEREAS, this dictator who is assembling the

18 on whole villages -- leaving thousands of his own  
19 citizens dead, blind, or disfigured; and  
20 WHEREAS, Iraqi refugees report that forced  
21 confessions are obtained by torturing children while  
22 their parents are made to watch and international  
23 human rights groups have catalogued other evil, cruel,  
24 and horrible methods used in the torture chambers of  
25 Iraq, including electric shock, burning with hot  
26 irons, dripping acid on the skin, mutilation with

13 duty or as part of a national guard or reserve unit  
14 that has been activated, are assembling in or near the  
15 Middle East; and  
16 WHEREAS, some crucial days and hours may lay ahead  
17 in which the success of the cause to disarm Iraq will  
18 depend on these troops, the excellent training they  
19 receive, the call to honor that guides them, their  
20 belief in America and their knowledge that America  
21 supports and believes in them; and  
22 WHEREAS, sending Americans into battle is the most  
23 profound decision a President can make, for while the

24 technologies of war have changed, the risks and  
 25 suffering of war have not; and  
 26 WHEREAS, for the brave Americans who bear the risk,  
 27 no victory is free from sorrow, and even though this  
 28 nation fights reluctantly, the nation knows the costs  
 29 and dreads the days of mourning that always come; NOW

6 WHEREAS, United States coal miners perform a unique  
7 and vital service for the nation because without a man  
8 or woman at the controls of a dragline or working in a

13 WHEREAS, coal miners keep the nation supplied with

24 WHEREAS, the coal mines in central and southern

5 country, and whose legacy is preserved in the John L.  
6 Lewis Memorial Museum of Mining and Labor located in
